

**Regular Meeting of the Bedford City Council
Tuesday, September 22, 2020
Bedford City Hall Building A
2000 Forest Ridge Drive
Bedford, Texas 76021**

**Council Chamber Work Session 5:30 p.m.
Council Chamber Regular Session 7:30 p.m.**

**COMPLETE COUNCIL AGENDAS AND BACKGROUND INFORMATION ARE AVAILABLE FOR REVIEW
ONLINE AT <http://www.bedfordtx.gov>**

In order to advance the public health goal of limiting face-to-face meetings (also called “social distancing”) to slow the spread of the Coronavirus (COVID19), there will be no public access to the location described above. Residents interested in the meeting can watch it live on the City’s website at <https://bedfordtx.gov/250/City-Council-Meetings-Online> or tune in to channels 16 (Spectrum) or 99 (AT&T).

The agenda packet and meeting information are posted online at <https://bedfordtx.gov/AgendaCenter/City-Council-2>. You may provide written comments on specific agenda items prior to the meeting by filling out the Comment Form at <https://bedfordtx.gov/FormCenter/City-Council-11/City-Council-Meeting-Sign-Up-Form-51>, emailing citysecretary@bedfordtx.gov or calling 817-952-2104. You may also use the Comment Form to sign up to speak on specific agenda items during the meeting by phone. You must provide a valid phone number and you will be called during the meeting at the appropriate time. All comments and requests to speak need to be received by 3:00 p.m. the day of the meeting.

WORK SESSION

- Discussion on the Quarterly Investment Report for the Fiscal 3rd Quarter ending June 30, 2020.
- Presentation by Community Affairs Commission Chairperson Sal Caruso regarding welcoming new businesses to Bedford. *This item requested by Mayor Boyter.
- Discussion regarding the City’s Water, Sewer, and Stormwater rate structure and options to provide revenues to maintain adequate operating reserves and fund capital needs.
- Update and discussion on a performing arts center at the Old Bedford School.
- Review options for re-opening Bedford for community events, programs, playgrounds, and park pavilion rentals.
- Discussion regarding staffing concerns and other related matters at the Police Department. *This item requested by Mayor Boyter.

EXECUTIVE SESSION

To convene in closed session in compliance with Section 551.001 et. Seq. Texas Government Code, to discuss the following:

- a) Pursuant to Section 551.071(2), consultation with the City Attorney on matters in which the duty of the City Attorney under the Texas Disciplinary Rules of Professional Conduct of the State Bar of

Texas clearly conflicts with Chapter 551 of the Texas Government Code - Block 1, Lot 1, Bedford School Addition.

REGULAR SESSION

CALL TO ORDER/GENERAL COMMENTS

INVOCATION

PLEDGE OF ALLEGIANCE

COUNCIL RECOGNITION

1. Proclamation recognizing October 4-10, 2020 as Fire Prevention Week in the City of Bedford.
2. Proclamation recognizing October 2020 as Crime Prevention Month in the City of Bedford.
3. Proclamation recognizing October 6, 2020, as the official day for National Night Out in the City of Bedford.

OPEN FORUM *(The public is invited to address the Council on any topic that is posted on this agenda. Citizens desiring to speak on Public Hearing(s) must do so at the time the Public Hearing(s) are opened. In order to speak during Open Forum, a person must first sign in with the City Secretary prior to the Regular Session being called to order. Speakers will be called upon in the order in which they sign in. Any person not signing in prior to the commencement of the Regular Session shall not be allowed to speak under Open Forum. Further, Open Forum is limited to a maximum of 30 minutes. Should speakers not use the entire 30 minutes Council will proceed with the agenda. At the majority vote of the Council the Mayor may extend the time allotted for Open Forum.)*

CONSIDER APPROVAL OF ITEMS BY CONSENT *(Consent items are deemed to need little Council deliberation and will be acted upon as on business item. Any member of the City Council may request that an item be withdrawn from the Consent Agenda and placed before the City Council for full discussion. Approval of the Consent Agenda authorizes the City Manager, or a designee, to implement each item in accordance with staff recommendation.)*

4. Consider approval of the following City Council minutes:
 - a) September 8, 2020 regular session
 - b) September 15, 2020 special session
5. Consider a resolution of the City Council of the City of Bedford, Texas, approving a negotiated settlement between the Atmos Cities Steering Committee ("ACSC") and Atmos Energy Corp., Mid-Tex Division regarding the Company's 2020 Rate Review Mechanism filing; declaring existing rates to be unreasonable; adopting tariffs that reflect rate adjustments consistent with the negotiated settlement; finding the rates to be set by the attached settlement tariffs to be just and reasonable and in the public interest; approving an attached exhibit establishing a benchmark for pensions and retiree medical benefits; approving an attached exhibit regarding amortization of regulatory liability; requiring the Company to reimburse ACSC's reasonable ratemaking expenses; determining that this resolution was passed in accordance with the requirements of the Texas Open Meetings Act; adopting a savings clause; declaring an effective date; and requiring delivery of this resolution to the company and the ACSC's legal counsel.
6. Consider a resolution authorizing the City Manager to purchase library print and multimedia materials primarily using the State of Texas SmartBuy contract with various vendors in an amount not to exceed \$200,000.
7. Consider a resolution approving the City of Bedford Investment Policy for Fiscal Year 2020.
8. Consider a resolution of the City Council of the City of Bedford, Texas providing for adoption of a written policy authorizing the City to accept applications to provide primary Depository Bank Services from eligible financial institutions not doing business within the City; and providing an effective date.

PERSONS TO BE HEARD

9. The following individual has requested to speak to the Council tonight under Persons to be Heard:

- a) Roger Gallenstein, 4013 Fairmont Court, Bedford, Texas 76021 – Request to speak to Council regarding Bedford needs a destination.

OLD BUSINESS

10. Consider an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, “Updated Service Credits” in said system on an annual basis for service performed by qualifying members of such system who at the effective date of the allowance are members of the City of Bedford; providing for increased prior and current service annuities for retirees and beneficiaries of deceased retirees of the City; providing for participation of the City in the supplemental death benefits fund of the Texas Municipal Retirement System, to provide certain in-service death benefits for employees of the City and, establishing an effective date. (Tabled at the September 8, 2020 meeting)
11. Consider an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, “Restricted Prior Service Credit” to employees who are members of the system for service previously performed for various other public entities for which they have not received credited service; and establishing an effective date. (Tabled at the September 8, 2020 meeting)

NEW BUSINESS

12. Consider an ordinance amending the City of Bedford Code of Ordinances Appendix A – Schedule of Fees, by updating fees imposed by the City; containing a savings clause; repealing all ordinances in conflict herewith; and providing for an effective date.
13. Consider an ordinance amending the schedule of water rates by amendment of Section 1., Ordinance No. 19-3264; providing a repealing clause; providing a severability clause; and declaring an effective date.
14. Consider an ordinance amending the schedule of sewer rates by amendment of Section 1., Ordinance No. 19-3265; providing a repealing clause; providing a severability clause; and declaring an effective date.
15. Consider a resolution authorizing the City Manager to enter into a contract amendment with Steele & Freeman, Inc. for Construction Manager at Risk services in the amount of \$58,567,435.
16. Consider a resolution appointing members and chairpersons to Bedford’s Citizen Boards and Commissions; and removing members pursuant to Section 2.10 of the City Charter.
17. Mayor/Council Member Reports
18. Report on most recent meeting of the following Boards and Commissions:
- ✓ Animal Shelter Advisory Board
 - ✓ Beautification Commission
 - ✓ Community Affairs Commission
 - ✓ Cultural Commission
 - ✓ Economic Development Foundation
 - ✓ Library Advisory Board
 - ✓ Parks and Recreation Board
 - ✓ Teen Court Advisory Board
 - ✓ Senior Center Representative
19. City Manager/Staff Reports
20. Take any action necessary as a result of the Executive Session.

(Any item on this posted agenda may be discussed in executive session provided it is within one of the permitted categories under Chapter 551 of the Texas Government Code.)

ADJOURNMENT

CERTIFICATION

I, the undersigned authority, do hereby certify that this Notice of Meeting was posted on the outside window in a display cabinet at the City Hall of the City of Bedford, Texas, a place convenient and readily accessible to the general public at all times, and said Notice was posted by the following date and time: Friday, September 18, 2020 at 5:00 p.m., and remained so posted at least 72 hours before said meeting convened.

Michael Wells, City Secretary

Date Notice Removed

(Auxiliary aids and services are available to a person when necessary to afford an equal opportunity to participate in City functions and activities. Auxiliary aids and services or accommodations must be requested in writing to the City Secretary's Office a minimum of seventy-two hours (72) hours prior to the scheduled starting time of the posted meeting. Requests can be delivered in person or mailed to the City Secretary's Office at 2000 Forest Ridge Drive, Bedford, TX 76021, or emailed to citysecretary@bedfordtx.gov. Some requests may take longer due to the nature, extent and/or availability of such auxiliary aids, services or accommodations.)

Council Agenda Background

<u>PRESENTER:</u> Paula McPartlin, CGFO, Asst. Finance Director, Representatives from Valley View Consulting, L.L.C.	<u>DATE:</u> 09/22/20
Work Session	
<u>ITEM:</u> Discussion on the Quarterly Investment Report for the Fiscal 3rd Quarter ending June 30, 2020. City Attorney Review: N/A	
<u>DISCUSSION:</u> The City of Bedford Investment Portfolio contains funds invested for the daily operational requirements of the City, funds reserved for economic uncertainties, and funds set aside for future maintenance needs. The Portfolio also includes bond proceeds for several major construction projects, including, but not limited to, the Phase Next project. To ensure the safety of the portfolio, investments that hold the highest credit quality are selected. The total book and market values of all portfolios at quarter-end was \$148,331,373. The City Funds Portfolio decreased approximately \$2.0 million this quarter compared to last quarter. This represents a change from \$117,929,226 to \$115,878,369. The quarter-end average yield was 0.67%, a decrease of 80 basis points from the previous quarter's average yield of 1.47%. The Texas Water Development Board (State Water Implementation Revenue Fund for Texas) Funds Portfolio decreased approximately \$321,000 during the quarter. This represents a change from \$32,774,056 to \$32,453,005. The quarter-end average yield was 0.26%, a decrease of 18 basis points from the previous quarter's average yield of 0.44%. Overall, the total portfolio fiscal year-to-date average yield is 1.24%, a decrease of 34 basis points from the prior quarter fiscal year-to-date average yield of 1.58%. Quarterly interest income totaled \$307,033 and accumulated fiscal year-to-date interest income totaled \$1,696,177. Representatives from Valley View Consulting, L.L.C. will provide an overview of the City's Investment Portfolio.

	Total Portfolio 0.58%		Total Portfolio 1.24%	

	<u>Quarter End Average Yield (1)</u>	<u>Fiscal Year-to-Date Average Yield (2)</u>
Rolling Three Month Treasury	0.14%	Rolling Three Month Treasury 0.97%
Rolling Six Month Treasury	0.67%	Rolling Six Month Treasury 1.28%
TexPool	0.22%	TexPool 0.95%

(1) **Quarter End Average Yield** - based on adjusted book value, realized and unrealized gains/losses and investment advisory fees are not considered. The yield for the reporting month is used for bank, pool, and money market balances.

(2) **Fiscal Year-to-Date Average Yield** - calculated using quarter end report yields and adjusted book values and does not reflect a total return analysis or account for advisory fees.

The Federal Open Market Committee (FOMC) maintained the Fed Funds target range at 0.00% to 0.25% (Effective Fed Funds are trading +/-0.08%). Worldwide and domestic economic activity popped-up as isolation protocols eased. However, continued positive COVID test growth may impact additional activity. The Yield Curve remains stabilized at current levels. The FOMC has signaled reduced rates for an extended period. Crude oil increased to \$40+ per barrel. Unemployment claims continued to rise, but June Non Farm Payroll surged to 4.8 million. The Stock Market wobbled but stabilized. Full recovery timeline still very uncertain.

Market Outlook

July 2, 2020

The economic reports issued during June depict a market that is trying to find its legs and return to normal. Several sectors showed improvement and offered more encouraging signs. However, the readings were all taken prior to the current resurgence of COVID. Economists continue to debate whether the recovery will be V-shaped, W-shaped, swoosh-shaped, or U-shaped, and it is too soon to make any accurate determinations. One thing that they all agree on is that the economy will be permanently changed by what we have experienced. A Goldman Sachs economist referred to this as “scarring” or the permanent impact that the pandemic has had on business plans, operations, work site management and production.

The June Employment report posted another strong positive gain and reflects continued return to the workplace. June added 4.8 million jobs (the market was expecting 3 million jobs). The report also raised the previous two months by a net of 103,000 jobs. May was revised to +2.699 million jobs from the previous report of +2.509 million. April was revised to minus 20.787 million jobs from the previously reported minus 20.700 million jobs. (The lower graph scales out some of the distortion to provide more detail of previous readings.) The three-month average came in at minus 4.429 million per month (the previous three-month average was minus 6.36 million per month). Most sectors had significant improvements: Health Care (+568,000), Professional/Business (+306,000), Leisure/Hospitality (+2.1 million), Retail (+739,000), Manufacturing (+256,000) and Construction (+158,000). Government added 33,000 jobs. The private sector added 4.767 million jobs compared with +3.232 million jobs in May. The current Labor Participation Rate, a measure of the percentage of eligible workers that hold jobs, rose to 61.5% from 60.8% in May.

The Unemployment Rate fell to 11.1% from May’s 13.3%. The U6 rate (or the under-employed rate – those that are either over-qualified for their job or working fewer hours than they desire) fell to 18.0% from the previous 21.2% in May. Average Hourly Earnings (AHE) fell 1.3% in June after falling 1.0% in May. Year-over-year AHE was +5.0% from May’s +6.7%. Despite the encouraging Employment reports, a total of 46+ million people have filed for unemployment benefits over the past three months and over 19 million people continue to receive unemployment checks.

The Housing Sector outlook was mixed during May but is showing some signs of relief. Existing Home Sales fell 9.7% in May after falling 17.8% in April. Year-over-year sales are down 26.2% or the biggest drop since 1982. The median home price for Existing Homes continues to rise and is up 2.3% from May 2019. New Home Sales, on the other hand, had a more optimistic report showing an increase of 16.6% in May after falling 5.2% in April. One suggested reason for the drop in Existing Home Sales as compared to New Home Sales is the resistance of homeowners to having outsiders enter their inhabited homes during the pandemic (which is not a concern for New Home sales). Mortgage rates remain exceptionally attractive and the housing sector could see significant turnaround once the pandemic has passed. The S&P Case Shiller report of home prices in the 20 metropolitan areas, reported a 0.9% increase in home values during April, and the Federal Housing Finance Agency (FHFA), the entity that analyzes all domestic home prices, reported a rise of 0.2%. Housing Starts rose 4.3% in May after falling 26.4% in April. Permits rose 14.4%

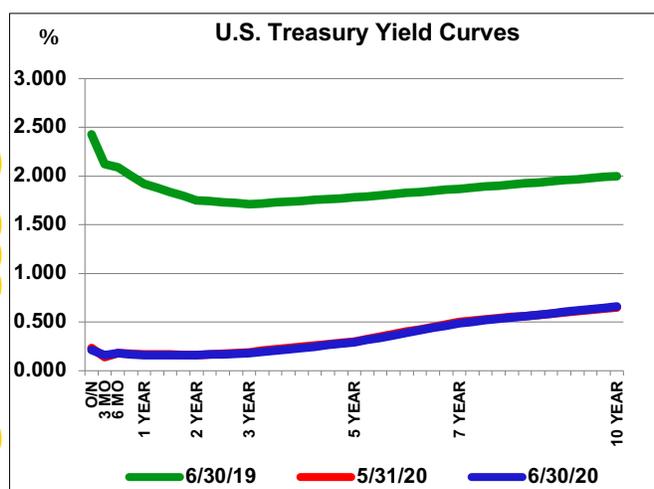

following a decline of 21.4% in April. Pending Home Sales soared an astonishing 44.3% in May after falling 21.8% in April. (The largest increase on record following the largest decline on record). Construction Spending fell 2.1% in May after falling 3.5% in April. Most of the decline was in private or residential construction while public sector increased. The Housing Market Index (a measure of the confidence of home builders) for May continued to recover after the huge decline in April but is still lower than pre-COVID. This index hit an all-time high in December before COVID. One troubling aspect of the pandemic is the strain that it is placing on existing mortgages, as it was reported that 4.3 million homeowners missed their mortgage payments in May.

The production and manufacturing sectors are beginning to show improvement. The final report for Gross Domestic Product (GDP) for the first quarter 2020 dropped to minus 5.0% following the fourth quarter 2019's result of +2.1%. Business inventories fell 1.3% in April after a falling 0.3% in March. Industrial Production rose 1.4% in May after falling 12.5% in April. Durable Goods Orders rose 15.8% in May after falling 18.1% in April. Factory Orders rose 8.0% in May after a decline of 13.5% in April. The Producer Price Index (PPI) rose 0.4% in May after falling 1.3% in April. It is down 0.8% year-over-year which is better than the minus 1.2% level in March. The Consumer Price Index (CPI) fell 0.1% in May after falling 0.8% in April. Core CPI year-over-year, or the results after food and energy numbers are excluded (due to price volatility), is up 1.2% compared to April's +1.4%. The reports from Purchasing Managers demonstrated cautious optimism. Purchasing managers from both the manufacturing and service sectors (which include four different surveys) all report slightly better expectations for production.

On the consumption front, Retail Sales rebounded and posted an increase of 17.7% in May after declining 14.7% April. Consumers' attitudes as measured by the Consumer Confidence and Consumer Sentiment also moved higher in May and June after the extremely low April reports. Core Personal Consumption Expenditure Index (PCE), one of the inflation indicators that the Federal Open Market Committee (FOMC) pays close attention to, was 1.0% in June or unchanged from May and remains below the FOMC's target rate of 2.0%.

The FOMC met on June 9th and 10th. They voted to retain the Federal Funds Rate range at 0% to 0.25%. Chair Jerome Powell stated that the Committee expects rates to remain at that current level through 2022. They currently expect the economy to shrink by 6.5% during 2020, but then grow at +5.0% during 2021. He stated that the Committee is committed to using their full range of tools to support the economy. On June 15th the Fed launched the Corporate Bond Facility tool with the intent of purchasing up to \$750 billion in corporate bonds that were rated as investment grade as of March 22 but have deteriorated to BB-/Ba3 ratings since then. The Fed balance sheet (that was \$3.77 trillion in December 2018) has risen to \$7+ trillion and is projected to reach \$10 trillion.

Government Security Investment Pool rates dropped again in June, starting the month at a rate of +/-0.23% and ranging between 0.23% and 0.21% during the month with month-end rates at +/-0.21%. The Treasury yield curve stabilized over the month. After closing May at 0.17%, the 1-year Treasury closed lower in June at 0.16%. The 2-year Treasury closed June at 0.16%; the same as May's close. The current 2-year yield is 0.155%. The Treasury yield curve is very flat right now with the 3-month T-Bill yielding 0.13% and the 2-year yielding 0.155%. CD rates were also lower in May with the 2-year averaging +/-0.50% at month end. The 1-year CD rate at month end was +/-0.42%. With the FOMC signaling that the Fed Funds rate will remain in the low range for the long term, we continue to encourage clients to ladder and lock in rates.

Subject: Agenda Item Request for 09/22/20 Council Meeting

Michael,

I would like to request an item be added to the Work Session portion of the City Council meeting to be held on Tuesday, September 22, 2020.

Please add an item for a presentation by Community Affairs Commission Chairman Sal Caruso regarding welcoming new businesses to Bedford.

Thank you in advance. If you have any questions regarding this feel free to contact me.

Michael

Council Agenda Background

<u>PRESENTER:</u> Maria Joyner, CPA, Director of Finance Chris Ekrut and Michael Sommerdorf, NewGen Strategies & Solutions, LLC.	<u>DATE:</u> 09/22/20
Work Session	
<u>ITEM:</u> Discussion regarding the City's Water, Sewer, and Stormwater rate structure and options to provide revenues to maintain adequate operating reserves and fund capital needs. City Attorney Review: N/A	
<u>DISCUSSION:</u> During the March 10, 2020 meeting, the City Council approved a contract with NewGen Strategies & Solution, LLC (NewGen) to review the Water/Sewer and Stormwater Rates for the City of Bedford, Texas. On August 1, 2020, during the annual budget work session, NewGen presented the results of their review and provided several rate decision packages to the City Council. The decision packages provided to the City Council based on NewGen's review are summarized below: Decision Package #1: Adjust Revenues for TRA Pass Through Decision Package #2: Adjust Revenues for TRA Pass Through and Capital Investment Decision Package #3: Smooth Revenue Adjustment (FY 2021-2024) Decision Package #4: TRA Pass Through (FY 2021) & Smooth Revenue Adjustment in FY 2022-2024. NewGen will present the details of each decision package. The objective of the Water/Sewer Rate study is to determine the adequacy and most appropriate rate structure for customers, considering such issues as conservation, consumption characteristics of various customer types, deviation from cost of service principles, and fairness and equity considerations. The study was based on a comprehensive review of the City's Water and Sewer budgets, current rates and charges, customer classes, current usage data, water and sewer debt expenses, future planned growth of the City, and any other information deemed necessary. Currently, the Trinity River Authority (TRA) provides wholesale water service and wastewater treatment services to the City. While there are economies of scale that financially benefit the City from the use of a regional provider, the TRA also increases the cost of its service every year. Passing along these increases in cost to the City's retail customers helps the City to maintain and reinvest its resources in the City's system. NewGen recommends the City to continue performing annual rate study updates so that additional information and changes in economic, environmental, and regulatory conditions may be incorporated into the determination of future required rate adjustments. Advanced planning will play a prominent role in avoiding significant future rate impacts to the customers resulting from conditions and/or assumptions occurring differently than currently projected.

