City Attorney Review: Yes

City Manager Review: _____

DISCUSSION:

At the January 27, 2015 meeting, the City authorized the pursuit of grant funding through the Tarrant County Community Development Block Grant (CDBG) 41st Year Program for water line improvements in the 1300-1500 block of Tennis Drive. The proposed water line replacement project was chosen in order to reduce the current problem of frequent water main breaks, which disrupts service to 352 apartment units, including the Courts of Bedford, Toscana Villa and 36 homes located on Tennis Drive. On April 6, 2015, Tarrant County approved the Action Plan, granting the City \$138,062.64 for this project.

The City's Consulting Engineer, J. Richard Perkins, P.E., designed the project and provided the contract document and specifications to Tarrant County for bidding. The contract document called for removing seven fire hydrants, furnishing and installing eight fire hydrants, abandoning the old 6" water line, installing 2,036 linear feet of new 8" water line, furnishing and install seven 8" gate valves, removing and replacing long and short service lines, asphalt restoration and yard restoration.

The bid opening was held at Tarrant County on November 11, 2015. A total of eleven contractors submitted bids, with one contractor being disqualified at the bid opening. Of the ten accepted bids, Tejas Commercial Construction, LLC submitted the lowest qualifying bid in the amount of \$215,160. The highest bid was \$385,095 and the average bid was \$276,779.

Mr. Perkins recommends Tejas Commercial Construction, LLC for the Tennis Drive Water Line Improvements Project. In 2012, they were awarded and successfully completed the Glenda Drive/Patricia Lane Storm Drain Improvements Project and successfully completed one private project in the City for Mexican Inn. If approved, funding in the amount of \$130,000 would be paid from CDBG grant funding and \$85,160 would be paid from the Utility Maintenance Fund.

RECOMMENDATION:

Staff recommends the following motion:

Approval of a resolution repealing resolution No. 15-114; authorizing the City Manager to enter into an agreement with Tarrant County and to recommend to the County to accept the bid and award a contract to Tejas Commercial Construction, LLC, in the amount of \$215,160 for the City of Bedford 41st Year Community Development Block Grant (CDBG) Tennis Drive Water Line Improvements Project.

Good morning,

The Mayors' Council of Tarrant County approved the Action Plan last evening which includes your CDBG project and amount of funding.

The following CDBG amounts will be allocated to your PY2015 CDBG Public Infrastructure project.

PY2015 funds	Previous Year CDBG funds	TOTAL CDBG amount
\$ 130,000	\$ 8,062.64	= \$138,062.64

Please email or call me if you have any further questions.

Regards, Susan

Tom, Kenny, and Patrice: I think you already have this figure for the 41st Year CDBG project, but according to Susan, it is now an official number.

Good afternoon Brad,

I'm checking with our attorney on this. In case this needs to go back to Council, I'll see if we could call a special meeting next week about getting it changed. If not, it won't be until January 12.

Michael: Can you respond to Brad on this item as to the date of the next Council meeting and whether or not the resolution can be changed to delete the \$8,062.64 that was expended in an earlier project?

Thanks,

Dick

Dick,

Please see email below. The City's resolution refers to the additional \$8,062.64. Can this be corrected at the next council meeting and when might that be?

Thanks

Good morning,

Our financial analyst noticed that \$8,062.64 remaining from 2011 (37th year) was already expended in 2013 (39th year) project. Therefore, Bedford's 41st year project will be CDBG funded at \$130,000. Only.
Please make note of this change.
