

Why a Dog Park?

Six years ago the Parks and Recreation Advisory Board first approached the City Council with the idea of a dog park. After many meetings, surveys and investigation of nearby dog parks, we are finally on our way! Construction will begin immediately on Bedford's Bark Park at Meadowpark.

We are excited to offer a new opportunity for outdoor activity with some of our most precious family members – our dogs. The Bark Park will have areas for large and small dogs to run off leash, to exercise and socialize with others.

We would like to make the Bark Park comfortable for both dogs and their people but we need your help. Imagine having your name or business name on a water fountain or park bench in the Bark Park. Sponsorship opportunities are available and any donation can be designated for use at the Bark Park. Feel free to send your donation to City Hall or be on the lookout for donation stations around the City.

**Help us cut the ribbon
to the newest park in Bedford**

Funding for the initial build will be made through the Park Donation Fund. Each month residents can add 50 cents to their water bill to support this fund. The Parks and Recreation Advisory Board uses these funds to add new amenities to our parks and recreation offerings. Previous purchases include weight room equipment at the Boys Ranch Activity Center, refurbishing the pool at Central Park and the electronic sign on Harwood Road.

If you would like more information on the Bark Park or how you can help, please contact me at bedfordbarkpark@gmail.com.

Playfully yours,

Jeannette Cook
Chairman of the
Bedford Parks and Recreation Advisory Board