AGENDA

Water/Wastewater Decision Packages

Stormwater Decision Packages

Discussion

WATER/WASTEWATER DECISION PACKAGES

WATER/WASTEWATER POLICY

- Water and Wastewater Wholesale Costs
 - Trinity River Authority (TRA)
 - Represents Cost of Goods Sold
 - Approximately 57% of Total Budgeted Costs
- Estimated Long-Term Capital Needs:
 - Water - \$24.895 million
 - Wastewater - \$13.198 million

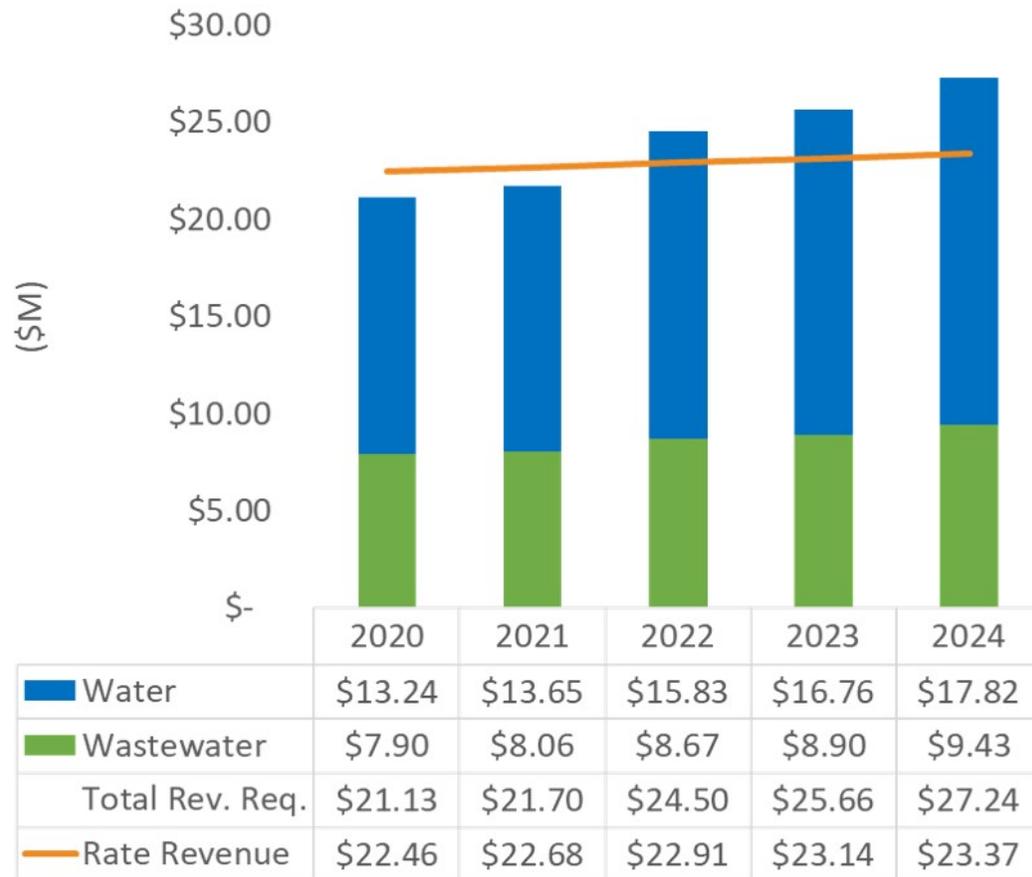

FINANCIAL OBJECTIVES

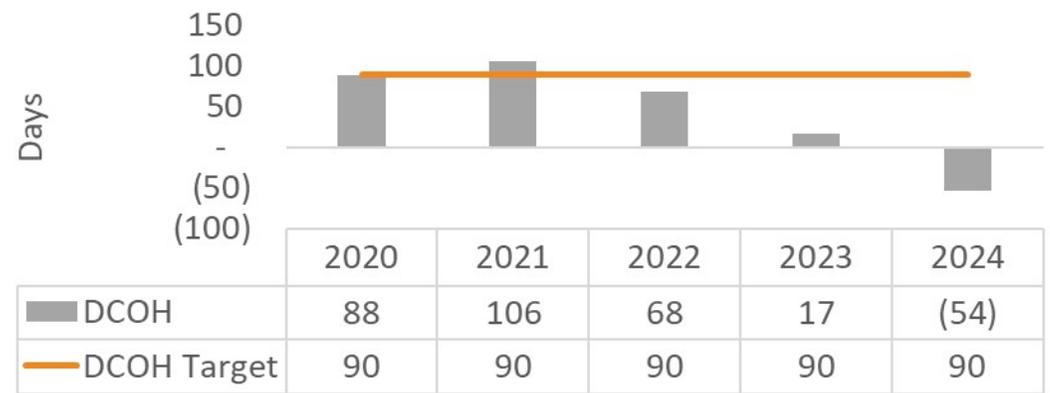

- Goals for Combined Utility (Water/Wastewater):
 - Overall Revenue Sufficient
 - Meet target financial policies
- Current Financial Best Practice:
 - Debt Service Coverage: 1.25x (excluding operating transfers)
 - Debt Service Coverage is a reflection of a utility's ability to pay its debt
- Current Fiscal Policy:
 - Days Cash on Hand: 90 Days

PROJECTED COMBINED UTILITY PERFORMANCE UNDER CURRENT REVENUES

Revenue Requirement

Days Cash On Hand

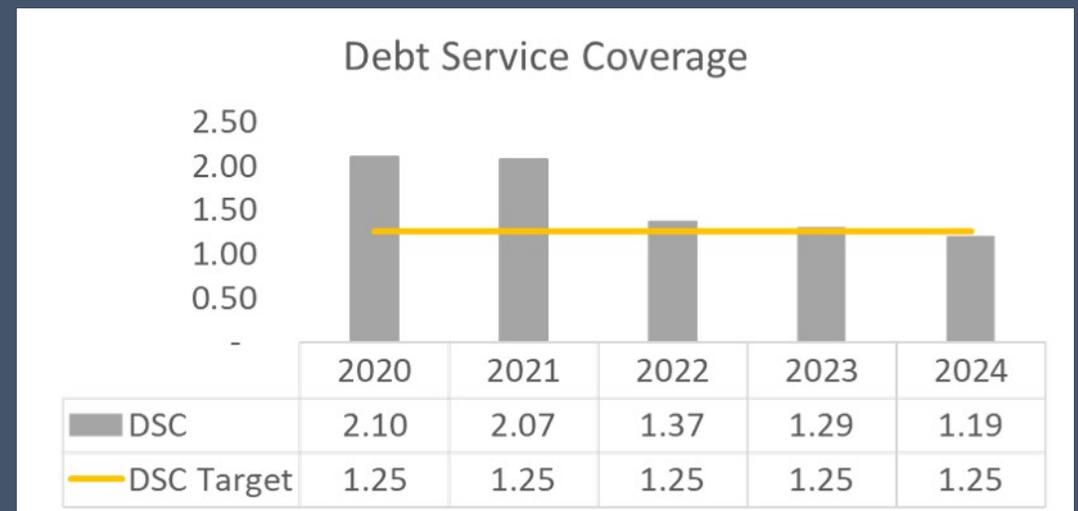

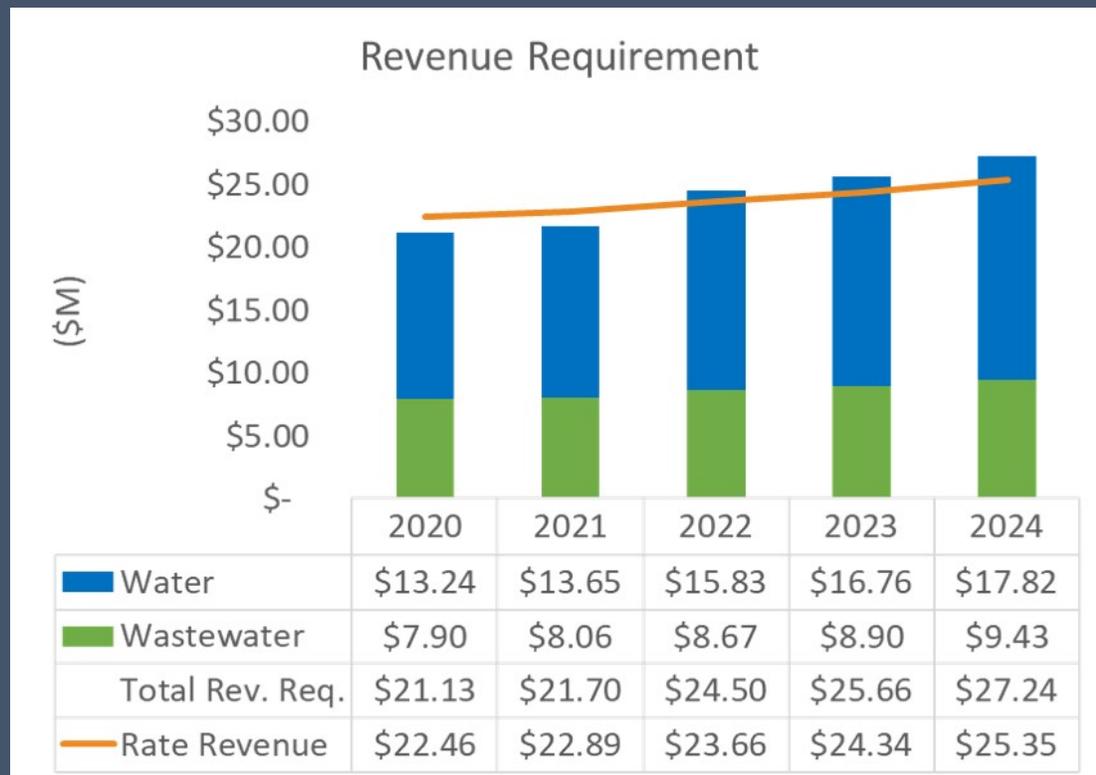

Debt Service Coverage

DECISION PACKAGE #1:

ADJUSTING REVENUES FOR TRA PASS THROUGH

	2021	2022	2023	2024
Water Revenue Change (%)	1.37%	3.56%	2.63%	4.59%
Wastewater Revenue Change (%)	0.21%	0.52%	0.63%	0.79%

DECISION PACKAGE #2:

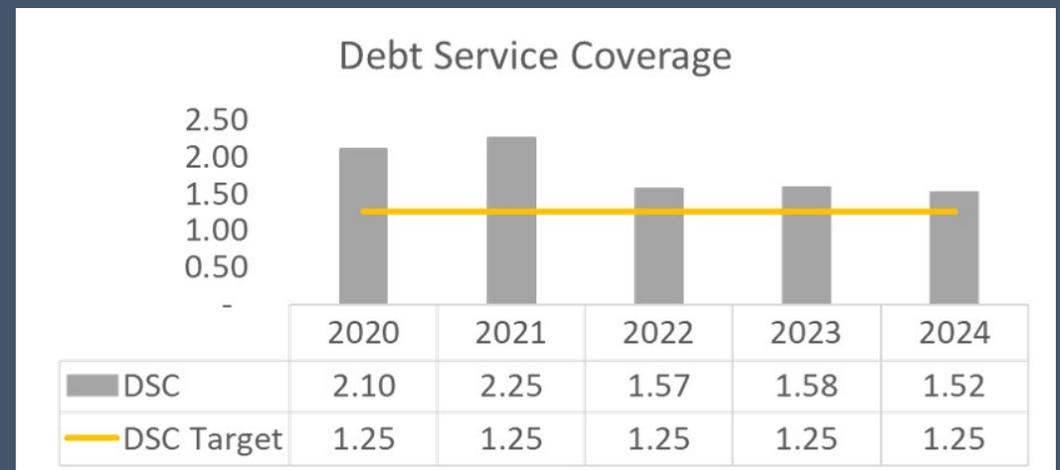

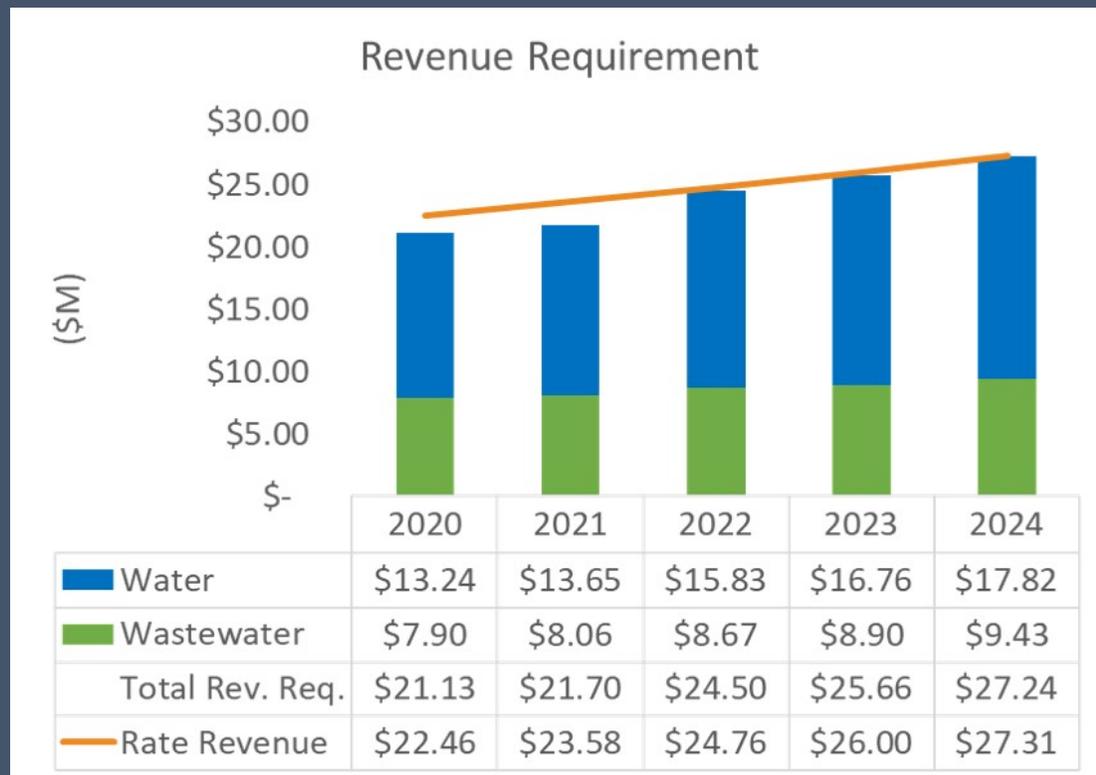

ADJUSTING REVENUES FOR TRA PASS THROUGH AND CAPITAL INVESTMENT

	2021	2022	2023	2024
Water Revenue Change (%)	1.37%	6.86%	6.56%	4.59%
Wastewater Revenue Change (%)	0.21%	4.72%	4.52%	0.79%

DECISION PACKAGE #3: SMOOTH REVENUE ADJUSTMENT (FY 2021 – FY 2024)

	2021	2022	2023	2024
Water Revenue Change (%)	4.82%	4.82%	4.82%	4.82%
Wastewater Revenue Change (%)	2.65%	2.65%	2.65%	2.65%

DECISION PACKAGE #4:

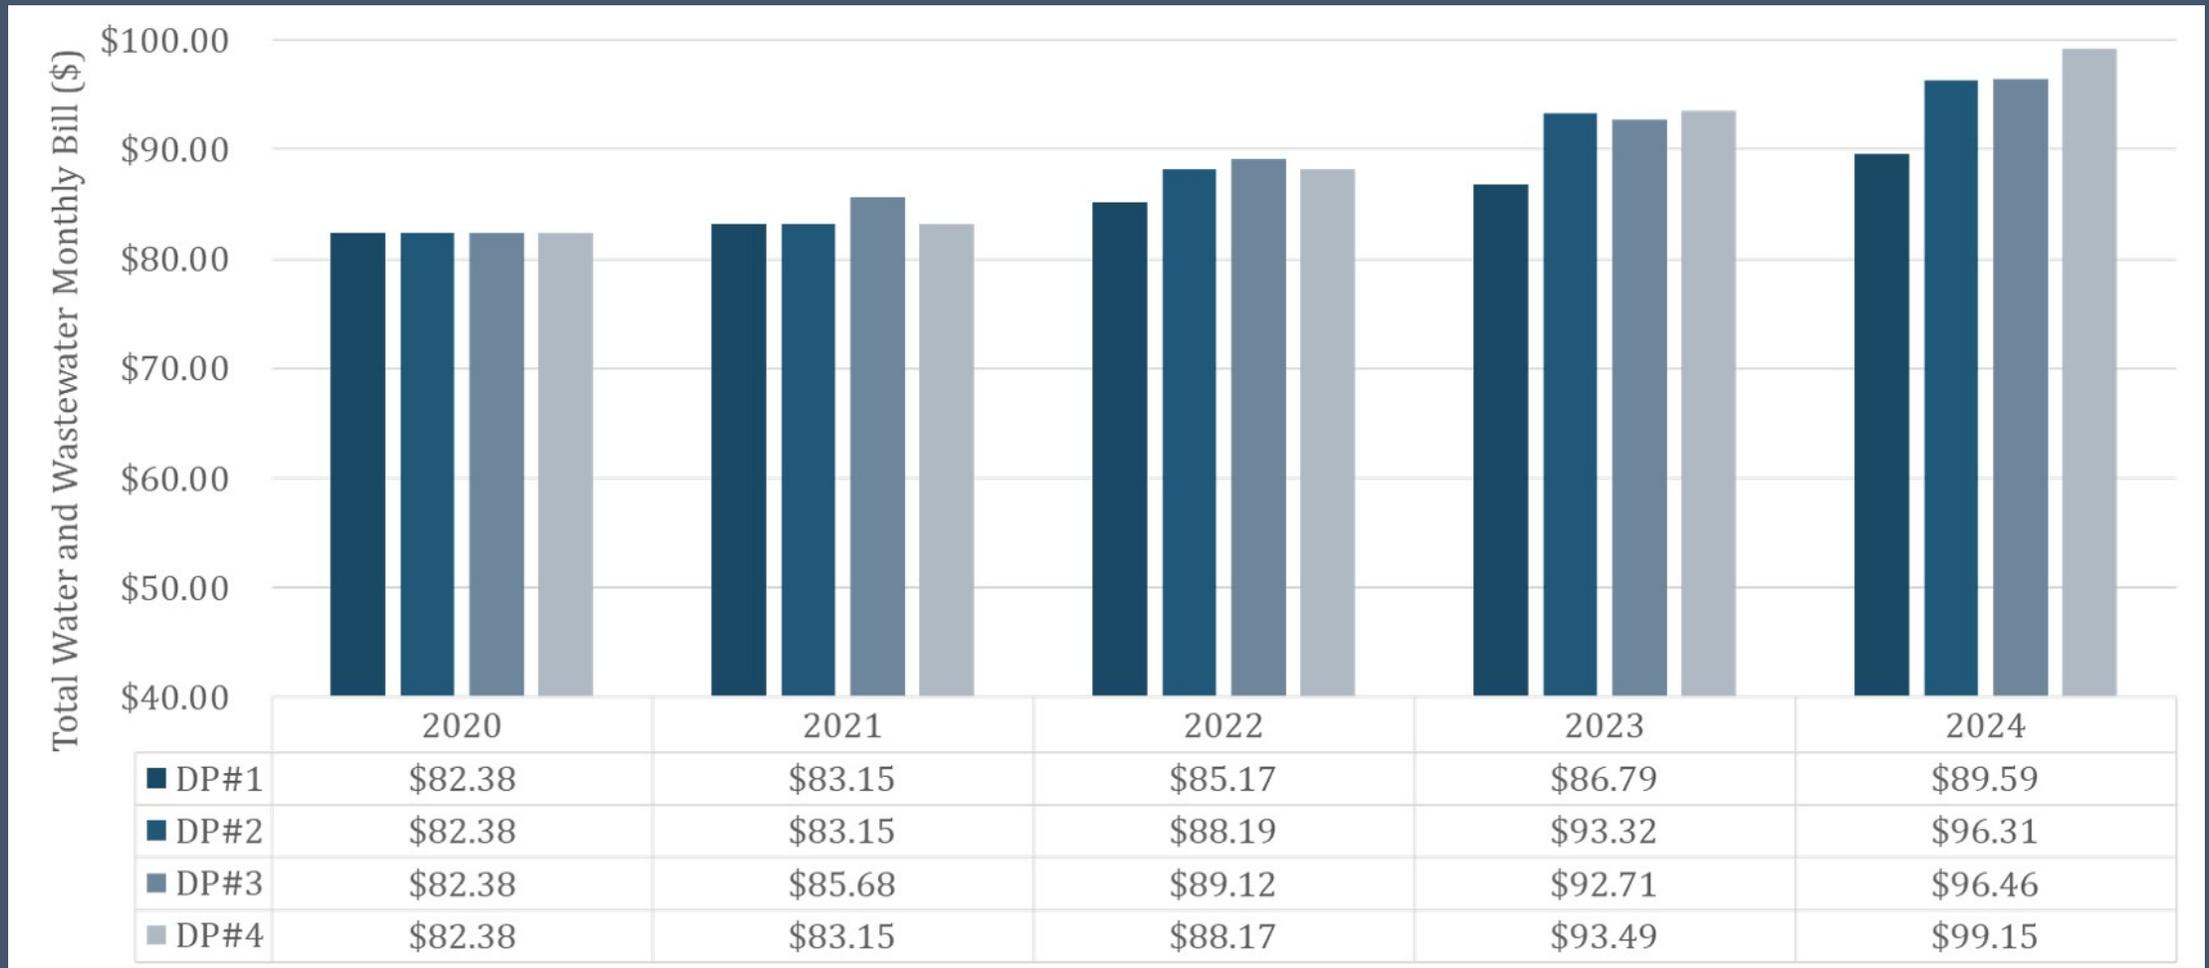

TRA PASS-THROUGH (FY 2021); SMOOTH REVENUE ADJUSTMENT IN FY 2022-2024

	2021	2022	2023	2024
Water Revenue Change (%)	1.37%	6.85%	6.85%	6.85%
Wastewater Revenue Change (%)	0.21%	4.65%	4.65%	4.65%

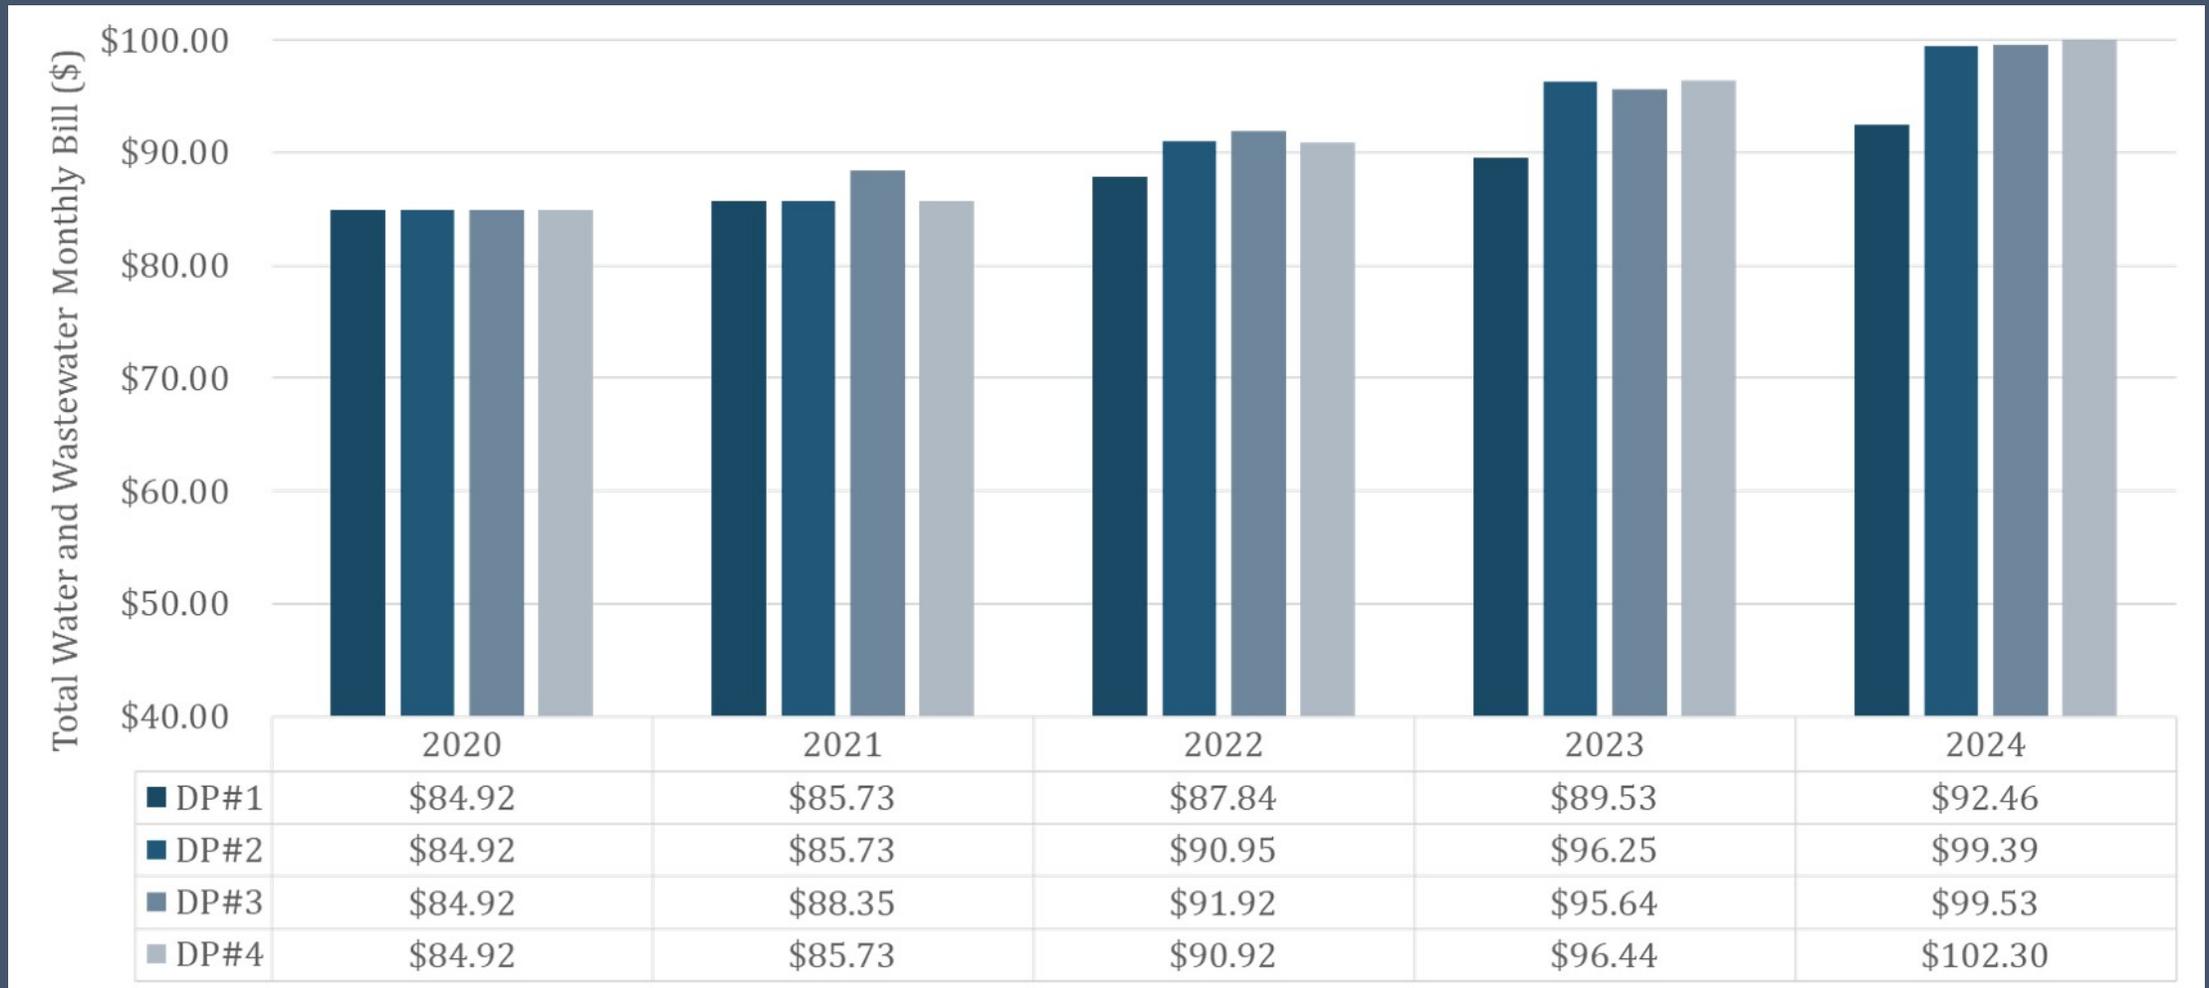

MONTHLY BILL IMPACT COMPARISON

AVERAGE BILL (7,600-GALS WATER; 5,300-GALS WASTEWATER)

MONTHLY BILL IMPACT COMPARISON

AVERAGE BILL (8,200-GALS WATER; 5,300-GALS WASTEWATER)

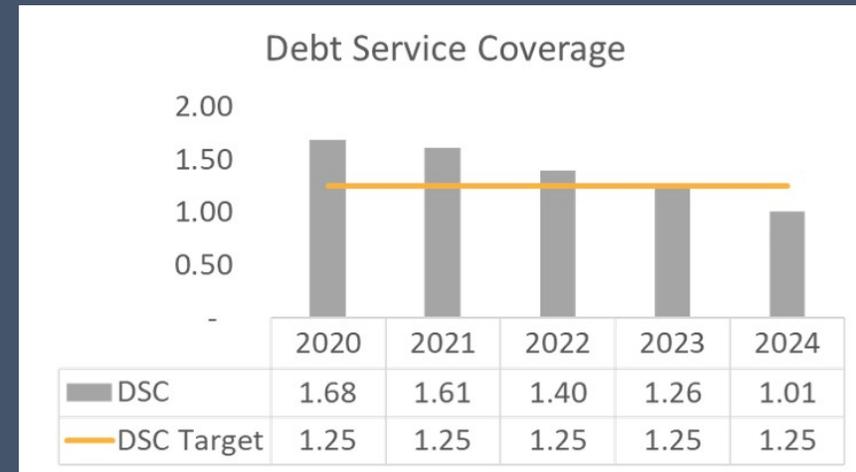

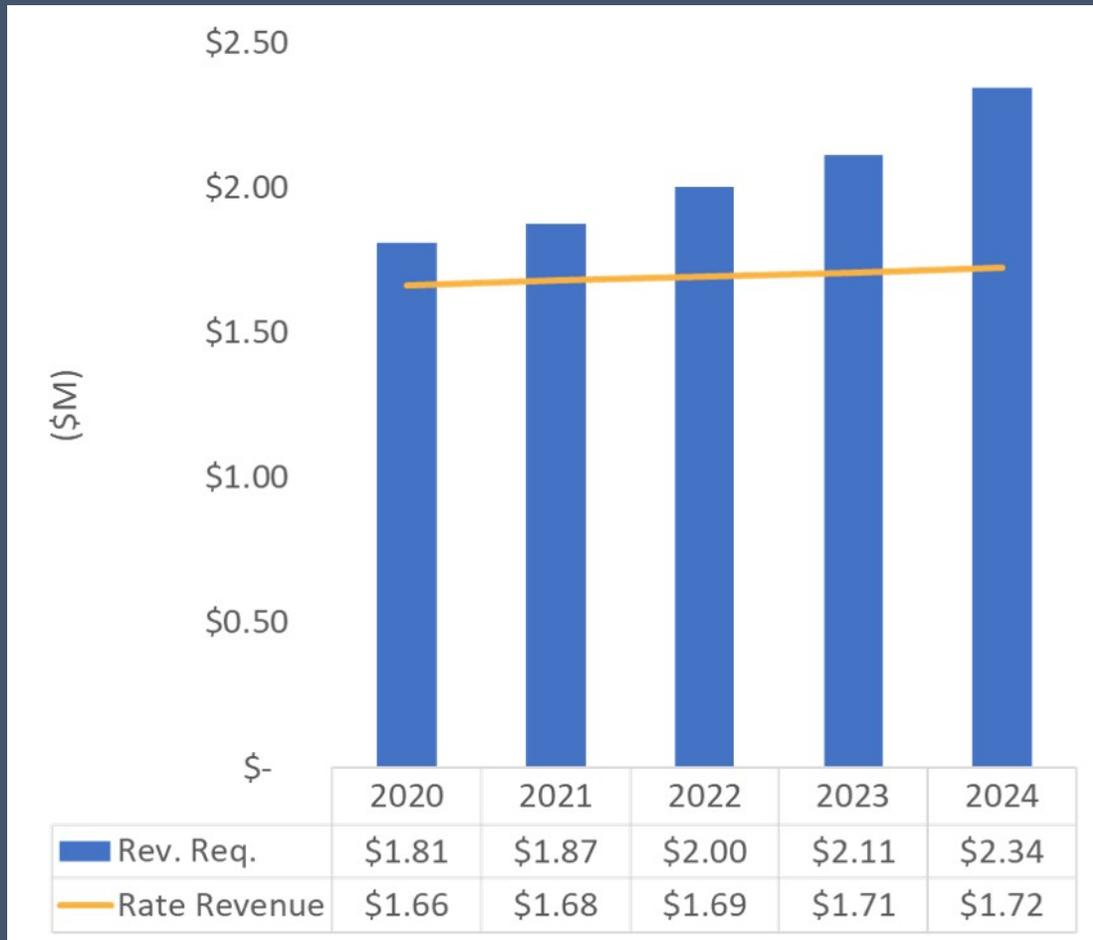

STORMWATER DECISION PACKAGES

STORMWATER POLICY AND OBJECTIVES

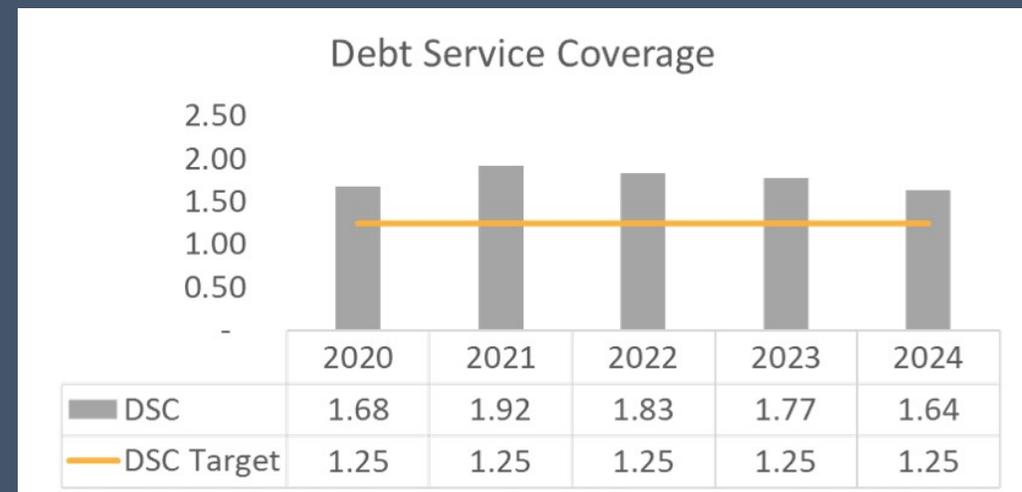

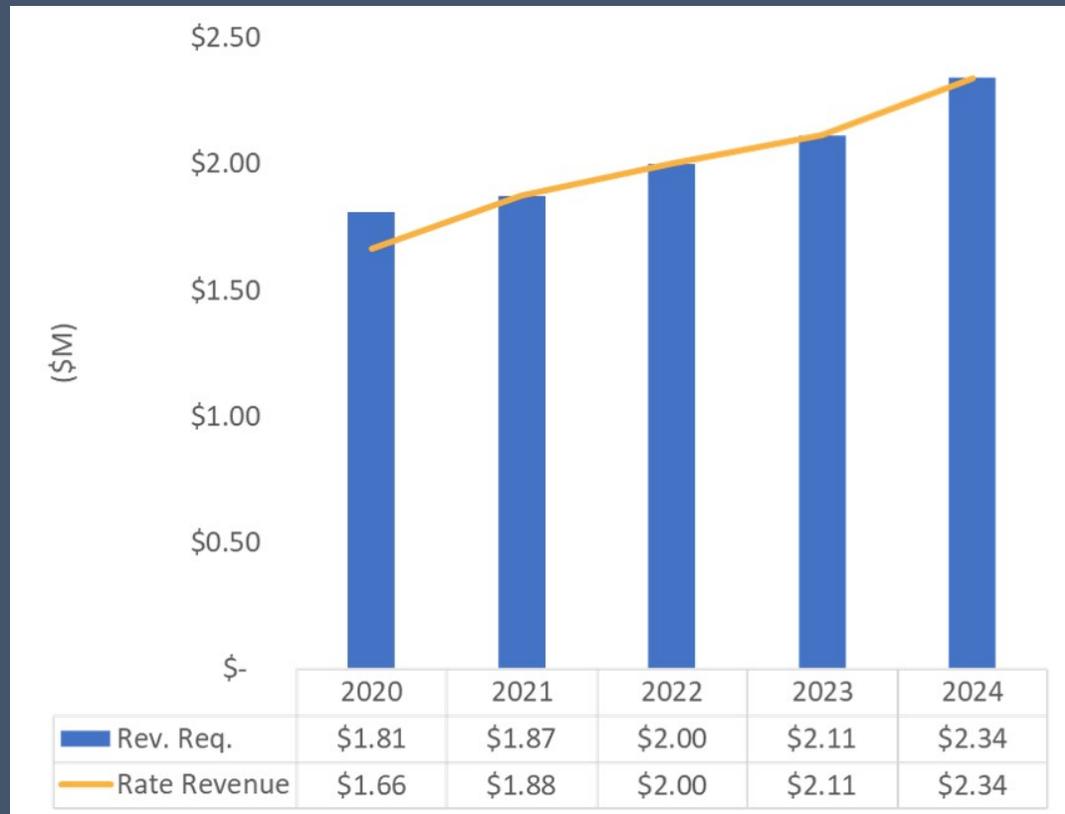

- Similar to water, stormwater service is subject to substantial fixed costs and capital needs
 - Estimated Capital Needs: ~\$7.5 million
- Goals for the Stormwater utility are similar to water
 - Overall Revenue Sufficient
 - Meet target financial policies
 - Best Practice: Debt Service Coverage 1.25x (excluding operating transfers)
 - Fiscal Policy: 90 Days Cash on Hand

STORMWATER PERFORMANCE UNDER CURRENT REVENUES

DECISION PACKAGE # 1: REVENUE ADJUSTMENT TO REACH REVENUE METRICS

	2021	2022	2023	2024
Stormwater Rev Change (%)	11.70%	5.95%	4.50%	9.85%

DECISION PACKAGE # 2:

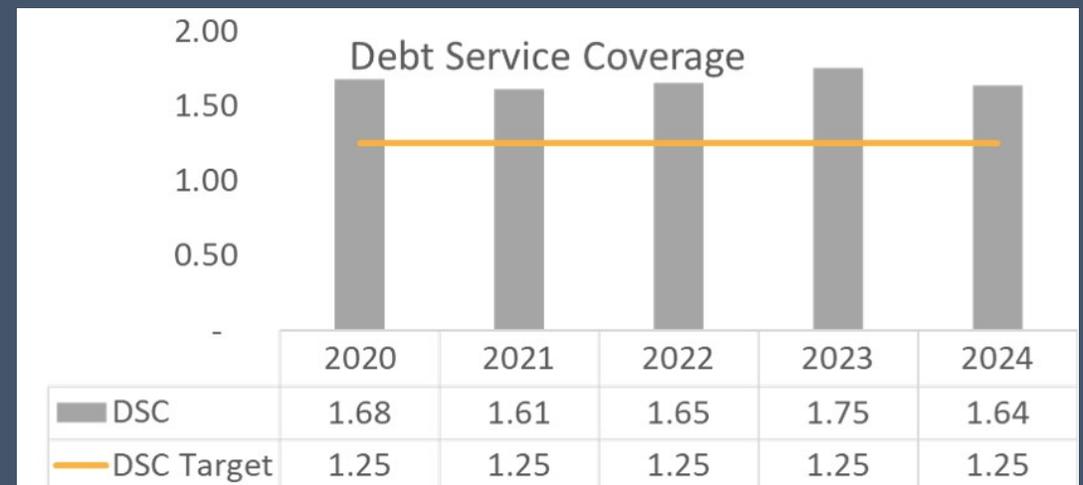

SMOOTH REVENUE ADJUSTMENTS IN ALL YEARS

	2021	2022	2023	2024
Stormwater Rev Change (%)	7.96%	7.96%	7.96%	7.96%

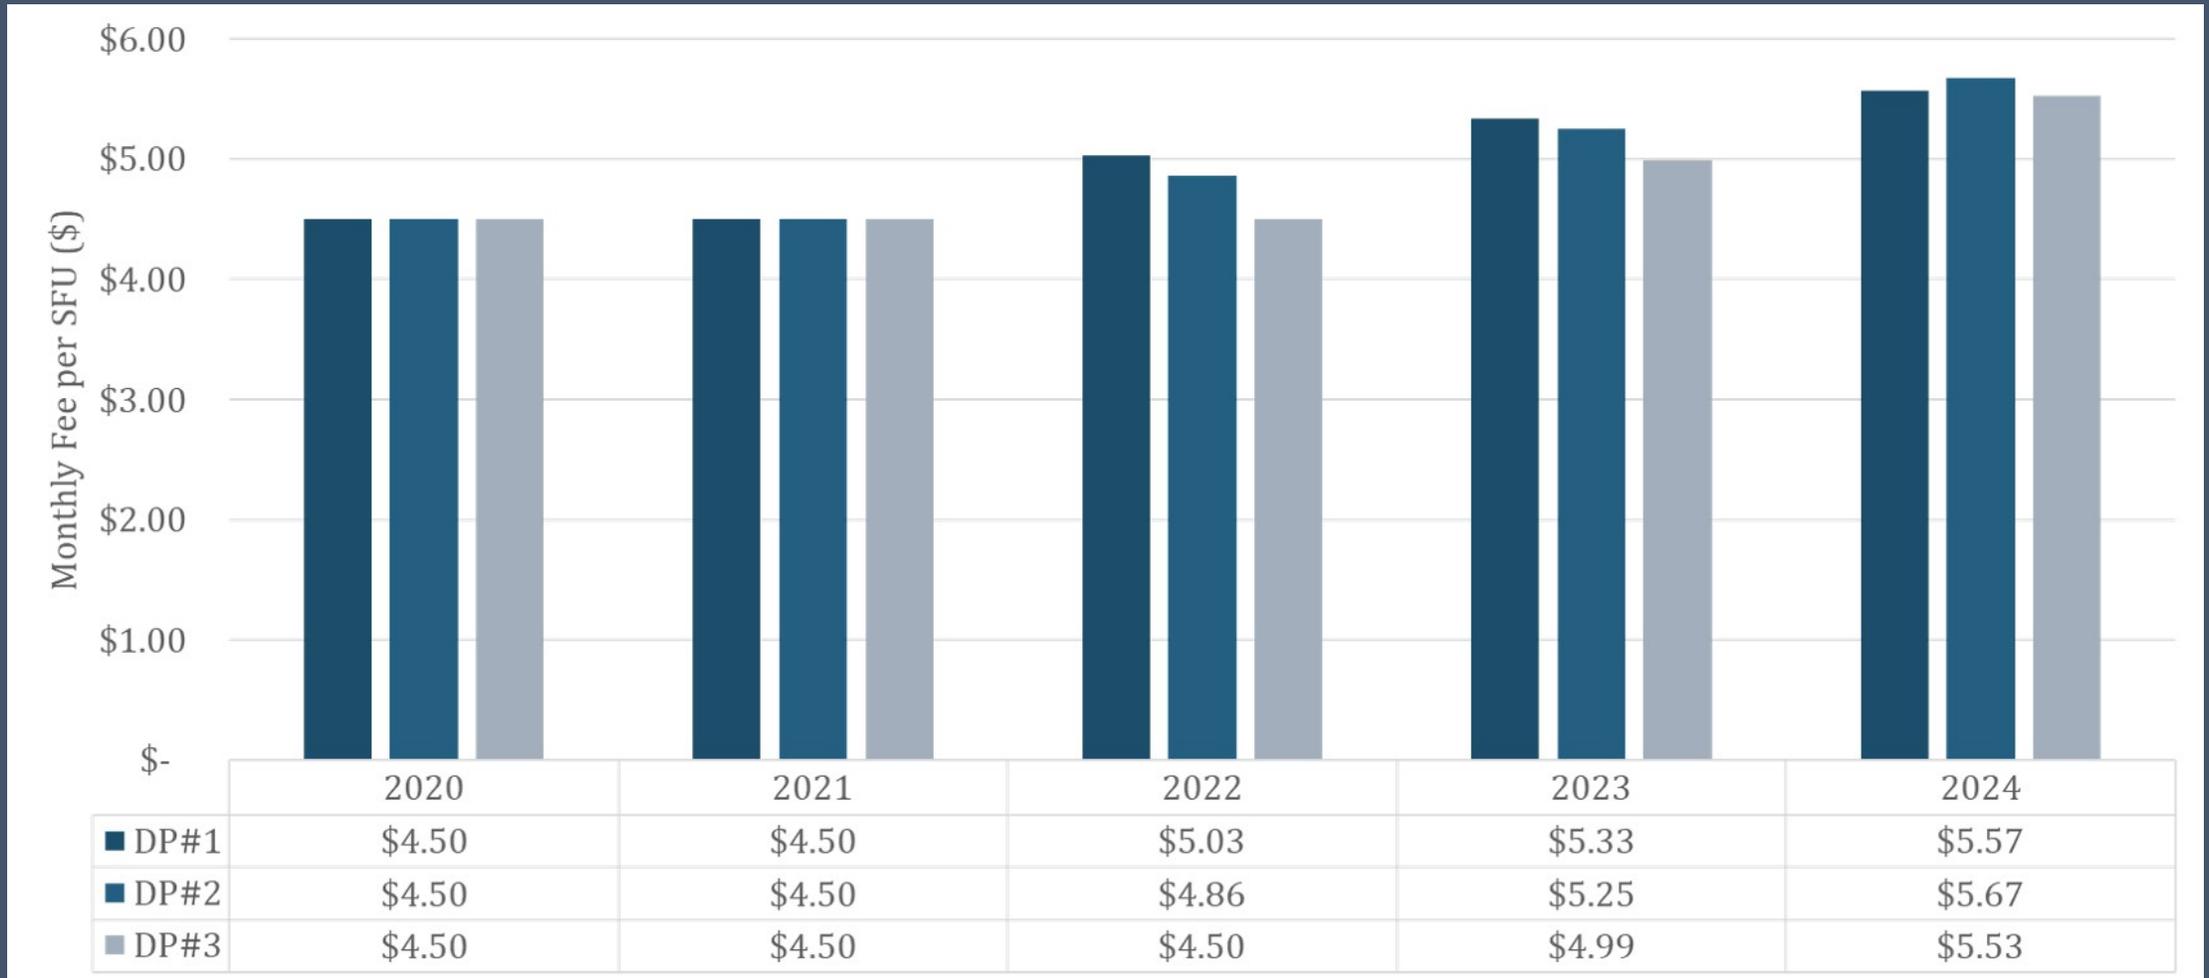

DECISION PACKAGE # 3: SMOOTH REVENUE ADJUSTMENTS IN FY 2022-2024

	2021	2022	2023	2024
Stormwater Rev Change (%)	0.00%	10.85%	10.85%	10.85%

MONTHLY BILL IMPACT COMPARISON

STORMWATER FEE PER SFU

CONCLUSIONS

- As the Board of Director's of the business, the City Council must decide on the best course of action to meet the needs of the enterprise
- Guidance is needed to confirm the financial planning objectives to appropriately chart a path forward

OBJECTIVES

- Playgrounds
- Pavilions
- Outdoor Event Examples

BEDFORD
Discover the Center

PLAYGROUNDS

- Encourage 3 W's – Wear – Wait – Wash
- Hand sanitizer stations installed
- Encouraged to not bring food or drink into the playground area

BEDFORD
Discover the Center

PAVILIONS & RENTALS

Old Bedford School * Stormie Jones * Central Park

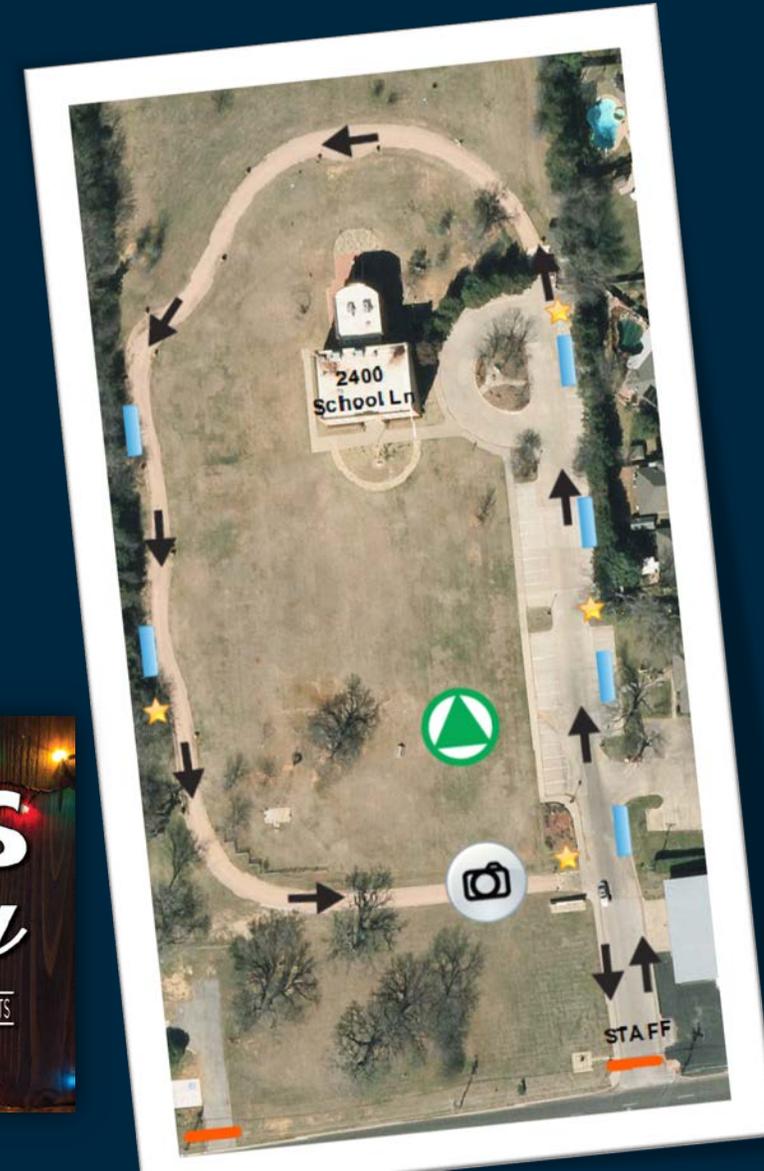

- Waiver will be included with rental.
- Renter must agree to follow social distance guidelines.
- Parks Division will clean before rentals.
- 50% Capacity
 - Max 25 capacity in Pavilion at Parks.
 - Max 100 capacity in back lawn of OBS.
 - If selected with rental, restrooms will be cleaned regularly.
- Fees incorporated into proposed fee schedule.

DRIVE THROUGH EXAMPLE

Tree Lighting

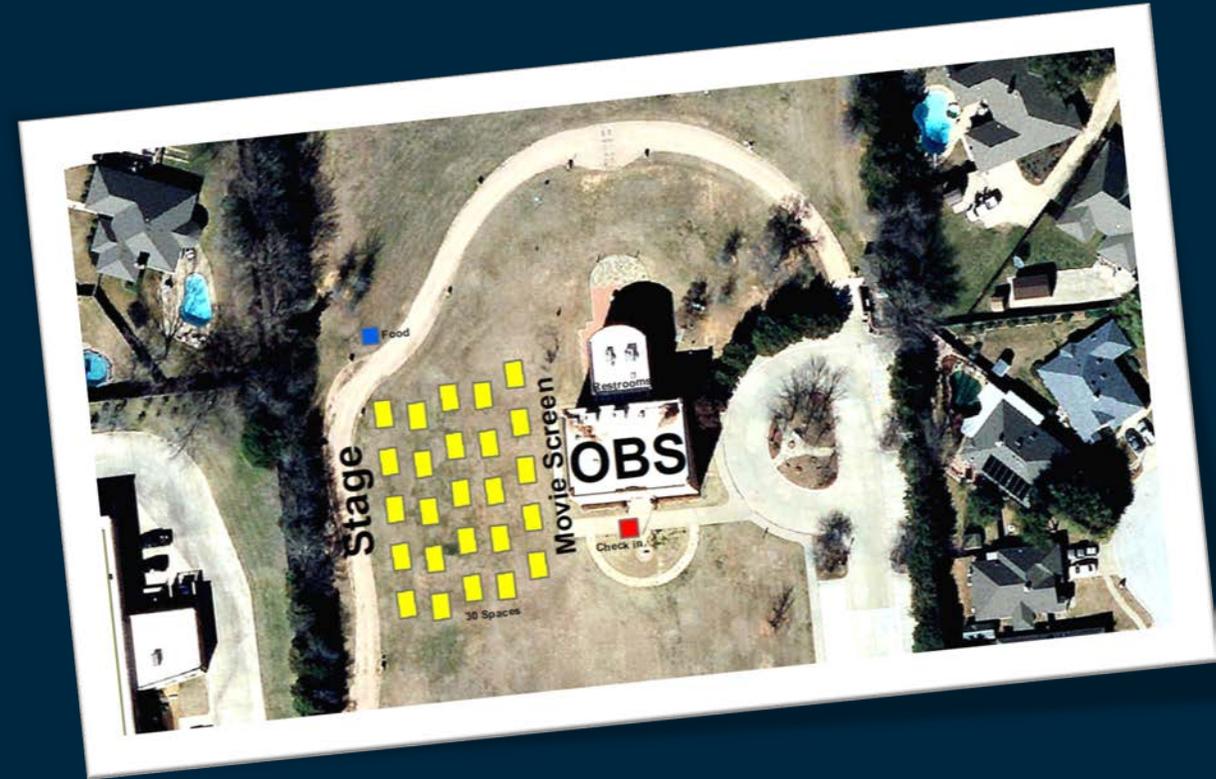

- Virtual Tree Lighting at 6:00 p.m. followed by drive-through experience.
- Time slots will be chosen in advance. 35 cars per day.
- Ability to add 2nd day.
- Enter and exit one way - Visitors **MUST** remain in vehicle at all times.
- Socially distanced tables set up along route with giveaways (i.e. take-home crafts, snacks, sponsor giveaways, etc.).
- Christmas decorations along route.
- Photos with Santa at end of route.
- Masks required for vendors and staff.
- Trash cans and sanitizer stations available.
- \$5 per car.
- Budgeted \$3,000 / est. expenses \$2,000
- Decorations to be used for future years.

SPACED EVENT EXAMPLE

Halloween

- Halloween Dance Party and Movie – Costumes encouraged.
- Time slots will be chosen in advance. 30 groups max (6 per group).
- Squares will be 10'X10' with 10' in between.
- Short movies shown on the wall of the OBS.
- 2 Craft boxes per group.
- Bathrooms inside OBS – cleaned regularly.
- Socially distanced tables set up for check-in.
- Masks required for patrons when not in their square.
- Masks required for vendors and staff.
- Trash cans and hand wash stations available.
- \$10 per group.
- Budgeted \$3,775 / estimated expenses \$1,000

SPACED EVENT EXAMPLE

Game Event

- Bingo or similar on the lawn.
- 16 4' card tables spaced 10' apart.
- Members of same household will sit together, otherwise 4 people MAX per table
- Disposable items will be used when possible.
- Other items will be sanitized between uses.
- Bathrooms inside OBS – cleaned regularly.
- Masks are required for patrons when not at their table.
- Masks required for vendors and staff.
- Trash cans and hand wash stations available.
- Budgeted and estimated expenses \$200

OUTDOOR CONCERT EXAMPLE

Sparkling Ice

- Ribbon Cutting Ceremony & Children's Concert
- Time slots will be chosen in advance. 33 groups max (6 per group).
- Squares will be 10'X10' with 10' in between.
- Sparkling Ice providing:
 - Photo Booth
 - Swag Bags
 - Contest
- Bathrooms inside OBS – cleaned regularly.
- Socially distanced tables set up.
- Masks required for patrons when not in their square.
- Masks required for vendors and staff.
- Trash cans and hand wash stations available.
- Estimated expenses \$1,000

Council Recognition

ITEM:

Proclamation recognizing October 4-10, 2020 as Fire Prevention Week in the City of Bedford.

DISCUSSION:

Since 1922, the National Fire Protection Association (NFPA) has been the host and sponsor of Fire Prevention Week. In 1925, President Calvin Coolidge established National Fire Prevention Week, to be observed the first full week in October beginning on Sunday. Fire Prevention Week is a nationwide effort held each October to encourage Americans to take simple steps to prevent fire emergencies in their homes, businesses, and schools. The goal of Fire Prevention Week is to increase public awareness about the importance of preparing for fire emergencies and to encourage individuals to take action.

The national fire prevention theme for 2020 is, “Serve Up Fire Safety in the Kitchen!!” Cooking fires are the leading cause of home fires and injuries. The leading cause of fires in the kitchen is unattended cooking. The best strategies to prevent cooking fires, and to save lives, are to stay in the kitchen when cooking, maintain a “kid-free zone” at least three feet away from where food is cooking, and always maintain working smoke alarms in the home.

Fire Chief Sean Fay will accept the proclamation.

ATTACHMENTS:

Proclamation

CITY OF
BEDFORD

Proclamation

WHEREAS, the City of Bedford, Texas is committed to ensuring the safety and security of all those living in and visiting Bedford; and

WHEREAS, fire is a serious public safety concern both locally and nationally, and homes are the locations where people are at greatest risk from fire; and

WHEREAS, home fires killed more than 2,630 people in the United States in 2017, according to the National Fire Protection Association®, and fire departments in the United States responded to 357,000 home fires; and

WHEREAS, cooking is the leading cause of home fires in the United States where fire departments responded to more than 173,200 annually between 2013 and 2017; and

WHEREAS, two out of five home fires start in the kitchen with 31% resulting from unattended cooking; and

WHEREAS, more than half of reported non-fatal home cooking fire injuries occurred when the victims tried to fight the fire themselves; and

WHEREAS, children under five face a higher risk of non-fire burns associated with cooking than being burned in a cooking fire; and

WHEREAS, Bedford residents should stay in the kitchen when frying food on the stovetop, keep a three-foot kid-free zone around cooking areas, and keep anything that can catch fire away from stove tops; and

WHEREAS, residents who have planned and practiced a home fire escape plan are more prepared and will therefore be more likely to survive a fire; and

WHEREAS, working smoke alarms cut the risk of dying in reported home fires in half; and

WHEREAS, Bedford first responders are dedicated to reducing the occurrence of home fires and home fire injuries through prevention and protection education; and

WHEREAS, Bedford residents are responsive to public education measures and are able to take personal steps to increase their safety from fire, especially in their homes; and

WHEREAS, the 2020 Fire Prevention Week theme, “Serve Up Fire Safety in the Kitchen!!” effectively serves to remind us to stay alert and use caution when cooking to reduce the risk of kitchen fires.

THEREFORE, I, Michael Boyter, Mayor of the City of Bedford, and the City Council do hereby proclaim October 4-10, 2020, as:

Fire Prevention Week

In the City of Bedford, and I urge everyone to check their kitchens for fire hazards and to use safe cooking practices, and to support the many public safety activities and efforts of Bedford Fire and Emergency Services during Fire Prevention Week 2020.

*In witness whereof, I have hereunto set my hand and
caused the seal of the City of Bedford to be affixed this
22nd day of September 2020*

Council Recognition

ITEM:

Proclamation recognizing October 2020 as Crime Prevention Month in the City of Bedford.

DISCUSSION:

In 1984, the National Crime Prevention Council designated October as Crime Prevention Month. Since 1984, government agencies, civic groups, schools, businesses, and youth organizations have reached out to educate the public, showcase their accomplishments, and explore new partnerships during this special month.

October has become the official month for recognizing and celebrating the practice of crime prevention, while promoting awareness of important issues such as victimization, volunteerism, and creating safer, more caring communities. The month-long celebration spotlights successful crime prevention efforts on the local, state, and national levels.

will accept this proclamation.

ATTACHMENTS:

Proclamation

CITY OF
BEDFORD

Proclamation

WHEREAS, the vitality of the City depends on how safe we keep our homes, neighborhoods, and communities; and

WHEREAS, crime, and fear of crime, destroys our trust in others and in institutions, threatening the community's health, prosperity, and quality of life; and

WHEREAS, people of all ages must be made aware of what they can do to prevent themselves, their families, neighbors, and co-workers from being harmed by drugs, violence, and other crime; and

WHEREAS, crime prevention initiatives must include self-protection and security, but they must go beyond these and promote collaborative efforts to make neighborhoods safer for all ages and develop positive educational and recreational opportunities for young people; and

WHEREAS, adults must invest time, resources and policy support in effective prevention and intervention strategies for youths, and teens must be engaged in driving crime from their communities; and

WHEREAS, effective crime prevention programs excel because of partnerships among law enforcement, other government agencies, civic groups, schools, faith communities, businesses, and individuals as they help to nurture community responsibility and instill pride.

NOW, THEREFORE, let it be known that I, Michael Boyter, Mayor of the City of Bedford, and the City Council do hereby proclaim the month of October 2020; as:

Crime Prevention Month

in the City of Bedford and urge all citizens, government agencies, public and private institutions, and businesses to invest in the power of prevention and work together for the common good.

*In witness whereof, I have hereunto set my hand and
caused the seal of the City of Bedford to be affixed this
22nd day of September 2020.*

ITEM:

Proclamation recognizing October 6, 2020, as the official day for National Night Out in the City of Bedford.

DISCUSSION:

The 37th Annual National Night Out is a unique, inexpensive crime/drug prevention event that is scheduled for Tuesday, October 6, 2020.

National Night Out was designed to heighten crime and drug prevention awareness, generate support and participation in local anti-crime efforts, strengthen neighborhood spirit and police-community partnerships, and send a message to criminals letting them know neighborhoods are organized and fighting back.

In the evening hours on October 6, residents from Bedford are asked to turn on outside lights and safely interact with neighbors. Many neighborhoods throughout Bedford will host a variety of special events, such as block parties, cookouts, and visits from officers and volunteers of the Police Department.

Citizens or neighborhoods interested in hosting a National Night Out activity may contact the Bedford Police Community Relations Division for information and assistance, and to register a National Night Out Event. Registration will need to be completed on or before Friday, September 25, 2020.

Lieutenant Doug Crowell will accept the proclamation.

ATTACHMENTS:

Proclamation

CITY OF
BEDFORD

Proclamation

WHEREAS, National Night Out, “America’s Night Out Against Crime,” was introduced by the National Association of Town Watch, a nonprofit crime prevention organization, in 1983; and

WHEREAS, the 37th Annual National Night Out Against Crime is a nation-wide event designed to promote neighborhood safety; and

WHEREAS, National Night Out activities are designed to heighten crime and drug prevention awareness, generate participation in local anti-crime programs, strengthen neighborhood spirit and community partnerships, and send a message to criminals that neighborhoods are organized and fighting back; and

WHEREAS, on October 6, neighborhoods across Bedford and across Texas will turn on porch lights in observance of National Night Out.

NOW, THEREFORE, let it be known that I, Michael Boyter, Mayor of the City of Bedford, and the City Council do hereby proclaim October 6, 2020, as:

National Night Out

in the City of Bedford and urge all citizens of Bedford to support National Night Out by hosting and participating in neighborhood events and activities.

*In witness whereof, I have hereunto set my hand and caused the seal of the City of Bedford to be affixed this
22nd day of September 2020.*

STATE OF TEXAS §

COUNTY OF TARRANT §

CITY OF BEDFORD §

The City Council of the City of Bedford, Texas, met in Work Session at 5:30 p.m. and Regular Session at 7:30 p.m. in the Council Chambers of City Hall, 2000 Forest Ridge Drive, on the 8th day of September, 2020 with the following members present:

Michael Boyter	Mayor
Tom Burnett	Councilmembers
Dan Cogan (via videoconference)	
Ruth Culver	
Rob Gagliardi	
Amy Sabol	

constituting a quorum.

Councilmember Sartor arrived at approximately 8:00 p.m.

Staff present included:

Cliff Blackwell	Interim City Manager
Stan Lowry (via videoconference)	City Attorney
Michael Wells	City Secretary
Stephanie Ayers	Human Resources Director
Sean Fay	Fire Chief
Wendy Hartnett	Special Events Manager
Meg Jakubik	Strategic Services Manager
Kelly Snook	Interim Capital Projects Director
Bill Syblon	Development Director

WORK SESSION

Mayor Boyter called the Work Session to order at 5:30 p.m.

- **Discussion regarding options for the Solid Waste and Recycling Agreements with Republic Services.**

Strategic Services Manager Meg Jakubik stated the current contracts for solid waste and recycling with Republic Services expire at the end of the year. Jerri Harwell with Republic Services presented a comparison of Bedford's contracts with those of the cities of Hurst and Euless. She recommended making the solid waste and recycling services one contract as opposed to two separate contracts as they are currently. She discussed money Republic Services contributes to the City; the number of roll off containers the City receives for events; the number of times residents can utilize the landfill; performance bonds; the percentage of revenue; the current rates; and franchise fees. She stated Republic Services cannot renew their contract at the current rates unless something were to be cut. She proposed an increase of \$1.80 a month per resident for both solid waste and recycling services combined, and a ten percent increase on commercial and

Council Minutes September 8, 2020

industrial accounts. She stated the new contract would have a term of five years. There was discussion on initiating contract negotiations with Republic Services or going out to bid; issues with recycling, including contamination and protecting the airspace at the landfill; the current number of solid waste and recycling routes in the City; competitors to Republic Services; the money contributed by Republic for household hazardous waste vouchers, advertising, and the Beautification Commission; the service provided by Republic Services; the number of industrial accounts in Bedford; reducing the performance bond; and statistics on residential usage of the landfill.

- **Discussion on the capital equipment replacement schedule and subsequent funding strategies.**

Fire Chief Sean Fay presented information on the Capital Equipment Replacement Program, which covers the Information Technology, Police, Fire, Public Works, and Community Services Departments. It is a rolling five-year view plan and is reviewed annually through the budget process. He presented information regarding the Outdoor Warning Sirens (OWS) and stated there are ten fixed site units and one mobile unit. The estimated replacement costs are \$35,000 to \$50,000 each, or \$385,000 to \$550,000 total. The difference in replacement costs are due to multiple feature options for the new units. He discussed increased maintenance for the aging siren fleet and recommended replacing one or two units per year. In response to questions from Council, he stated a market analysis would need to be performed to determine the estimated life span of the new sirens, and the current fleet ranges from approximately 15 to 30 years old.

Chief Fay presented information on Self Contained Breathing Apparatus (SCBA), which are required personal protective equipment (PPE) for firefighting. The current fleet was purchased in 2015 and has an estimated life span of 15 years. The estimated replacement costs are \$520,000 and he recommended replacing the fleet all at once by 2030. Chief Fay presented information on radio equipment, totaling approximately 400 units, with a significant percentage of the fleet expiring within the next two years. He stated Council was supportive of a tiered replacement approach. The total cost for replacing the fleet is approximately \$1,800,000.

Chief Fay presented information on the Department's Emergency Apparatus Replacement Schedule, which includes fire trucks, fire engines, medic units/ambulances, a mobile command post, and EMS 15, which are scheduled to be replaced on a rotating schedule. There was discussion on an ambulance replacement scheduled in the upcoming fiscal year. Chief Fay stated other equipment replacement items include physical fitness equipment, cardiac defibrillators, rescue tools, thermal imaging cameras, PPE extractors and dryers, replacement of public automatic defibrillators, replacement of fire station furniture, and training room improvements. There was discussion regarding the reasons for replacing the mobile command unit and its usage and setting aside funds for capital equipment expenditures.

- **Follow-up discussion on viability plans for a meeting/entertainment venue(s).**

Mayor Boyter stated this item is a follow up from a previous Council meeting when Councilmember Sabol invited people to give their perspective on what should be taken into consideration as Council pursues a performing arts/conference center, as well as a systematic way to get the best use from City facilities. He discussed the possibility of a former church facility on Bedford Road. Councilmember Sabol stated Patrick Badjeck with InterNet Hospitality Group took a tour of the Old Bedford School (OBS), and who stated it would be foolish if the City does not do something with this property as opposed to the site on Bedford Road. Mr. Badjeck, appearing via videoconference, stated the church building was not a good location but he liked how easy it was

Council Minutes September 8, 2020

to get to the OBS and felt that was the site where the facility needed to be. He felt the auditorium and meeting rooms were big advantages at the OBS but that what was missing was the other facility to tie into the OBS. He discussed the possibility of programming a hotel at the site. Mayor Boyter presented an overview of the history of this item, including the \$5,500,000 set aside from the Phase Next bond package for arts and entertainment and a previous proposal for a facility at the OBS with which Council was unhappy. Mr. Badjeck stated he has three architects that would design the facility at no cost. He gave these architects the budget and stated it needed to hold 300 people at a minimum in banquet set up, along with ancillary meeting facilities, to which they stated the facility would need to be ideally between 5,000 to 7,500 square feet in size. He recommended scheduling separate tours of the OBS with the architects. Mr. Badjeck stated with the OBS, he sees getting two facilities for the price of one and the potential for a hotel, along with a connection to the Bedford Commons. There was discussion on giving the architects what Council wanted in the facility for them to come back with a plan; incorporating arts and culture in the facility; and what would generate money for the City.

Mayor Boyter adjourned the Work Session at 6:59 p.m.

EXECUTIVE SESSION

- a) Pursuant to Section 551.072, to deliberate the purchase, exchange, lease or value of real property – Block 2, Lot 1, Bedford Baptist Temple Sub.
- b) Pursuant to Section 551.087, deliberation regarding economic development negotiations – discussion on the Economic Development Program Agreement with Suns Field Development pursuant to Chapter 380 of the Texas Local Government Code. *Item requested by Mayor Boyter
- c) Pursuant to Section 551.087, deliberation regarding economic development negotiations – update on all Economic Development Program agreements pursuant to Chapter 380 of the Texas Local Government Code. *Item requested by Mayor Boyter
- d) Pursuant to Section 551.074, personnel matters – evaluation of the Interim City Manager.

Council convened into Executive Session pursuant to Texas Government Code 551.072, to deliberate the purchase, exchange, lease or value of real property – Block 2, Lot 1, Bedford Baptist Temple Sub; Section 551.087, deliberation regarding economic development negotiations – discussion on the Economic Development Program Agreement with Suns Field Development pursuant to Chapter 380 of the Texas Local Government Code Section 551.087, deliberation regarding economic development negotiations – update on all Economic Development Program agreements pursuant to Chapter 380 of the Texas Local Government Code; and Section 551.074, personnel matters – evaluation of the Interim City Manager, at 6:59 p.m.

Council reconvened from Executive Session at 7:11 p.m. Council will convene again into Executive Session at the end of the Regular Session.

REGULAR SESSION

The Regular Session began at 7:30 p.m.

CALL TO ORDER/GENERAL COMMENTS

Mayor Boyter called the meeting to order.

Council Minutes September 8, 2020

INVOCATION

Councilmember Sabol gave the invocation.

PLEDGE OF ALLEGIANCE

The Pledges of Allegiance to the flags of the United States and Texas were given.

OPEN FORUM

Nobody signed up to speak during Open Forum.

CONSIDER APPROVAL OF ITEMS BY CONSENT

Interim City Manager Cliff Blackwell presented an overview of the items on the consent agenda.

Motioned by Councilmember Burnett, seconded by Councilmember Gagliardi, to approve the following items by consent: 1 and 2.

Motion approved 6-0-0. Mayor Boyter declared the motion carried.

1. **Consider approval of the following City Council minutes:**
 - a) **August 24, 2020 regular session**

This item was approved by consent.

2. **Consider a resolution authorizing the Interim City Manager to amend the current contract with Dr. Sharon Malone, M.D. and Questcare Medical Services to provide medical control services for the City of Bedford's emergency medical operations in the amount of \$67,500 through September 30, 2023.**

This item was approved by consent.

PERSONS TO BE HEARD

3. **The following individual has requested to speak to the Council tonight under Persons to be Heard:**
 - a) **Celeste Wilson, 908 Crestview Drive, Bedford, Texas 76021 – Request to speak to Council regarding Generations Park and the baseball fields.**

Ms. Wilson was unable to attend the meeting.

NEW BUSINESS

4. **Consider an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, "Updated Service Credits" in said system on an annual basis for service performed by qualifying members of such system who at the effective date of the allowance are members of the City of Bedford; providing for increased prior and current service annuities for retirees and beneficiaries of deceased retirees of the City; providing for participation of the City in the supplemental death benefits fund of**

Council Minutes September 8, 2020

the Texas Municipal Retirement System, to provide certain in-service death benefits for employees of the City and, establishing an effective date.

Human Resources Director Stephanie Ayers presented information regarding this item, which are additions to the Texas Municipal Retirement System (TMRS) discussed during the budget work session. There would be annually repeating 50 percent Updated Service Credits, an adhoc 70 percent annuity to retirees based on the Consumer Price Index, and a supplemental death benefit for active employees at one-time their base income. She stated during the budget work session, the discussion was to do the Updated Service Credits on a one-time basis; however, doing it on a repeating basis would lower the contribution rate from 16.25 percent to 15.81 percent. Staff recommends putting in the 16.25 percent approved in the budget so the retirement plan can become fully funded sooner. There was discussion on the history of the City being in TMRS; the approximately \$1,300,000 impact on the current budget for implementing these additions; the effective date of the following January 1; the following item regarding Restricted Prior Service Credits; and waiting on this item and the next until the new City Manager has an opportunity to review them.

The motion and vote on this item took place after Item #14.

Motioned by Councilmember Burnett, seconded by Councilmember Culver, to table an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, "Updated Service Credits" in said system on an annual basis for service performed by qualifying members of such system who at the effective date of the allowance are members of the City of Bedford; providing for increased prior and current service annuities for retirees and beneficiaries of deceased retirees of the City; providing for participation of the City in the supplemental death benefits fund of the Texas Municipal Retirement System, to provide certain in-service death benefits for employees of the City and, establishing an effective date.

Motion approved 7-0-0. Mayor Boyter declared the motion carried.

5. Consider an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, "Restricted Prior Service Credit" to employees who are members of the system for service previously performed for various other public entities for which they have not received credited service; and establishing an effective date.

This item was discussed during the previous item.

The motion and vote on this item took place after Item #14.

Motioned by Councilmember Culver, seconded by Councilmember Burnett, to table an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, "Restricted Prior Service Credit" to employees who are members of the system for service previously performed for various other public entities for which they have not received credited service; and establishing an effective date.

Motion approved 7-0-0. Mayor Boyter declared the motion carried.

6. Consider a resolution authorizing the Interim City Manager to enter into a service agreement with Baker Tilly to perform an efficiency study.

Council Minutes September 8, 2020

Ms. Ayers presented information regarding this item. She stated the two options for an efficiency study are an overall assessment of the City, followed by selecting the areas that would benefit most from a more thorough look or selecting specific departments. She asked Council to determine a not-to-exceed figure to put towards a study. There was discussion, including with David Eisenlohr with Baker Tilly, on different options and costs, working with the new City Manager to determine the best way to spend the budgeted amount, instituting a culture of periodic independent assessments, and the purpose of the study.

Councilmember Sabol motioned to approve a resolution authorizing the Interim City Manager to enter into a service agreement with Baker Tilly to perform an efficiency study between the period of October 1, 2020 to September 30, 2021 in an amount not to exceed \$70,000.

There was further discussion on the structure and terms of the agreement, the scope of services, and waiting on the new City Manager to start prior to approving the agreement.

Councilmember Sabol amended her motion, seconded by Councilmember Burnett, to approve a resolution authorizing the Interim City Manager to enter into a service agreement with Baker Tilly to perform an efficiency study between the period of October 1, 2020 to September 30, 2021 in an amount not to exceed \$75,000.

Motion approved 6-0-0. Mayor Boyter declared the motion carried.

7. Consider a resolution authorizing the Interim City Manager to purchase equipment to enable firefighters and paramedics to respond more safely and efficiently to incidents involving COVID-19, from Stryker Medical as a sole-source vendor, and through the U.S. General Services Administration's Disaster Purchasing Program, in an amount not to exceed \$129,118.

Chief Fay presented information regarding this item. He stated staff is proposing three reset kits for the ambulance units whereby equipment would be combined and stored at each fire station to replace contaminated equipment, allowing ambulances to be put back into service more quickly. This item is for three LIFEPAK 15 cardiac defibrillators/monitors, which are the most expensive pieces for the reset kits. These items are eligible for Coronavirus Aid, Relief, and Economic Security (CARES) Act Funding per Tarrant County. This purchase would reduce the capital expenditure on these items discussed during the work session from four units to one. This item has also been approved by the City's Finance Department and the U.S. General Services Administration. There was discussion on the impact of this purchase on the time to decontaminate ambulances, the use of CARES Act funding, and maintenance for items.

Motioned by Councilmember Gagliardi, seconded by Councilmember Sartor, to approve a resolution authorizing the Interim City Manager to purchase equipment to enable firefighters and paramedics to respond more safely and efficiently to incidents involving COVID-19, from Stryker Medical as a sole-source vendor, and through the U.S. General Services Administration's Disaster Purchasing Program, in an amount not to exceed \$129,118.

Motion approved 7-0-0. Mayor Boyter declared the motion carried.

8. Consider a resolution approving the Cultural Commission Strategic Plan for fiscal years 2021 through 2024.

This item was discussed after Item #9.

Council Minutes September 8, 2020

There was discussion on this item being discussed during a work session and working with Councilmember Gagliardi and Wendy Hartnett to refine the plan, including the use of City staff and removing language about the previous fiscal year and web management.

Motioned by Councilmember Burnett, seconded by Councilmember Culver, to table a resolution approving the Cultural Commission Strategic Plan for fiscal years 2021 through 2024.

Motion approved 7-0-0. Mayor Boyter declared the motion carried.

9. Consider a resolution authorizing the Cultural Commission to paint a mural on the Roy Savage Pool building wall.

Cultural Commission Chairperson Tom Jacobsen and Cultural Commission Member Josh Santillan presented information regarding this item. It would be a community-based project, with the theme being a fish tank. The mural was approved by the Parks and Recreation Board. Mr. Santillan discussed potential donors and stated it would take approximately two to three days to complete everything, with the community doing a lot of the painting and the artists following-up with refinements.

There was discussion on children participating on the project; Council receiving a more polished design before approval; the Commission's new subcommittees; discussing this and the other two Cultural Commission items at a work session; the process for determining the design of the mural; engaging with mural artists; possible conflicts of interest with Commission members working on the mural; the dimensions of the mural; and incorporating the mural with the future Miracle Park. There was further discussion on tabling this and the other two Cultural Commission items until they can be discussed at a work session. Council was of the consensus that the Commission present a more polished design for the mural.

Motioned by Councilmember Sartor, seconded by Councilmember Culver, to table a resolution authorizing the Cultural Commission to paint a mural on the Roy Savage Pool building wall.

Motion approved 7-0-0. Mayor Boyter declared the motion carried.

10. Consider a resolution approving a Signal Box Art Project to promote arts and culture.

There was discussion on the proposed artwork on the box; incorporating a theme; whether the proposed artwork would configure correctly onto the boxes; using more of a photographic approach; and increasing the funding and the number of boxes for the project.

Motioned by Councilmember Gagliardi, seconded by Councilmember Culver, to table a resolution approving a Signal Box Art Project to promote arts and culture.

Motion approved 7-0-0. Mayor Boyter declared the motion carried.

11. Consider a resolution authorizing the Interim City Manager to enter into a contract with CMJ Engineering, Inc. for Construction Materials Testing (CMT) services in an amount not to exceed \$460,190.80.

Interim Capital Projects Director Kelli Snook presented information regarding this item. She stated staff is recommending CMJ Engineering as they have done the geotechnical work on Generations

Council Minutes September 8, 2020

Park. The contract covers all testing and site observation of the project and is a third-party contract meaning CMJ Engineering does not work for the contractor but for the City. The cost estimate is the same as was presented to Council during the previous meeting. She stated this item is not part of the contracts for construction or design and that it is important to have a third-party inspector.

Motioned by Councilmember Culver, seconded by Councilmember Gagliardi, to approve a resolution authorizing the Interim City Manager to enter into a contract with CMJ Engineering, Inc. for Construction Materials Testing (CMT) services in an amount not to exceed \$460,190.80.

Motion approved 7-0-0. Mayor Boyter declared the motion carried.

EXECUTIVE SESSION

Council convened into Executive Session pursuant to Texas Government Code 551.072, to deliberate the purchase, exchange, lease or value of real property – Block 2, Lot 1, Bedford Baptist Temple Sub; Section 551.087, deliberation regarding economic development negotiations – discussion on the Economic Development Program Agreement with Suns Field Development pursuant to Chapter 380 of the Texas Local Government Code Section 551.087, deliberation regarding economic development negotiations – update on all Economic Development Program agreements pursuant to Chapter 380 of the Texas Local Government Code; and Section 551.074, personnel matters – evaluation of the Interim City Manager, at 9:40 p.m.

Council reconvened from Executive Session at 11:16 p.m. Any necessary action to be taken as a result of the Executive Session will be during the Regular Session.

12. Mayor/Council Member Reports

No reports were given.

13. Report on most recent meeting of the following Boards and Commissions:

✓ Animal Shelter Advisory Board

Councilmember Culver reported the Board presented statistics for the previous quarter. She stated the Board will be coming to the Council with a list of needs.

✓ Beautification Commission

Mayor Boyter reported a workday will be planned within the next two weeks.

✓ Cultural Commission

Councilmember Gagliardi reported the Commission will be discussing murals and signal box wraps at their next meeting.

✓ Parks and Recreation Board

Mr. Blackwell stated there will be discussion on gatherings at the next Council work session.

14. City Manager/Staff Reports

Council Minutes September 8, 2020

This item was moved prior to the second Executive Session.

Interim City Manager Cliff Blackwell read a letter from Renee DeLorge with the Clubhouse for Special Needs, thanking Christian Baker, Daniel Leslie, Nick Hines and Taylor Ingram with the Parks Division for assistance in moving a swing set to their current location.

a. Update on Phase Next costs.

Ms. Snook presented an update on the costs for the Phase Next project. She stated the contractor received 194 bids from subcontractors on the architectural work and 174 bids from subcontractors on the site work. The project is now under budget based on the preliminary bids at approximately \$59,153,000 and the contractor is now vetting the subcontractors. There was discussion on the number of subcontractors that will work on the project; the bidding process; determining how the project is under budget; the 20 percent contingency built into the budget; and the storage building, including the possibility of security fencing and screening, and its inclusion in the contract with Halff Associates. Ms. Snook stated the Fire Marshal is not requiring security gates, and there would be a widened, hardened sidewalk for the Fire Department to access the back of the building.

b. Update on Coronavirus Aid, Relief, and Economic Security (CARES) Act Funding.

Interim City Manager Cliff Blackwell stated the City received \$2,656,550 in CARES funding in advance through Tarrant County, and the City must ensure the money being spent is justified under the CARES Act. To date, \$885,376 has been spent of the funding. Mr. Blackwell presented an overview of the different categories under which the City has spent the funding. Certain staff time can be reimbursed through the Federal Emergency Management Agency (FEMA), and the CARES funding can be used to fund the match for the FEMA reimbursement. The match of approximately \$98,000, along with the defibrillators approved earlier in the meeting, will be included in the CARES funding spent, for a total of approximately \$1,100,000. There was discussion on the amount of reimbursement from FEMA, budgetary impacts, and whether CARES funding could be used for a grant program.

Mr. Blackwell presented an update on the financial projections and stated as of August 31, there is \$34,126,313 of revenue collected versus \$29,202,015 in expenditures. The total projected revenue for the fiscal year is approximately \$35,900,000 with expenditures at approximately \$34,400,000, for a surplus of approximately \$1,500,000.

15. Take any action necessary as a result of the Executive Session.

No action was necessary as a result of the Executive Session.

ADJOURNMENT

Mayor Boyter adjourned the meeting at approximately 11:20 p.m.

Michael Boyter, Mayor

Council Agenda Background

PRESENTER: Meg Jakubik, Strategic Services Manager

DATE: 09/22/20

Council Mission Area: Be responsive to the needs of the community.

ITEM:

Consider a resolution of the City Council of the City of Bedford, Texas, approving a negotiated settlement between the Atmos Cities Steering Committee (“ACSC”) and Atmos Energy Corp., Mid-Tex Division regarding the Company’s 2020 Rate Review Mechanism filing; declaring existing rates to be unreasonable; adopting tariffs that reflect rate adjustments consistent with the negotiated settlement; finding the rates to be set by the attached settlement tariffs to be just and reasonable and in the public interest; approving an attached exhibit establishing a benchmark for pensions and retiree medical benefits; approving an attached exhibit regarding amortization of regulatory liability; requiring the Company to reimburse ACSC’s reasonable ratemaking expenses; determining that this resolution was passed in accordance with the requirements of the Texas Open Meetings Act; adopting a savings clause; declaring an effective date; and requiring delivery of this resolution to the company and the ACSC’s legal counsel.

City Attorney Review: Yes

SUMMARY:

The City of Bedford participates in the Steering Committee for Cities Served by Atmos to handle matters pertaining to rate review and negotiations with Atmos Energy Corporation, Mid-Tex Division. This item approves a settlement with the Company as part of the approved Rate Review Mechanism (“RRM”) process for the rate request filed on or about March 31, 2020.

BACKGROUND:

The City, along with 171 other Mid-Texas cities served by Atmos Energy Corporation, Mid-Tex Division (“Atmos Mid-Tex” or “Company”), is a member of the Atmos Cities Steering Committee (“ACSC”). In 2007, ACSC and Atmos Mid-Tex settled a rate application filed by the Company pursuant to Section 104.301 of the Texas Utilities Code for an interim rate adjustment commonly referred to as a GRIP filing (arising out of the Gas Reliability Infrastructure Program legislation). That settlement created a substitute rate review process, referred to as Rate Review Mechanism (“RRM”) as a substitute for future filings under the GRIP statute.

Since 2007, there have been several modifications to the original RRM Tariff. The most recent iteration of an RRM Tariff was reflected in an ordinance adopted by ACSC members in 2018. On or about March 31, 2020, the Company filed a rate request pursuant to the RRM Tariff adopted by ACSC members. The Company claimed that its cost-of-service in a test year ending December 31, 2019, entitled it to additional system-wide revenues of \$141.2 million. Application of the standards set forth in ACSC’s RRM Tariff required Atmos to reduce its request to \$136.3 million, \$98.7 million of which would be applicable to ACSC members. ACSC’s consultants concluded that the system-wide deficiency under the RRM regime should be \$111.5 million instead of the claimed \$136.3 million. The amount of the \$111.5 million deficiency applicable to ACSC members would be \$80.8 million.

After the Company reviewed ACSC’s consultants’ report, ACSC’s Executive Committee and the Company negotiated a settlement whereby the Company would receive an increase of \$90 million from ACSC Cities, but with a two-month delay in the Effective Date until December 1, 2020. This should save ratepayers approximately \$9 million such that the case is functionally equivalent to ACSC’s consultants’ recommendation of \$80.8 million.

The Executive Committee recommends a settlement at \$90 million. The Effective Date for new rates is December 1, 2020. ACSC members should take action approving the Resolution before November 1, 2020.

PROOF OF REVENUES

Atmos generated proof that the rate tariffs attached to the Resolution will generate \$90 million in additional revenues from ACSC Cities. That proof is attached as Attachment 1 to this communique. ACSC consultants have agreed that Atmos' Proof of Revenues is accurate.

BILL IMPACT

The impact of the settlement on average residential rates is an increase of \$5.15 on a monthly basis, or 9.9 percent. The increase for average commercial usage will be \$15.48 or 6.56 percent. A bill impact comparison is attached as Attachment 2.

SUMMARY OF ACSC'S OBJECTION TO THE UTILITIES CODE SECTION 104.301 GRIP PROCESS

ACSC strongly opposed the GRIP process because it constitutes piecemeal ratemaking by ignoring declining expenses and increasing revenues while rewarding the Company for increasing capital investment on an annual basis. The GRIP process does not allow any review of the reasonableness of capital investment and does not allow cities to participate in the Railroad Commission's review of annual GRIP filings or allow recovery of Cities' rate case expenses. The Railroad Commission undertakes a mere administrative review of GRIP filings (instead of a full hearing) and rate increases go into effect without any material adjustments. In ACSC's view, the GRIP process unfairly raises customers' rates without any regulatory oversight. In contrast, the RRM process has allowed for a more comprehensive rate review and annual evaluation of expenses and revenues, as well as capital investment.

RRM SAVINGS OVER GRIP

While residents outside municipal limits must pay rates governed by GRIP, there are some cities served by Atmos Mid-Tex that chose to remain under GRIP rather than adopt RRM. Additionally, the City of Dallas adopted a variation of RRM which is referred to as DARR. When new rates become effective on December 1, 2020, ACSC residents will maintain a slight economic monthly advantage over GRIP and DARR rates. See Attachment 3.

CONCLUSION

The Legislature's GRIP process allowed gas utilities to receive annual rate increases associated with capital investments. The RRM process has proven to result in a more efficient and less costly (both from a consumer rate impact perspective and from a ratemaking perspective) than the GRIP process. Given Atmos Mid-Tex's claim that its historic cost of service should entitle it to recover \$141.2 million in additional system-wide revenues, the RRM settlement at \$90 million for ACSC Cities reflects substantial savings to ACSC Cities. ACSC's consultants produced a report indicating that Atmos had justified increased revenues for ACSC Cities of at least \$81 million. Settlement at \$90 million (equivalent to \$81 million with a two-month delay) is fair and reasonable. The ACSC Executive Committee, consisting of City employees of 18 ACSC members, urges all ACSC members to pass the Resolution before November 1, 2020. New rates become effective December 1, 2020.

RECOMMENDATION:

Staff recommends the following motion:

Approval of a resolution of the City Council of the City of Bedford, Texas, approving a negotiated settlement between the Atmos Cities Steering Committee ("ACSC") and Atmos Energy Corp., Mid-Tex Division regarding the Company's 2020 Rate Review Mechanism filing; declaring existing rates to be unreasonable; adopting tariffs that reflect rate adjustments consistent with the negotiated settlement; finding the rates to be set by the attached settlement tariffs to be just and reasonable and in the public interest; approving an attached exhibit establishing a benchmark for pensions and retiree medical benefits; approving an attached exhibit regarding amortization of regulatory liability; requiring the Company to reimburse ACSC's reasonable ratemaking expenses; determining that this resolution was passed in accordance with the requirements of the Texas Open Meetings Act; adopting a savings clause; declaring an effective date; and requiring delivery of this resolution to the company and the ACSC's legal counsel.

FISCAL IMPACT:

RESOLUTION NO. 2020-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS, APPROVING A NEGOTIATED SETTLEMENT BETWEEN THE ATMOS CITIES STEERING COMMITTEE (“ACSC”) AND ATMOS ENERGY CORP., MID-TEX DIVISION REGARDING THE COMPANY’S 2020 RATE REVIEW MECHANISM FILING; DECLARING EXISTING RATES TO BE UNREASONABLE; ADOPTING TARIFFS THAT REFLECT RATE ADJUSTMENTS CONSISTENT WITH THE NEGOTIATED SETTLEMENT; FINDING THE RATES TO BE SET BY THE ATTACHED SETTLEMENT TARIFFS TO BE JUST AND REASONABLE AND IN THE PUBLIC INTEREST; APPROVING AN ATTACHED EXHIBIT ESTABLISHING A BENCHMARK FOR PENSIONS AND RETIREE MEDICAL BENEFITS; APPROVING AN ATTACHED EXHIBIT REGARDING AMORTIZATION OF REGULATORY LIABILITY; REQUIRING THE COMPANY TO REIMBURSE ACSC’S REASONABLE RATEMAKING EXPENSES; DETERMINING THAT THIS RESOLUTION WAS PASSED IN ACCORDANCE WITH THE REQUIREMENTS OF THE TEXAS OPEN MEETINGS ACT; ADOPTING A SAVINGS CLAUSE; DECLARING AN EFFECTIVE DATE; AND REQUIRING DELIVERY OF THIS RESOLUTION TO THE COMPANY AND THE ACSC’S LEGAL COUNSEL.

WHEREAS, the City of Bedford, Texas (“City”) is a gas utility customer of Atmos Energy Corp., Mid-Tex Division (“Atmos Mid-Tex” or “Company”), and a regulatory authority with an interest in the rates, charges, and services of Atmos Mid-Tex; and,

WHEREAS, the City is a member of the Atmos Cities Steering Committee (“ACSC”), a coalition of similarly-situated cities served by Atmos Mid-Tex (“ACSC Cities”) that have joined together to facilitate the review of, and response to, natural gas issues affecting rates charged in the Atmos Mid-Tex service area; and,

WHEREAS, ACSC and the Company worked collaboratively to develop a Rate Review Mechanism (RRM) tariff that allows for an expedited rate review process by ACSC Cities as a substitute to the Gas Reliability Infrastructure Program (“GRIP”) process instituted by the Legislature, and that will establish rates for the ACSC Cities based on the system-wide cost of serving the Atmos Mid-Tex Division; and,

WHEREAS, the current RRM tariff was adopted by the City in a rate ordinance in 2018; and,

WHEREAS, on about March 31, 2020, Atmos Mid-Tex filed its 2020 RRM rate request with ACSC Cities based on a test year ending December 31, 2019; and,

WHEREAS, ACSC coordinated its review of the Atmos Mid-Tex 2020 RRM filing through its Executive Committee, assisted by ACSC’s attorneys and consultants, to resolve issues identified in the Company’s RRM filing; and,

WHEREAS, the Executive Committee, as well as ACSC’s counsel and consultants, recommend that ACSC Cities approve an increase in base rates for Atmos Mid-Tex of \$90 million applicable to ACSC Cities with an Effective Date of December 1, 2020; and,

WHEREAS, ACSC agrees that Atmos plant-in-service is reasonable; and,

WHEREAS, with the exception of approved plant-in-service, ACSC is not foreclosed from future reasonableness evaluation of costs associated with incidents related to gas leaks; and,

WHEREAS, the two month delayed Effective Date from October 1 to December 1 will save ACSC ratepayers approximately \$9 million off new rates imposed by the attached tariffs (Exhibit A), the impact on ratepayers should approximate the reasonable value of the rate filing found by the ACSC Consultants’ Report, which was \$81 million; and,

WHEREAS, the attached tariffs (Exhibit A) implementing new rates are consistent with the recommendation of the ACSC Executive Committee, are agreed to by the Company, and are just, reasonable, and in the public interest; and,

RESOLUTION NO. 2020-

WHEREAS, the settlement agreement sets a new benchmark for pensions and retiree medical benefits (Exhibit B); and,

WHEREAS, the settlement agreement establishes an amortization schedule for regulatory liability prepared by Atmos Mid-Tex (Exhibit C); and,

WHEREAS, the RRM Tariff contemplates reimbursement of ACSC's reasonable expenses associated with RRM applications.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

- SECTION 1. That the findings set forth in this Resolution are hereby in all things approved.**
- SECTION 2. That, without prejudice to future litigation of any issue identified by ACSC, the City Council finds that the settled amount of an increase in revenues of \$90 million for ACSC Cities represents a comprehensive settlement of gas utility rate issues affecting the rates, operations, and services offered by Atmos Mid-Tex within the municipal limits arising from Atmos Mid-Tex's 2020 RRM filing, is in the public interest, and is consistent with the City's authority under Section 103.001 of the Texas Utilities Code.**
- SECTION 3. That despite finding Atmos Mid-Tex's plant-in-service to be reasonable, ACSC is not foreclosed in future cases from evaluating the reasonableness of costs associated with incidents involving leaks of natural gas.**
- SECTION 4. That the existing rates for natural gas service provided by Atmos Mid-Tex are unreasonable. The new tariffs attached hereto and incorporated herein as Exhibit A, are just and reasonable, and are designed to allow Atmos Mid-Tex to recover annually an additional \$90 million from customers in ACSC Cities, over the amount allowed under currently approved rates. Such tariffs are hereby adopted.**
- SECTION 5. That the ratemaking treatment for pensions and retiree medical benefits in Atmos Mid-Tex's next RRM filing shall be as set forth on Exhibit B, attached hereto and incorporated herein.**
- SECTION 6. That subject to any future settlement or decision regarding the balance of Excess Deferred Income Tax to be refunded to ratepayers, the amortization of regulatory liability shall be consistent with the schedule found in Exhibit C, attached hereto and incorporated herein.**
- SECTION 7. That Atmos Mid-Tex shall reimburse the reasonable ratemaking expenses of the ACSC in processing the Company's 2020 RRM filing.**
- SECTION 8. That to the extent any resolution or ordinance previously adopted by the Council is inconsistent with this Resolution, it is hereby repealed.**
- SECTION 9. That the meeting at which this Resolution was approved was in all things conducted in strict compliance with the Texas Open Meetings Act, Texas Government Code, Chapter 551.**
- SECTION 10. That if any one or more sections or clauses of this Resolution is adjudged to be unconstitutional or invalid, such judgment shall not affect, impair, or invalidate the remaining provisions of this Resolution, and the remaining provisions of the Resolution shall be interpreted as if the offending section or clause never existed.**

RESOLUTION NO. 2020-

SECTION 11. That consistent with the City Ordinance that established the RRM process, this Resolution shall become effective from and after its passage with rates authorized by attached tariffs to be effective for bills rendered on or after December 1, 2020.

SECTION 12. That a copy of this Resolution shall be sent to Atmos Mid-Tex, care of Chris Felan, Vice President of Rates and Regulatory Affairs Mid-Tex Division, Atmos Energy Corporation, 5420 LBJ Freeway, Suite 1862, Dallas, Texas 75240, and to Geoffrey Gay, General Counsel to ACSC, at Lloyd Gosselink Rochelle & Townsend, P.C., 816 Congress Avenue, Suite 1900, Austin, Texas 78701.

PRESENTED AND PASSED this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

Michael Boyter, Mayor

ATTEST:

Exhibit A
to 2020 RRM Resolution or Ordinance

Mid-Tex Tariffs
Effective December 1, 2020

RATE SCHEDULE:	R – RESIDENTIAL SALES	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Application

Applicable to Residential Customers for all natural gas provided at one Point of Delivery and measured through one meter.

Type of Service

Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate

Customer's monthly bill will be calculated by adding the following Customer and Ccf charges to the amounts due under the riders listed below:

Charge	Amount
Customer Charge per Bill	\$ 20.25 per month
Rider CEE Surcharge	\$ 0.05 per month ¹
Total Customer Charge	\$ 20.30 per month
Commodity Charge – All <u>Ccf</u>	\$0.26651 per Ccf

Gas Cost Recovery: Plus an amount for gas costs and upstream transportation costs calculated in accordance with Part (a) and Part (b), respectively, of Rider GCR.

Weather Normalization Adjustment: Plus or Minus an amount for weather normalization calculated in accordance with Rider WNA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Agreement

An Agreement for Gas Service may be required.

Notice

Service hereunder and the rates for services provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.

¹Reference Rider CEE - Conservation and Energy Efficiency as approved in GUD 10170. Surcharge billing effective July 1, 2020.

RATE SCHEDULE:	C – COMMERCIAL SALES	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Application

Applicable to Commercial Customers for all natural gas provided at one Point of Delivery and measured through one meter and to Industrial Customers with an average annual usage of less than 30,000 Ccf.

Type of Service

Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate

Customer's monthly bill will be calculated by adding the following Customer and Ccf charges to the amounts due under the riders listed below:

Charge	Amount
Customer Charge per Bill	\$ 54.50 per month
Rider CEE Surcharge	\$ 0.02 per month ¹
Total Customer Charge	\$ 54.52 per month
Commodity Charge – All Ccf	\$ 0.11728 per Ccf

Gas Cost Recovery: Plus an amount for gas costs and upstream transportation costs calculated in accordance with Part (a) and Part (b), respectively, of Rider GCR.

Weather Normalization Adjustment: Plus or Minus an amount for weather normalization calculated in accordance with Rider WNA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Agreement

An Agreement for Gas Service may be required.

Notice

Service hereunder and the rates for services provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.

¹ Reference Rider CEE - Conservation and Energy Efficiency as approved in GUD 10170. Surcharge billing effective July 1, 2020.

RATE SCHEDULE:	I – INDUSTRIAL SALES	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Application

Applicable to Industrial Customers with a maximum daily usage (MDU) of less than 3,500 MMBtu per day for all natural gas provided at one Point of Delivery and measured through one meter. Service for Industrial Customers with an MDU equal to or greater than 3,500 MMBtu per day will be provided at Company's sole option and will require special contract arrangements between Company and Customer.

Type of Service

Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate

Customer's monthly bill will be calculated by adding the following Customer and MMBtu charges to the amounts due under the riders listed below:

Charge	Amount
Customer Charge per Meter	\$ 1,014.50 per month
First 0 MMBtu to 1,500 MMBtu	\$ 0.4157 per MMBtu
Next 3,500 MMBtu	\$ 0.3044 per MMBtu
All MMBtu over 5,000 MMBtu	\$ 0.0653 per MMBtu

Gas Cost Recovery: Plus an amount for gas costs and upstream transportation costs calculated in accordance with Part (a) and Part (b), respectively, of Rider GCR.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Curtailed Overpull Fee

Upon notification by Company of an event of curtailment or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay Company 200% of the midpoint price for the Katy point listed in *Platts Gas Daily* published for the applicable Gas Day in the table entitled "Daily Price Survey."

Replacement Index

In the event the "midpoint" or "common" price for the Katy point listed in *Platts Gas Daily* in the table entitled "Daily Price Survey" is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

RATE SCHEDULE:	I – INDUSTRIAL SALES	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Agreement

An Agreement for Gas Service may be required.

Notice

Service hereunder and the rates for services provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.

Special Conditions

In order to receive service under Rate I, Customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.

RATE SCHEDULE:	T – TRANSPORTATION	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Application

Applicable, in the event that Company has entered into a Transportation Agreement, to a customer directly connected to the Atmos Energy Corp., Mid-Tex Division Distribution System (Customer) for the transportation of all natural gas supplied by Customer or Customer's agent at one Point of Delivery for use in Customer's facility.

Type of Service

Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between Company and Customer may be required prior to service being furnished.

Monthly Rate

Customer's bill will be calculated by adding the following Customer and MMBtu charges to the amounts and quantities due under the riders listed below:

Charge	Amount
Customer Charge per Meter	\$ 1,014.50 per month
First 0 MMBtu to 1,500 MMBtu	\$ 0.4157 per MMBtu
Next 3,500 MMBtu	\$ 0.3044 per MMBtu
All MMBtu over 5,000 MMBtu	\$ 0.0653 per MMBtu

Upstream Transportation Cost Recovery: Plus an amount for upstream transportation costs in accordance with Part (b) of Rider GCR.

Retention Adjustment: Plus a quantity of gas as calculated in accordance with Rider RA.

Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Rider FF is only applicable to customers inside the corporate limits of any incorporated municipality.

Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

Surcharges: Plus an amount for surcharges calculated in accordance with the applicable rider(s).

Imbalance Fees

All fees charged to Customer under this Rate Schedule will be charged based on the quantities determined under the applicable Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.

Monthly Imbalance Fees

Customer shall pay Company the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest "midpoint" price for the Katy point listed in *Platts Gas Daily* in the table entitled "Daily Price Survey" during such month, for the MMBtu of Customer's monthly Cumulative Imbalance, as defined in the applicable Transportation Agreement, at the end of each month that exceeds 10% of Customer's receipt quantities for the month.

RATE SCHEDULE:	T – TRANSPORTATION	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Curtailment Overpull Fee

Upon notification by Company of an event of curtailment or interruption of Customer's deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay Company 200% of the midpoint price for the Katy point listed in *Platts Gas Daily* published for the applicable Gas Day in the table entitled "Daily Price Survey."

Replacement Index

In the event the "midpoint" or "common" price for the Katy point listed in *Platts Gas Daily* in the table entitled "Daily Price Survey" is no longer published, Company will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

Agreement

A transportation agreement is required.

Notice

Service hereunder and the rates for services provided are subject to the orders of regulatory bodies having jurisdiction and to the Company's Tariff for Gas Service.

Special Conditions

In order to receive service under Rate T, customer must have the type of meter required by Company. Customer must pay Company all costs associated with the acquisition and installation of the meter.

**MID-TEX DIVISION
ATMOS ENERGY CORPORATION**

RIDER:	WNA – WEATHER NORMALIZATION ADJUSTMENT	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Provisions for Adjustment

The Commodity Charge per Ccf (100 cubic feet) for gas service set forth in any Rate Schedules utilized by the cities of the Mid-Tex Division service area for determining normalized winter period revenues shall be adjusted by an amount hereinafter described, which amount is referred to as the "Weather Normalization Adjustment." The Weather Normalization Adjustment shall apply to all temperature sensitive residential and commercial bills based on meters read during the revenue months of November through April. The five regional weather stations are Abilene, Austin, Dallas, Waco, and Wichita Falls.

Computation of Weather Normalization Adjustment

The Weather Normalization Adjustment Factor shall be computed to the nearest one-hundredth cent per Ccf by the following formula:

$$WNAF_i = R_i \frac{(HSF_i \times (NDD-ADD))}{(BL_i + (HSF_i \times ADD))}$$

Where

- i = any particular Rate Schedule or billing classification within any such particular Rate Schedule that contains more than one billing classification
- $WNAF_i$ = Weather Normalization Adjustment Factor for the i^{th} rate schedule or classification expressed in cents per Ccf
- R_i = Commodity Charge rate of temperature sensitive sales for the i^{th} schedule or classification.
- HSF_i = heat sensitive factor for the i^{th} schedule or classification divided by the average bill count in that class
- NDD = billing cycle normal heating degree days calculated as the simple ten-year average of actual heating degree days.
- ADD = billing cycle actual heating degree days.
- BL_i = base load sales for the i^{th} schedule or classification divided by the average bill count in that class

The Weather Normalization Adjustment for the j th customer in i th rate schedule is computed as:

$$WNA_{ij} = WNAF_i \times q_{ij}$$

Where q_{ij} is the relevant sales quantity for the j th customer in i th rate schedule.

**MID-TEX DIVISION
ATMOS ENERGY CORPORATION**

RIDER:	WNA – WEATHER NORMALIZATION ADJUSTMENT	
APPLICABLE TO:	ALL CUSTOMERS IN THE MID-TEX DIVISION UNDER THE RRM TARIFF	
EFFECTIVE DATE:	Bills Rendered on or after 12/01/2020	PAGE:

Base Use/Heat Use Factors

Weather Station	<u>Residential</u>		<u>Commercial</u>	
	Base use <u>Ccf</u>	Heat use <u>Ccf/HDD</u>	Base use <u>Ccf</u>	Heat use <u>Ccf/HDD</u>
Abilene	10.73	0.1545	94.79	0.7284

Wichita Falls	11.61	0.1402	120.34	0.5747

Weather Normalization Adjustment (WNA) Report

On or before June 1 of each year, the company posts on its website at atmosenergy.com/mtx-wna, in Excel format, a *Weather Normalization Adjustment (WNA) Report* to show how the company calculated its WNAs factor during the preceding winter season. Additionally, on or before June 1 of each year, the company files one hard copy and an Excel version of the *WNA Report* with the Railroad Commission of Texas' Gas Services Division, addressed to the Director of that Division.

Council Agenda Background

PRESENTER: Maria Redburn, Library Director

DATE: 09/22/20

Council Mission Area: Be responsive to the needs of the community.

ITEM:

Consider a resolution authorizing the City Manager to purchase library print and multimedia materials primarily using the State of Texas SmartBuy contract with various vendors in an amount not to exceed \$200,000.

City Attorney Review: N/A

SUMMARY:

This item is to authorize the Library to purchase up to \$200,000 in print and multimedia materials using the centralized bidding and discounts for library materials through the State of Texas SmartBuy Program. Funding of library materials above the budgeted \$151,000 will come from grants and donations.

BACKGROUND:

The Texas State Library and Archives Commission (TSLAC) centralizes bidding and discounts for library materials through the Texas SmartBuy Program. As a paid member of the State of Texas SmartBuy Program, the City of Bedford has access to greater discounts on library materials, and greater access to processing and cataloging services from vendors than it would on its own. The contract period is from June 29, 2020 through October 31, 2021. The Library may use alternate vendors for hard-to-find items such as STEM (science, technology, engineering, and math) kits and out-of-print materials.

Due to the nature of publishing, the Library purchases materials on an ongoing basis to provide patrons access to bestseller, high-demand and topical materials throughout the year. The majority of library materials purchased come pre-processed with covers, cases, spine labels, and barcodes. The Library allocated \$151,000 to purchase print, multimedia, and educational materials in the FY 2020-2021 budget approved by Council. Staff is seeking authorization for spending not to exceed \$200,000 on library materials. Funding of library materials above the budgeted \$151,000 will come from grants and donations.

RECOMMENDATION:

Staff recommends the following motion:

Approval of a resolution authorizing the City Manager to purchase library print and multimedia materials primarily using the State of Texas SmartBuy contract with various vendors in an amount not to exceed \$200,000.

FISCAL IMPACT:

FY 2020-2021 General Fund: \$151,000

ATTACHMENTS:

Resolution
Vendor Price Sheets

RESOLUTION NO. 2020-

A RESOLUTION AUTHORIZING THE CITY MANAGER TO PURCHASE LIBRARY PRINT AND MULTIMEDIA MATERIALS PRIMARILY USING THE STATE OF TEXAS SMARTBUY CONTRACT WITH VARIOUS VENDORS IN AN AMOUNT NOT TO EXCEED \$200,000.

WHEREAS, the City Council of Bedford, Texas will primarily use the competitively bid Texas SmartBuy Program for the purchase of library print and multimedia materials; and,

WHEREAS, the library print and multimedia materials are critical to the operation of the Bedford Public Library.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

SECTION 1. That the findings above are found to be true and correct, and are incorporated herein.

SECTION 2. That the City Council hereby authorizes the City Manager to purchase print and multimedia materials for the Library in an amount not to exceed \$200,000.

PRESENTED AND PASSED on this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

Michael Boyter, Mayor

ATTEST:

Michael Wells, City Secretary

Additional Information

- When GOBI Library Solutions receives a short discount from any publisher, we add a 15% service fee to the publisher's list price, with a \$10 min. and \$25 max.
- Discounts do not apply to titles from publishers on the "List Price Publishers" lists, whose books (including any and all imprints) we normally sell at list price (occasional service fee for short publisher discount).
- Discounts do not apply to titles that we import directly from overseas on a library's behalf. These are subject to the service fee noted above for short-discounted titles.
- Discounts do not apply to Out of Print Choice titles. BookZone titles will receive a 5% discount.
- * Rush Service will be discounted at 10% and shipped for free using our UPS ground services. Library pays for next-day or second-day shipping.
- * Free Weekly shipping to the library/institution's designated delivery address
- * Discount indicated above of 15-40% represents GOBI Library Solutions' Tiered Discount model. This model allows for two discounts to be extended, either 15% or 40%. For "trade" and popular titles, which are more often purchased by community colleges, to receive the higher discount of 40% whereas a 15% discount will apply on more academic/non-trade titles.

Additional Processing Components

*Our online database GOBI offers free access to a long list of core features. Additional features are available on an annual subscription basis, based on library size. We offer a subscription to all available features for a single annual fee of \$925.00 per institution; or the library can purchase annually any single package or combination of packages from among GobiPlus, GoBeyond and/or GOBI Reviews. GobiPlus is offered for an annual subscription fee of \$320.00; GoBeyond is offered for an annual subscription fee of \$405.00; and GOBI Reviews is offered for an annual subscription fee of \$455.00.

*Libraries can bolster their duplication control by using GOBI Library Solutions' Library Holdings Load Service. By providing a file of ISBNs of your recent ordering history, we will load the ISBNs into the customer's GOBI account. A duplication alert will be issued when an order is placed on GOBI for any ISBN in the holdings file. Three holdings loads per year are free per institution. There is a \$515.00 charge beginning with the fourth load for an unlimited number of subsequent loads per institution in any one year.

Council Agenda Background

<u>PRESENTER:</u> Paula Y. McPartlin, C.G.F.O. Assistant Director of Finance		<u>DATE:</u> 09/22/20
Council Mission Area: Demonstrate excellent customer service in an efficient manner.		
<u>ITEM:</u> Consider a resolution approving the City of Bedford Investment Policy for Fiscal Year 2020. City Attorney Review: N/A		
<u>SUMMARY:</u> This item complies with the Public Funds Investment Act (PFIA), which requires the City to review and approve an Investment Policy on an annual basis. The Investment Policy was reviewed and approved by the Investment Committee on August 5, 2020. The updated Policy is submitted to City Council for consideration.		
<u>BACKGROUND:</u> The Public Funds Investment Act requires the City to review and approve an Investment Policy on an annual basis. The last review and approval occurred on September 24, 2019. The City's Investment Policy sets forth policies designed to ensure that the City's public funds are invested prudently, efficiently, and in compliance with the Public Funds Investment Act (PFIA). The Policy discusses the most important elements of investment management in one comprehensive centralized format. Included in the Council agenda packet is the Investment Policy that was reviewed and approved by the Investment Committee on August 5, 2020. There were no changes to the policy this year. The attached document entitled "City of Bedford Investment Policy, September 22, 2020" provides the City with a policy document that is in full compliance with the PFIA.		
<u>RECOMMENDATION:</u> Staff recommends the following motion: Approval of a resolution approving the City of Bedford Investment Policy for Fiscal Year 2020.		
<u>FISCAL IMPACT:</u> N/A	<u>ATTACHMENTS:</u> Resolution Investment Policy Approved Independent Training Sources Approved Broker/Dealer Firms	

RESOLUTION NO. 2020-

A RESOLUTION APPROVING THE CITY OF BEDFORD INVESTMENT POLICY FOR FISCAL YEAR 2020.

WHEREAS, the Public Funds Investment Act requires that the City have an Investment Policy and that the City Council review and approve the policy on an annual basis.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

SECTION 1. That the findings above are found to be true and correct, and are incorporated herein

SECTION 2. That the City of Bedford Investment Policy, attached hereto, is hereby approved and adopted by the City Council. From the effective date of this resolution, all investment of public funds by the City personnel and/or agents shall be conducted in accordance with the City of Bedford Investment Policy.

SECTION 3. That the Mayor and/or the City Manager, as required by the individual agreements, are hereby authorized to enter into such agreements as may be necessary to implement this approved Investment Policy.

PRESENTED AND PASSED this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

Michael Boyter, Mayor

ATTEST:

Michael Wells, City Secretary

**CITY OF BEDFORD
INVESTMENT POLICY**

September 22, 2020

It is the policy of the City of Bedford, Texas (the “City”), which includes the City of Bedford Street Improvement Economic Development Corporation (the “Corporation”), that after allowing for anticipated cash requirements and giving due consideration to safety, liquidity and yield, all available funds will be invested in conformance with the Investment Policy which has been developed to conform to the State of Texas Public Funds Investment Act as amended (the “PFIA” or the “Act”). Throughout this Investment Policy, the City and Corporation shall be referred to as “BEDFORD.”

In addition, applicable recommended practices published by the Government Finance Officers’ Association (GFOA) have been considered to ensure that BEDFORD’s investment activities are conducted within the framework of sound fiscal policy.

I. Scope

This Policy applies to all financial assets of BEDFORD and serves to satisfy the statutory requirements of the PFIA to define and approve a formal investment policy. These funds are accounted for in BEDFORD’s Comprehensive Annual Financial Report and include:

- General Fund
- Enterprise Funds
- Special Revenue Funds
- Debt Service Funds - including Interest & Sinking Funds & Reserve Funds
- Capital Improvement Funds
- City of Bedford Street Improvement Economic Development Corporation Fund
- Other funds established from time to time

Except for cash in certain restricted and special funds, BEDFORD may consolidate cash and investment balances to ease cash management operations and maximize investment earnings. Investment income will be allocated to the various funds based on their respective participation and in accordance with generally accepted accounting principles.

II. General Objectives.

The primary objectives, in priority order, of investment activities shall be safety, liquidity, and yield:

- 1. Safety.** Safety of principal is the foremost objective of the investment program.

Investments shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. The objective will be to mitigate credit risk and interest rate risk.

a. Credit Risk. BEDFORD will minimize credit risk, the risk of loss due to the failure of the investment issuer or backer, by:

- 1) Limiting investments to the safest types.
- 2) Pre-qualifying the financial institutions, broker/dealers, intermediaries, and advisors with whom BEDFORD will do business.
- 3) Diversifying the investment portfolio so that potential losses on individual investments will be minimized.
- 4) Establishment of procedures to monitor rating changes of investments and the liquidation of such investments as required by the PFIA.

b. Interest Rate Risk. BEDFORD will minimize the risk that the market value of securities in the portfolio will fall due to changes in general interest rates by:

- 1) Structuring the investment portfolio so that securities mature to meet cash requirements for ongoing operations, thereby avoiding the need to sell securities on the open market prior to maturity.
- 2) Investing operating funds primarily in shorter-term securities, financial institution deposits, money market mutual funds, or local government investment pools.

2. Liquidity. The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated. This is accomplished by structuring the portfolio so that investments mature concurrent with cash needs to meet anticipated demands (static liquidity). Furthermore, since all possible cash demands cannot be anticipated, the portfolio should consist largely of investments with active secondary or resale markets (dynamic liquidity). All or a portion of the portfolio also may be placed in financial institution deposits, money market mutual funds, or local government investment pools which offer same-day liquidity for short-term funds.

3. Yield. The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs. Return on investment is of secondary importance compared to safety and liquidity. Investments shall not be liquidated prior to maturity with the following exceptions:

- a. An investment with declining credit may be sold early to minimize loss of principal.
- b. An investment swap would improve the quality, yield, or target duration in the portfolio.

- c. Liquidity needs of the portfolio require that the investment be sold or redeemed.

III. Standards of Care.

1. **Prudence.** The standard to be used by Investment Officers shall be the “prudent person” rule, which states, “investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.” Investment Officers acting in accordance with written policies and procedures, and exercising due diligence, shall be relieved of personal responsibility for an individual investment's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion.
2. **Ethics and Conflicts of Interest.** Investment Officers shall refrain from personal business activity that could conflict with the proper execution and management of the investment program, or that could impair their ability to make impartial decisions. Investment Officers shall disclose any material interests in financial institutions with which they conduct business. They shall further disclose any personal financial/investment positions that could be related to the performance of the investment portfolio. Investment Officers shall refrain from undertaking personal investment transactions with the same individual with whom business is conducted on behalf of BEDFORD.

An Investment Officer who has a personal business relationship, as defined by the PFIA, with a depository bank or with any entity seeking to sell an investment to BEDFORD shall file a statement disclosing that personal business interest. An Investment Officer who is related within the second degree of affinity or consanguinity to an individual seeking to sell an investment to BEDFORD shall file a statement disclosing that relationship. A statement required under this subsection must be filed with the Texas Ethics Commission and the City Council.

3. **Delegation of Authority.** Authority to manage and operate the investment program is granted to the Director of Finance. The Director of Finance shall establish written procedures and internal controls for the operation of the investment program consistent with this Investment Policy. Procedures should include, but not be limited to: account management procedures, cash flow estimation procedures, investment transaction procedures, authorized broker/dealer selection process, and investment portfolio reporting requirements. No person may engage in an investment transaction except as provided under the terms of this Policy and the procedures established by the Director of Finance. The Director of Finance shall be responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of the Authorized Investment Officers and subordinate officials.
4. **Authorized Investment Officers.**

City Manager
Assistant City Manager
Director of Finance
Assistant Finance Director

5. Investment Committee. There is hereby created an Investment Committee, consisting of the City Manager, Assistant City Manager, Director of Finance, City Secretary, Assistant Finance Director, and one City Council member to be appointed by a majority of the City Council.

The Investment Committee shall meet at least quarterly to review general strategies and to monitor portfolio performance. The Committee shall include in its deliberations such topics as:

- a. Economic outlook,
- b. Portfolio diversification,
- c. Maturity structure,
- d. Risk considerations,
- e. Authorized broker/dealers,
- f. Independent investment training sources, and
- g. Target rate of return on the portfolio.

The Investment Committee shall provide for minutes of its meetings.

Any two members of the Committee may request a special meeting, and three members shall constitute a quorum.

The Committee shall establish its rules of procedure.

6. Investment Training. In order to ensure the quality and capability of BEDFORD's investment personnel, BEDFORD shall provide periodic training in investments through courses and seminars offered by professional organizations and associations as required by the PFIA. The Investment Officers shall attend at least one training session accumulating at least ten (10) hours relating to the Officer's responsibility under the Act within twelve (12) months after assuming duties, and thereafter, attend investment training session(s) not less than once every two years (aligned with the City's fiscal year end), receiving an additional eight (8) hours of training. The training shall be conducted by independent training sources approved by the Investment Committee.

7. Investment Policy Certification. Local government investment pools and discretionary investment management firms shall provide certification of having read BEDFORD's Investment Policy signed by a qualified representative of the organization, acknowledging that the organization has implemented reasonable procedures and controls in an effort to preclude imprudent investment activities arising out of investment transactions conducted between the City and the organization in accordance with the Act.

IV. Broker/Dealers, Internal Controls and DVP.

1. Authorized Broker/Dealers. A list will be maintained of “primary” dealers or regional dealers that qualify under Securities and Exchange Commission (SEC) Rule 15C3-1 (uniform net capital rule). All investment providers, financial institutions and broker/dealers who desire to become qualified for investment transactions must supply the following as appropriate:

- a. Audited financial statements
- b. Proof of Financial Industry Regulatory Authority (FINRA) certification
- c. Proof of state registration
- d. Completed broker/dealer questionnaire

The Investment Committee shall review, revise, and adopt a list of authorized broker/dealers at least annually.

2. Internal Controls. The Director of Finance is responsible for establishing and maintaining an internal control structure designed to ensure that the assets of BEDFORD are protected from loss, theft or misuse. The internal control structure shall be designed to provide reasonable assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of a control should not exceed the benefits likely to be derived and (2) the valuation of costs and benefits require estimates and judgments by management.

Accordingly, within the scope of the annual audit, the Director of Finance shall establish a process for an independent review by an external auditor to assure compliance with policies and procedures. The results of this compliance audit must be reported annually to the City Council. The internal controls shall address the following points:

- a. Control of collusion
- b. Separation of transaction authority from accounting and record keeping
- c. Custodial safekeeping
- d. Avoidance of physical delivery securities
- e. Clear delegation of authority to subordinate staff members
- f. Written confirmation of transactions for investments and wire transfers

3. Delivery Versus Payment. All trades, where applicable, will be executed by delivery versus payment (DVP) to ensure that securities are deposited in an eligible financial institution prior to the release of funds. Securities will be held by a third-party safekeeping agent as evidenced by safekeeping receipts.

V. Suitable and Authorized Investments

1. Investment Types. The following investments will be permitted by this Policy as defined by state and local law where applicable. BEDFORD is not required to liquidate investments that were authorized at the time of purchase.

- a. U.S. government obligations, U.S. government agency obligations, and U.S. government instrumentality obligations (including obligations of the FDIC and the

Federal Home Loan Banks), which have a liquid market with a readily determinable market value, and exclude those prohibited by the PFIA.

- b. Certificates of deposit and other evidences of deposit at a financial institution that, a) has its main office or a branch office in Texas and is guaranteed or insured by the Federal Deposit Insurance Corporation or its successor, b) is secured by obligations in a manner and amount provided by law for deposits of BEDFORD, or c) is placed in a manner that meets the requirements of the PFIA.
- c. Repurchase and reverse repurchase agreements whose underlying purchased securities consist of instruments as defined in a. above and placed in compliance with the PFIA.
- d. No load money market mutual funds regulated by the Securities and Exchange Commission that meet the requirements of the PFIA.
- e. Local government investment pools, either state-administered or through joint powers statutes and other intergovernmental agreement legislation authorized in compliance with the PFIA.

2. Insurance, Pledged Collateral or Purchased Securities. With the exception of deposits secured with irrevocable letters of credit at 100% of amount, all deposits of BEDFORD funds with financial institutions shall be secured by pledged collateral with a market value equal to or greater than 102% of the deposits, less any amount insured by the FDIC. Repurchase agreements shall be documented by a specific agreement noting the “purchased securities” in each agreement; such securities shall comply with the PFIA. Collateral pledged and purchased securities shall be reviewed at least monthly to assure the market value equals or exceeds the related BEDFORD investment.

BEDFORD shall accept only the following as pledged collateral:

- a. U. S. Treasury securities;
- b. Obligations of U. S. Government Agencies and Instrumentalities, including letters of credit, which have a liquid market with a readily determinable market value, and exclude those prohibited by the PFCA;
- c. Direct or unconditionally guaranteed obligations of the State of Texas;
- d. States, agencies, counties, cities, or political subdivisions naturally rated “A” or higher.

All collateral shall be subject to inspection and audit by BEDFORD or BEDFORD’s independent auditors.

Securities pledged as collateral shall be held by an independent, third party custodian approved

by BEDFORD. The custodial agreement is to specify the acceptable investment securities as collateral, including provisions relating to possession of the collateral, the substitution or release of investment securities, ownership of securities, and the method of valuation of securities. The agreement must clearly state that the custodian bank is instructed to release purchased and collateral securities to BEDFORD in the event BEDFORD has determined that the financial institution has failed to pay on any matured investments, or has determined that the funds of BEDFORD are in jeopardy for whatever reason, including involuntary closure or change of ownership. A clearly marked evidence of the pledge or legal ownership must be supplied to BEDFORD and retained by BEDFORD.

3. Repurchase Agreements. Repurchase agreements shall be consistent with the PFIA and GFOA Recommended Practices on Repurchase Agreements.

VI. Investment Parameters

1. Diversification. The investments shall be diversified by:

- a. Limiting investments to avoid over concentration in securities from a specific issuer or business sector (where appropriate),
- b. Limiting investment in securities that have higher credit risks,
- c. Investing with varying maturities, and
- d. Continuously investing a portion of the portfolio in readily available funds such as financial institution deposits, local government investment pools, money market funds, or overnight repurchase agreements to ensure that appropriate liquidity is maintained in order to meet ongoing obligations.

2. Maximum Maturities. To the extent possible, BEDFORD shall attempt to match its investments with anticipated cash flow requirements. Unless matched to a specific cash flow, BEDFORD will not directly invest in instruments maturing more than three (3) years from the date of purchase or in accordance with state and local statutes and ordinances. BEDFORD shall adopt weighted average maturity limitations (which often range from 90 days to 3 years), consistent with the investment objectives.

Reserve funds and other funds with longer-term investment horizons may be invested in instruments exceeding three (3) years if the maturity of such investments is made to coincide as nearly as practicable with the expected use of funds. The intent to invest in instruments maturing greater than three (3) years shall be disclosed in writing to the City Council.

Because of inherent difficulties in accurately forecasting cash flow requirements, a portion of the portfolio should be continuously invested in readily available funds such as financial institution deposits, investment pools, money market funds, or overnight repurchase agreements to ensure that appropriate liquidity is maintained to meet ongoing obligations.

3. Competitive Environment. In order to create a competitive pricing environment for each investment transaction, including certificates of deposit, BEDFORD shall solicit quotations from multiple providers.

VII. Reporting.

1. Methods. The Director of Finance shall prepare an investment report, at least quarterly, including a management summary that provides an analysis of the status of the current investment portfolio and transactions made over the last quarter. This management summary will be prepared in a manner, which will allow BEDFORD to ascertain whether investment activities during the reporting period have conformed to the Investment Policy. The report shall be provided to the City Council. The report will comply with the requirements of the PFIA.

In conjunction with the annual audit, the quarterly reports shall be formally reviewed by an independent auditor, and the result of the review shall be reported to the City Council by that auditor.

2. Performance Standards. The investment portfolio will be managed in accordance with the parameters specified within this Policy. The portfolio should obtain a market average rate of return during a market/economic environment of stable interest rates. A series of appropriate benchmarks shall be established against which portfolio performance shall be compared on a regular basis. “Weighted average yield to maturity” shall be the portfolio performance measurement standard.

3. Market Valuation. The market value of the portfolio shall be calculated at least quarterly and a statement of the market value of the portfolio shall be issued at least quarterly. The source of pricing used to calculate market value will be sources independent from the transaction.

4. Credit Rating. Not less than quarterly, the Investment Officers will monitor the credit rating for each held investment that has a PFIA required minimum rating. Any Authorized Investment that requires a minimum rating does not qualify during the period the investment does not have the minimum rating. Prudent measures will be taken to liquidate an investment that is downgraded to less than the required minimum rating.

VIII. Policy Considerations

1. Exemption. Any investment currently held that does not meet the guidelines of this Policy shall be exempted from the requirements of this Policy. At maturity or liquidation, such monies shall be reinvested only as provided by this Policy.

2. Annual Review and Amendments. The City Council shall annually review this Policy and shall adopt a written instrument stating its review and recording any changes. Any changes must be approved by the Investment Committee prior to consideration by the City Council.

IX. Selection of Depositories

1. Request for Application Process. Primary Depositories shall be selected through BEDFORD's banking services procurement process, which shall include a formal Request for Application (RFA) issued in compliance with applicable State law (Chapter 105, State of Texas Local Government Code). This contract can be extended as per the RFA specifications. In selecting primary depositories, the credit worthiness of institutions shall be considered, and the Director of Finance shall conduct a comprehensive review of prospective primary depositories' credit characteristics and financial history.

2. Collateralized Deposits. All depository deposits shall be insured or collateralized in compliance with applicable State law. BEDFORD reserves the right, in its sole discretion, to accept or reject any form of insurance or collateralization pledged towards depository deposits. Financial institutions serving as BEDFORD Depositories will be required to sign a depository agreement with BEDFORD. The collateralized deposit portion of the agreement shall define BEDFORD's rights to the collateral in case of default, bankruptcy, or closing and shall establish a perfected security interest in compliance with Federal and State regulations, including:

- a. The agreement must be in writing;
- b. The agreement has to be executed by the Depository and BEDFORD contemporaneously with the acquisition of the asset;
- c. The agreement must be approved by the Board of Directors or designated committee of the Depository and a copy of the meeting minutes must be delivered to BEDFORD; and
- d. The agreement must be part of the Depository's "official record" continuously since its execution.

X. Investment Strategies

In order to minimize risk of loss due to interest rate fluctuations, investment maturities will not exceed the anticipated cash flow requirements of the funds. Investment guidelines by fund-type are as follows:

1. General, Enterprise, or Operating-type Funds

Suitability - Any investment eligible in the Investment Policy is suitable for General, Enterprise, or Operating-type Funds.

Safety of Principal - All investments shall be of high quality with no perceived default risk. Market price fluctuations will occur. However, managing the weighted average days to maturity of each fund's portfolio to less than 270 days and restricting the maximum allowable maturity to the shorter of the anticipated cash flow requirement or three years will minimize the price volatility of the portfolio.

Marketability - Securities with active and efficient secondary markets are necessary in

the event of an unanticipated cash flow requirement. Historical market “spreads” between the bid and offer prices of a particular security-type of less than ten basis points point will define an efficient secondary market.

Liquidity - General, Enterprise, or Operating-type Funds require the greatest short-term liquidity of any of the fund-types. Financial institution deposits, short-term investment pools and money market mutual funds will provide daily liquidity and may be utilized as a competitive yield alternative to fixed maturity investments.

Diversification - Investment maturities should be staggered throughout the budget cycle to provide cash flow based on the anticipated operating needs of BEDFORD. Diversifying the appropriate maturity structure up to the three-year maximum will reduce interest rate risk.

Yield - Attaining a competitive market yield for comparable investment -types and portfolio restrictions is the desired objective. The yield of an equally weighted, rolling three-month Treasury Bill portfolio will be the minimum yield objective.

2. Special Revenue Funds

Suitability - Any investment eligible in the Investment Policy is suitable for Special Revenue Funds.

Safety of Principal – All investments will be of high quality with no perceived default risk. Market price fluctuations will occur. However, by managing Special Revenue Funds to balance the short-term and long-term anticipated cash flow requirements of the specific revenue/expense plan, the market risk of the Fund’s portfolio will be minimized. No stated final investment maturity shall exceed the shorter of the anticipated cash flow requirement or three years.

Marketability - Balancing short-term and long-term cash flow needs requires the short-term portion of the Funds portfolio to have securities with active and efficient secondary markets. Historical market “spreads” between the bid and offer prices of a particular security-type of less than ten basis points will define an efficient secondary market. Securities with less active and efficient secondary markets are acceptable for the long-term portion of the portfolio.

Liquidity - A portion of the Special Revenue Funds are reasonably predictable. However, unanticipated needs or emergencies may arise. Selecting investment maturities that provide greater cash flow than the anticipated needs will reduce the liquidity risk of unanticipated expenditures.

Diversification - Investment maturities should blend the short-term and long-term cash flow needs to provide adequate liquidity and yield enhancement and stability. A “barbell” maturity ladder may be appropriate.

Yield - Attaining a competitive market yield for comparable investment -types and portfolio structures is the desired objective. The yield of an equally weighted, rolling six-month Treasury Bill portfolio will be the minimum yield objective.

3. Capital Improvement Funds

Suitability - Any investment eligible in the Investment Policy is suitable for Capital Improvement Funds.

Safety of Principal - All investments will be of high quality with no perceived default risk. Market price fluctuations will occur. However, by managing Capital Improvement Funds to not exceed the anticipated expenditure schedule, the market risk of the overall portfolio will be minimized. No stated final investment maturity shall exceed the shorter of the anticipated expenditure schedule or three years.

Marketability - Securities with active and efficient secondary markets are necessary in the event of an unanticipated cash flow requirement. Historical market “spreads” between the bid and offer prices of a particular security-type of less than ten basis points will define an efficient secondary market.

Liquidity - Most capital improvements programs have reasonably predictable draw down schedules. Therefore, investment maturities should generally follow the anticipated cash flow requirements. Financial institution deposits, investment pools and money market mutual funds will provide readily available funds generally equal to one month’s anticipated cash flow needs, or a competitive yield alternative for short-term fixed maturity investments. A singular repurchase agreement may be utilized if disbursements are allowed in the amount necessary to satisfy any expenditure request. This investment structure is commonly referred to as a flexible repurchase agreement.

Diversification - Market conditions and arbitrage regulations influence the attractiveness of staggering the maturity of fixed rate investments for bond proceeds. Generally, if investment rates exceed the applicable cost of borrowing, BEDFORD is best served by locking in most investments. If the cost of borrowing cannot be exceeded, then current market conditions will determine the attractiveness of diversifying maturities or investing in shorter and larger amounts. At no time shall the anticipated expenditure schedule be exceeded in an attempt to bolster yield.

Yield - Achieving a positive spread to the cost of borrowing is the desired objective, within the limits of the Investment Policy’s risk constraints. The yield of an equally weighted, rolling six-month Treasury Bill portfolio will be the minimum yield objective for non-borrowed funds.

4. Debt Service/Interest and Sinking Funds

Suitability - Any investment eligible in the Investment Policy is suitable for Interest and

Sinking Funds.

Safety of Principal - All investments shall be of high quality with no perceived default risk. Market price fluctuations will occur. However, by managing Debt Service Funds to not exceed the debt service payment schedule, the market risk of the overall portfolio will be minimized.

Marketability - Securities with active and efficient secondary markets are not necessary as the event of an unanticipated cash flow requirement is not probable.

Liquidity - Debt Service Funds have predictable payment schedules. Therefore, investment maturities should not exceed the anticipated cash flow requirements. Financial institution deposits, investments pools and money market mutual funds may provide a competitive yield alternative for short-term fixed maturity investments. A singular repurchase agreement may be utilized if disbursements are allowed in the amount necessary to satisfy any debt service payment. This investment structure is commonly referred to as a flexible repurchase agreement.

Diversification - Market conditions influence the attractiveness of fully extending maturity to the next “unfunded” payment date. Generally, if investment rates are anticipated to decrease over time, BEDFORD is best served by locking in most investments. If the interest rates are potentially rising, then investing in shorter and larger amounts may provide advantage. At no time shall the debt service schedule be exceeded in an attempt to bolster yield.

Yield - Attaining a competitive market yield for comparable investment-types and portfolio restrictions is the desired objective. The yield of an equally weighted, rolling three-month Treasury Bill portfolio shall be the minimum yield objective.

5. Debt Service Reserve Funds

Suitability - Any investment eligible in the Investment Policy is suitable for Debt Service Reserve Funds. Bond resolution and loan documentation constraints and insurance company restrictions may create specific considerations in addition to the Investment Policy.

Safety of Principal - All investments shall be of high quality with no perceived default risk. Market price fluctuations will occur. However, by managing Debt Service Reserve Fund maturities to not exceed the call provisions of the borrowing will reduce the investment’s market risk if BEDFORD’s debt is redeemed and the Reserve Fund liquidated. No stated final investment maturity shall exceed the shorter of the final maturity of the borrowing or three years. Annual mark-to-market requirements or specific maturity and average life limitations within the borrowing’s documentation will influence the attractiveness of market risk and influence maturity extension.

Marketability - Securities with less active and efficient secondary markets are acceptable

for Debt Service Reserve Funds.

Liquidity – Debt Service Reserve Funds have no anticipated expenditures. The Funds are deposited to provide annual debt service payment protection to BEDFORD’s debt holders. The funds are “returned” to BEDFORD at the final debt service payment. Market conditions and arbitrage regulation compliance determine the advantage of investment diversification and liquidity. Generally, if investment rates exceed the cost of borrowing, BEDFORD is best served by locking in investment maturities and reducing liquidity. If the borrowing cost cannot be exceeded, then current market conditions will determine the attractiveness of locking in maturities or investing shorter and anticipating future increased yields.

Diversification - Market conditions and the arbitrage regulations influence the attractiveness of staggering the maturity of fixed rate investments for Debt Service Reserve Funds. At no time shall the final debt service payment date of the bond issue be exceeded in an attempt to bolster yield.

Yield - Achieving a positive spread to the applicable borrowing cost is the desired objective. Debt Service Reserve Fund portfolio management shall operate within the limits of the Investment Policy’s risk constraints.

Council Agenda Background

PRESENTER: Paula McPartlin, CGFO, Asst. Finance Director,
Representatives from Valley View Consulting, L.L.C. **DATE:** 09/22/20

Council Mission Area: Demonstrate excellent customer service in an efficient manner.

ITEM:

Consider a resolution of the City Council of the City of Bedford, Texas providing for adoption of a written policy authorizing the City to accept applications to provide primary Depository Bank Services from eligible financial institutions not doing business within the City; and providing an effective date.

City Attorney Review: Yes

SUMMARY:

This item is to approve a resolution allowing the City to accept applications for Depository Services from financial institutions that do not have operating branches within the City.

BACKGROUND:

Chapter 105 of the Texas Local Government Code (LGC) requires that the City solicit for Depository Bank Services at least every five years.

The City is currently in the fifth year of its current contract and is beginning the solicitation process. The City has a limited number of financial institutions that are located within City boundaries that have an interest in and/or the capability to provide the services that are required and have been unable to generate a truly competitive response to the Requests for Applications (RFAs) issued.

Chapter 105 of the LGC grants the City Council the authority to adopt a policy that permits accepting applications from financial institutions that do not have operating branches within the City's municipal boundaries if it is determined that it would enhance the competitive nature of the solicitation and the financial institution maintain a place of business within the state providing the required services of the depository contract.

Out of nine institutions that currently operate within the City, only three have ever submitted applications to serve as the City's Depository. By expanding the eligibility area to include the cities of Hurst, Euless, and Colleyville, the total number of eligible institutions would increase to 25. Eleven of these additional institutions have recently participated in Depository Application solicitations for other local government entities.

Staff is recommending that the City Council approve a resolution to adopt a policy that permits the City to accept applications to provide Depository Services from financial institutions with no operating branches located within the City's municipal boundaries.

Representatives from Valley View Consulting, L.L.C. will provide an overview of this item.

RECOMMENDATION:

Staff recommends the following motion:

Approval of a resolution of the City Council of the City of Bedford, Texas providing for adoption of a written policy authorizing the City to accept applications to provide primary Depository Bank Services from eligible financial institutions not doing business within the City; and providing an effective date.

FISCAL IMPACT:

Resolution
Exhibit A: Policy for Establishment of Primary
Depository Bank Services

RESOLUTION NO. 2020-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS PROVIDING FOR ADOPTION OF A WRITTEN POLICY AUTHORIZING THE CITY TO ACCEPT APPLICATIONS TO PROVIDE PRIMARY DEPOSITORY BANK SERVICES FROM ELIGIBLE FINANCIAL INSTITUTIONS NOT DOING BUSINESS WITHIN THE CITY; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Chapter 105 of the Texas Local Government Code requires the City Council of the City of Bedford to approve and adopt a written policy permitting and providing for the consideration of applications for primary Depository Bank Services from financial institutions without a physical presence within the City if it is in the best interest of the City; and,

WHEREAS, the City Council has determined that it is in the best interest of the City to permit financial institutions not having a physical presence within the City to submit applications to provide primary Depository Bank Services; and,

WHEREAS, the City Council has determined that it is in the best interest of the City to permit financial institutions with a physical presence within the municipal boundaries of Hurst, Euless, Bedford, and Colleyville to submit applications to provide primary Depository Bank Services.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, THAT:

SECTION 1. That the findings above are found to be true and correct, and are incorporated herein.

SECTION 2. That the attached Exhibit "A" written policy of the City of Bedford is approved.

PRESENTED AND PASSED this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

Michael Boyter, Mayor

EXHIBIT "A"

City of Bedford, Texas Policy for Establishment of Primary Depository Bank Services

Pursuant to Section 105.011 of the Texas Local Government Code, the City of Bedford, Texas shall receive applications for performance of primary Depository Bank Services from one or more banks, credit unions, or savings associations. The City Council of the City of Bedford, Texas determines that it is in the best interest of the City to permit the consideration of applications received from a bank, credit union, or savings association that does not have a physical presence within the City.

No applications to provide primary Depository Bank Services shall be accepted from a bank, credit union, or savings association which does not maintain a physical presence within the State of Texas.

Hi Michael,

I would like to be added to the City Council Agenda for 9/22/20 under Persons to be Heard. The topic of my address to the Council will be "BEDFORD NEEDS A DESTINATION Part 3." I plan to attend in person and will be wearing a mask. Based on the current situation with Covid are there any other procedural changes that I need to know? If you have any questions please feel to contact me at 817-685-0400.. Thanks so much.

Roger

Council Agenda Background

PRESENTER: Stephanie Ayers, Human Resources Director **DATE:** 09/22/20

Council Mission Area: Be responsive to the needs of the community.

ITEM:

Consider an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, “Updated Service Credits” in said system on an annual basis for service performed by qualifying members of such system who at the effective date of the allowance are members of the City of Bedford; providing for increased prior and current service annuities for retirees and beneficiaries of deceased retirees of the City; providing for participation of the City in the supplemental death benefits fund of the Texas Municipal Retirement System, to provide certain in-service death benefits for employees of the City and, establishing an effective date.

City Attorney Review: Yes

SUMMARY:

This item is to approve adding additional benefits to the Texas Municipal Retirement System (TMRS) retirement plan. This item was tabled at the September 8, 2020 regular meeting.

BACKGROUND:

Human Resources Director Stephanie Ayers will present to the City Council the additional benefits requested to be added to the TMRS retirement plan for City of Bedford employees effective January 1, 2021. These additional benefits are:

- 50% Updated Service Credit (USC), including transfers, annually repeating
- 70% of CPI Increase to Annuitants, ad hoc (one time only) basis
- Supplemental Death Benefits for Active Employees

By adopting this ordinance, the City will not have to re-authorize calculation of Updated Service Credit each year and these benefits will remain in effect for future years until such time it is discontinued by an ordinance adopted by the City Council. The CPI (Annuity Increase) portion of the ordinance provides for the adoption of this benefit on an ad hoc (one time only) basis.

The Supplemental Death Benefits provision states that if an employee dies while employed with the City, TMRS will pay his/her designated beneficiary or estate a benefit approximately equal to their current annual salary, in addition to any retirement benefits that are due.

During the budget work session, staff recommended a TMRS contribution of 16.25% based on a one-time USC. Since then, it was determined that an annually repeating USC lowers the contribution rate by a slight margin.

If approved, the City’s full contribution rate for 2021 will be 15.81%; however, staff recommends keeping the contribution rate at 16.25% to increase the funding ratio of the plan.

RECOMMENDATION:

Staff recommends the following motion:

Approval of an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, "Updated Service Credits" in said system on an annual basis for service performed by qualifying members of such system who at the effective date of the allowance are members of the City of Bedford; providing for increased prior and current service annuities for retirees and beneficiaries of deceased retirees of the City; providing for participation of the City in the supplemental death benefits fund of the Texas Municipal Retirement System, to provide certain in-service death benefits for employees of the City and, establishing an effective date.

FISCAL IMPACT:

Funding amount included in the approved FY20/21 budget.

Ordinance
Plan Change Study

ORDINANCE NO. 2020-

AN ORDINANCE AUTHORIZING AND ALLOWING, UNDER THE ACT GOVERNING THE TEXAS MUNICIPAL RETIREMENT SYSTEM, "UPDATED SERVICE CREDITS" IN SAID SYSTEM ON AN ANNUAL BASIS FOR SERVICE PERFORMED BY QUALIFYING MEMBERS OF SUCH SYSTEM WHO AT THE EFFECTIVE DATE OF THE ALLOWANCE ARE MEMBERS OF THE CITY OF BEDFORD; PROVIDING FOR INCREASED PRIOR AND CURRENT SERVICE ANNUITIES FOR RETIREES AND BENEFICIARIES OF DECEASED RETIREES OF THE CITY; PROVIDING FOR PARTICIPATION OF THE CITY IN THE SUPPLEMENTAL DEATH BENEFITS FUND OF THE TEXAS MUNICIPAL RETIREMENT SYSTEM, TO PROVIDE CERTAIN IN-SERVICE DEATH BENEFITS FOR EMPLOYEES OF THE CITY; AND, ESTABLISHING AN EFFECTIVE DATE FOR THE ORDINANCE.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

SECTION 1. Authorization of Updated Service Credits.

- (a) On the terms and conditions set out in Sections 853.401 through 853.404 of Subtitle G of Title 8, Government Code, as amended, (hereinafter referred to as the "TMRS Act"), each member of the Texas Municipal Retirement System (hereinafter referred to as the "System") who has current service credit or prior service credit in the System in force and effect on the 1st day of January of the calendar year preceding such allowance, by reason of service in the employment of the City (hereinafter called the "City") and on such date had at least 36 months of credited service with the System, shall be and is hereby allowed "Updated Service Credit" (as that term is defined in subsection (d) of Section 853.402 of the TMRS Act).
- (b) On the terms and conditions set out in Section 853.601 of the TMRS Act, any member of the System who is eligible for Updated Service Credits on the basis of service with this City, who has unforfeited credit for prior service and/or current service with another participating municipality or municipalities by reason of previous service, and was a contributing member on the 1st day of January of the calendar year preceding such allowance shall be credited with Updated Service Credits pursuant to, calculated in accordance with, and subject to adjustment as set forth in said Section 853.601, both as to the initial grant thereunder and all future grants under this ordinance.
- (c) The Updated Service Credit hereby allowed and provided for shall be 50% of the "Base Updated Service Credit" of the member (calculated as provided in subsection (c) of Section 853.402 of the TMRS Act).
- (d) Each Updated Service Credit allowed hereunder shall replace any Updated Service Credit, prior service credit, special prior service credit, or antecedent service credit previously authorized for part of the same service.
- (e) The initial allowance of Updated Service Credit hereunder shall be effective on January 1, 2021, subject to approval by the Board of Trustees of the System. An allowance shall be made hereunder on January 1 of each subsequent year until this ordinance ceases to be in effect under subsection (e) of Section 853.404 of the TMRS Act, provided that, as to such subsequent year, the actuary for the System has made the determination set forth in subsection (d) of Section 853.404 of the TMRS Act.

SECTION 2. Increase in Retirement Annuities.

- (a) On the terms and conditions set out in Section 854.203 of Subtitle G of Title 8, Government Code, as amended (hereinafter referred to as the "TMRS Act"), the City hereby elects to allow and to provide for payment of the increases below stated in monthly benefits payable by the System to retired employees and to beneficiaries of deceased employees of the City under current service

ORDINANCE NO. 2020-

annuities and prior service annuities arising from service by such employees to the City. An annuity increased under this section replaces any annuity or increased annuity previously granted to the same person.

- (b) The amount of the annuity increase under this section is computed as the sum of the prior service and current service annuities on the effective date of retirement of the person on whose service the annuities are based, multiplied by 70% of the percentage change in Consumer Price Index for All Urban Consumers, from December of the year immediately preceding the effective date of the person's retirement to the December that is 13 months before the effective date of the increase under this Section.
- (c) An increase in an annuity that was reduced because of an option selection is reducible in the same proportion and in the same manner that the original annuity was reduced.
- (d) If a computation hereunder does not result in an increase in the amount of an annuity, the amount of the annuity will not be changed hereunder.
- (e) The amount by which an increase under this Section exceeds all previously granted increases to an annuitant is an obligation of the City and of its account in the Benefit Accumulation Fund of the System.
- (f) Subject to approval by the Board of Trustees of the System, this Increase in Retirement Annuities shall be and become effective on the 1st day of January 2021.

SECTION 3. Adoption of Certain In-Service Death Benefits for Employees of the City:

- (a) That the City hereby elects to participate in the Supplemental Death Benefits Fund of the Texas Municipal Retirement System for the purpose of providing in-service death benefits for each of the City's employees who are members of said System, in the amounts and on the terms provided for in Sections 852.004, 854.601 through 854.605, 855.314, 855.408, and 855.502 of Title 8 of the Government Code.
- (b) The City is hereby authorized and directed to notify the Director of the System of adoption of this ordinance, and of the participation of the City in said Fund.
- (c) Participation of the above mentioned employees in the Supplemental Death Benefits Fund shall be effective on the 1st day of January, 2021.

SECTION 4. Effective Date. Subject to approval by the Board of Trustees of the System, this ordinance shall be and become effective on the 1st day of January 2021.

PRESENTED AND PASSED this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

Council Agenda Background

PRESENTER: Stephanie Ayers, Human Resources Director **DATE:** 09/22/20

Council Mission Area: Be responsive to the needs of the community.

ITEM:

Consider an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, “Restricted Prior Service Credit” to employees who are members of the system for service previously performed for various other public entities for which they have not received credited service; and establishing an effective date.

City Attorney Review: Yes

SUMMARY:

This item is to allow Bedford employees to receive Restricted Prior Service Credit for services previously performed with other qualifying entities. This item was tabled at the September 8, 2020 regular meeting.

BACKGROUND:

Human Resources Director Stephanie Ayers will present an ordinance to allow Bedford employees to receive Restricted Prior Service Credit for services previously performed with other qualifying entities.

Qualifying entities included in Restricted Prior Service Credit are:

- A public authority or agency created by the United States.
- Any state or territory of the United States.
- Any political subdivision of any state of the United States.
- Any public agency or authority created by a state or territory of the United States.
- Previously forfeited service with one of the five statewide retirement systems in Texas (Texas Municipal Retirement System, Texas County and District Retirement System, Teacher Retirement System of Texas, Employees Retirement System of Texas, Judicial Retirement System of Texas).
- Any institution of higher education at which the person commissioned as a campus security personnel employee.

This credit is used to satisfy length of service requirements for “vesting” and service retirement eligibility; it has no monetary value. The City’s contribution rate will not be immediately affected by the adoption of this provision. Because Restricted Prior Service Credit allows employees time credit for vesting and retirement eligibility requirements, it can have an impact on the City’s contribution rate in future years as employees apply for the credits; however, any such rate increase is generally expected to be very slight in any given year, depending upon the amount of service credit added.

RECOMMENDATION:

Staff recommends the following motion:

Approval of an ordinance authorizing and allowing, under the act governing the Texas Municipal Retirement System, "Restricted Prior Service Credit" to employees who are members of the system for service previously performed for various other public entities for which they have not received credited service; and establishing an effective date.

FISCAL IMPACT:

Ordinance

ORDINANCE NO. 2020-

AN ORDINANCE AUTHORIZING AND ALLOWING, UNDER THE ACT GOVERNING THE TEXAS MUNICIPAL RETIREMENT SYSTEM, "RESTRICTED PRIOR SERVICE CREDIT" TO EMPLOYEES WHO ARE MEMBERS OF THE SYSTEM FOR SERVICE PREVIOUSLY PERFORMED FOR VARIOUS OTHER PUBLIC ENTITIES FOR WHICH THEY HAVE NOT RECEIVED CREDITED SERVICE; AND ESTABLISHING AN EFFECTIVE DATE FOR THE ORDINANCE.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

SECTION 1. Authorization of Restricted Prior Service Credit.

- (a) On the terms and conditions set out in Sections 853.305 of Subtitle G of Title 8, Texas Government Code, as amended (hereinafter referred to as the "TMRS Act"), each member of the Texas Municipal Retirement System (hereinafter referred to as the "System") who is now or who hereafter becomes an employee of this City shall receive "Restricted Prior Service Credit" for service previously performed as an employee of any of the entities described in said Section 853.305 provided that (1) the person does not otherwise have credited service in the System for that service, and (2) the service meets the requirements of said Section 853.305.
- (b) The service credit hereby granted may be used only to satisfy length-of-service requirements for retirement eligibility, has no monetary value in computing the annuity payments allowable to the member, and may not be used in other computations, including computation of Updated Service Credits.
- (c) A member seeking to establish "Restricted Prior Service Credit" under this ordinance must take the action required under said Section 853.305 while still an employee of this City.

SECTION 2. This ordinance shall become effective on the first day of January, 2021.

PRESENTED AND PASSED this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

Michael Boyter, Mayor

ATTEST:

Michael Wells, City Secretary

APPROVED AS TO FORM:

Stan Lowry, City Attorney

Council Agenda Background

PRESENTER: Meg Jakubik, C.G.F.O., Strategic Services Manager

DATE: 09/22/20

Council Mission Area: Demonstrate excellent customer service in an efficient manner.

ITEM:

Consider an ordinance amending the City of Bedford Code of Ordinances Appendix A – Schedule of Fees, by updating fees imposed by the City; containing a savings clause; repealing all ordinances in conflict herewith; and providing for an effective date.

City Attorney Review: N/A

SUMMARY:

Each year, staff reviews the Fee Ordinance to ensure that all fees reflect the cost to provide the applicable services and are appropriate to current practices.

BACKGROUND:

After review of each area's fees and associated costs, staff is recommending the following list of changes to the fee ordinance. Typos and titles have also been corrected for clarity. Page numbers refer to the red-line version of the ordinance.

Engineering

- Revised the table for Grading Permits (pg. 1) to be in line with other municipalities and for ease of calculation.
- Added a fee for Floodplain Development Permit (pg. 1) to be in line with other municipalities.

Planning & Zoning

- Reduced the annual fee for Mobile Food Units (pg. 3) to \$100 to be more in line with market.
- Reduced the one-day Mobile Food Unit Permit (pg. 3) to \$25 to be more in line with market.

Fire Department

- Removed fees for reports (pg. 11) as the Department does not charge for reports.
- Adjusted the After Hours Inspections fees (pg. 11) to \$130.00 for the first two hours and specified that the additional hours are \$65.00 per inspector to recover actual costs when more than one inspector is out.
- Increased the minimum hours for Special Event Stand-by (pg. 14) from three to four hours based on typical time spent for stand-by events.

Library

- Elimination of Overdue Fines (pg. 15) to become a "fine-free" library.
- Adjust Library Room Rental Fees (pg. 16) to eliminate hourly rentals and institute half day and all-day rental options for the Community Meeting Room.

Old Bedford School

- Added fees to rent the outdoor space (pg. 17) at the Old Bedford School.

Police Department

- Add fee for Solicitor Vest (pg. 19) to cover cost of vests.

Recreation

- Remove fees for rental of pavilions in Generations Park (pg. 20) due to park closure.
- Added fees for rental of pavilion at Stormie Jones (pg. 20-21).
- Remove fees for Bedford Splash (pg. 21) due to park closure.
- Increase fee for Roy Savage Pool (pg. 21) from \$1.00 to \$2.00 per person.
- Remove fees for Gym rentals (pg. 22) at the Boys Ranch Activity Center due to building closure.
- Remove fees for Room rentals (pg. 23) at the Boys Ranch Activity Center due to building closure.
- Remove fees for Hockey Rink rentals (pg. 23) in Generations Park due to park closure.
- Add fee for Ceramic activities (pg. 23).
- Remove fees for Adult Water Walking and River Robics (pg. 24) classes.
- Remove Cat and Dog First Aid fees (pg. 24).

Street Department

- Adjusted fees for replacement of barricade parts (pg. 26) to reflect increased costs.

Water Department

- Increased Water Tie-In Fee (pg. 28) for all meter sizes to reflect increase cost of copper.
- Increased costs for 1 ½ and 2 inch Residential Meter fees (pg. 28) to reflect increased costs.
- Added late fee for Grease Trap/Interceptor Permit (pg. 29) to account for administrative costs.

RECOMMENDATION:

Staff recommends the following motion:

Approval of an ordinance amending the City of Bedford Code of Ordinances Appendix A – Schedule of Fees, by updating fees imposed by the City; containing a savings clause; repealing all ordinances in conflict herewith; and providing for an effective date.

FISCAL IMPACT:

Revenue impacts are incorporated into the upcoming FY 2020-2021 budget.

SECTION 2. This Ordinance shall be and is hereby declared to be cumulative of all other Ordinances of the City of Bedford, and this Ordinance shall not operate to repeal or affect the Code of Ordinances of the City of Bedford or any Ordinances except insofar as the provisions thereof might be inconsistent or in conflict with the provisions of this Ordinance, in which event such conflicting provisions, if any, in such Code or Ordinance are hereby repealed.

SECTION 3. That should any provision of this Ordinance be held invalid or unconstitutional, the remainder of such Ordinance shall not be deemed to effect the validity of any other provision of said Ordinance.

SECTION 4. That this ordinance shall take effect immediately from and after its passage and publication in accordance with the laws of the State of Texas and the Charter of the City of Bedford.

PRESENTED AND PASSED on this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

Michael Boyter, Mayor

ATTEST:

Michael Wells, City Secretary

APPROVED AS TO FORM:

Stan Lowry, City Attorney

ORDINANCE NO. 2020-

ATTEST:

ORDINANCE NO. 2020-

Michael Wells, City Secretary

APPROVED AS TO FORM:

Stan Lowry, City Attorney

Council Agenda Background

PRESENTER: Maria Joyner, CPA, Director of Finance

DATE: 09/22/20

Council Mission Area: Be responsive to the needs of the community.

ITEM:

Consider an ordinance amending the schedule of water rates by amendment of Section 1., Ordinance No. 19-3264; providing a repealing clause; providing a severability clause; and declaring an effective date.

City Attorney Review: N/A

SUMMARY:

This item is to adopt changes in the Water Rates as discussed during the FY 2020-2021 Budget Work Session on August 1, 2020, and during the City Council Work Session on September 22, 2020.

BACKGROUND:

As discussed during the Budget Work Session on August 1, 2020, and during the City Council Work Session September 22, 2020, the Trinity River Authority (TRA) notified the City that the cost for water will be increasing in their next budget, beginning December 1, 2020.

In prior budget processes, the City Council was of the consensus to pass through TRA increases each year to ensure adequate cost recovery for water purchase expenses. This represents an increase of \$0.06 per 1,000 gallons. The City of Bedford is proposing to pass through the increase in the TRA volume rates, thus amending the total volume rate from \$4.24 to \$4.30 per 1,000 gallons.

Using a summer bill, the average impact on a residential user of the change in the water rate is \$0.7400 monthly. The average impact on a residential user of the change in both the water rate and the wastewater rate is \$0.8100.

The decision packages provided by the consultant, NewGen Strategies & Solution, LLC, are summarized below:

- Decision Package #1: Adjust Revenues for TRA Pass Through
- Decision Package #2: Adjust Revenues for TRA Pass Through and Capital Investment
- Decision Package #3: Smooth Revenue Adjustment (FY 2021-2024)
- Decision Package #4: TRA Pass Through (FY 2021) & Smooth Revenue Adjustment in FY 2022-2024

The proposed increase in the water rates is based on Decision Package #4 and is necessary to ensure the City is collecting enough revenue to coincide with the expense increase from TRA. Based on Decision Package #4, the new rates will be applied to all water billed on or after January 1, 2021 to allow time to advertise the change and to coincide with the timing of the actual increase from TRA.

RECOMMENDATION:

Staff recommends the following motion:

Approval of an ordinance amending the schedule of water rates based on Decision Package # _____ by amendment of Section 1., Ordinance No. 19-3264; providing a repealing clause; providing a severability clause; and declaring an effective date.

FISCAL IMPACT:

The actual impact will vary depending on consumption, but was factored into the adopted revenue budget for Fiscal Year 2020-2021.

ATTACHMENTS:

Ordinance

ORDINANCE NO. 2020-

AN ORDINANCE AMENDING THE SCHEDULE OF WATER RATES BY AMENDMENT OF SECTION 1., ORDINANCE NO. 19-3264; PROVIDING A REPEALING CLAUSE; PROVIDING A SEVERABILITY CLAUSE; AND DECLARING AN EFFECTIVE DATE.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

SECTION 1. That Ordinance 19-3264, Section 1., SCHEDULE OF WATER RATES is hereby amended to read as follows:

“WATER RATES”

A schedule of monthly rates and charges for water service furnished by the City’s Waterworks System shall be and is hereby adopted and established as follows:

(a) With the exception of multi-family dwellings, the minimum charge for various size meters per month shall be:

		<u>Base Rates</u>
1)	5/8 or ¾” meter	\$ 19.56
2)	5/8 or ¾” meter (65 & over)	\$ 17.78
3)	1” meter	\$ 37.97
4)	1” meter (65 & over)	\$ 35.57
5)	1 ½” meter	\$ 78.23
6)	2” meter	\$ 125.23
7)	3” meter	\$ 234.80
8)	4” meter	\$ 375.73
9)	6” meter	\$ 1,408.96
10)	6” Fire Hydrant meter	\$ 207.24

(b) The water charges inside the City limits shall be:

1)	Minimum charge per month in (a) above.		
2)	All water used per month:	<u>New Rate</u> \$4.30/ 1,000 gal.	<u>Old Rate</u> \$4.24/ 1,000 gal.

(c) The water charges outside the City limits – Single Family and Commercial, Duplex, and Multifamily rates, shall be:

1) Twice the amount as charged to a like resident of the City.

SECTION 2. That this ordinance shall be and is hereby declared to be cumulative of all other ordinances of the City of Bedford, and shall not operate to repeal or affect any of such other ordinance except insofar as the provisions thereof might be inconsistent or in conflict with the provisions of this ordinance, in which event such conflicting provisions, if any, in such other ordinance or ordinances are hereby repealed.

SECTION 3. That if any provision of this ordinance shall be held to be invalid or unconstitutional, the remainder of such ordinance shall not be deemed to affect the validity of any other section or provisions of said ordinance.

ORDINANCE NO. 2020-

SECTION 4. That this ordinance shall become effective with all water billed on or after January 1, 2021.

PRESENTED AND PASSED this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

ITEM:

Consider an ordinance amending the schedule of sewer rates by amendment of Section 1., Ordinance No. 19-3265; providing a repealing clause; providing a severability clause; and declaring an effective date.

City Attorney Review: N/A

SUMMARY:

This item is to adopt changes in the Sewer Rates as discussed during the FY 2020-2021 Budget Work Session on August 1, 2020, and during the City Council Work Session on September 22, 2020.

BACKGROUND:

As discussed during the Budget Work Session on August 1, 2020, and during the City Council Work Session September 22, 2020, the Trinity River Authority (TRA) notified the City that the cost for wastewater treatment will be increasing in their next budget, beginning December 1, 2020.

In prior budget processes, the City Council was of the consensus to pass through TRA increases each year to ensure adequate cost recovery for water purchase expenses. This represents an increase of \$0.01 per 1,000 gallons. The City of Bedford is proposing to pass through the increase in the TRA volume rates, thus amending the total volume rate from \$3.42 to \$3.43 per 1,000 gallons.

Using a summer bill, the average impact on a residential user of the change in the wastewater rate is \$0.06 monthly. The average impact on a residential user of the change in both the water rate and the wastewater rate is \$0.81.

The decision packages provided by the consultant, NewGen Strategies & Solution, LLC, are summarized below:

- Decision Package #1: Adjust Revenues for TRA Pass Through
- Decision Package #2: Adjust Revenues for TRA Pass Through and Capital Investment
- Decision Package #3: Smooth Revenue Adjustment (FY 2021-2024)
- Decision Package #4: TRA Pass Through (FY 2021) & Smooth Revenue Adjustment in FY 2022-2024

The proposed increase in the water rates is based on Decision Package #4 and is necessary to ensure the City is collecting enough revenue to coincide with the expense increase from TRA. The new rates will be applied to all wastewater billed on or after January 1, 2021 to allow time to advertise the change and to coincide with the timing of the actual increase from TRA.

RECOMMENDATION:

Staff recommends the following motion:

Approval of an ordinance amending the schedule of sewer rates based on Decision Package #_____ by amendment of Section 1., Ordinance No. 19-3265; providing a repealing clause; providing a severability clause; and declaring an effective date.

FISCAL IMPACT:

The actual impact will vary depending on consumption, but was factored into the adopted revenue budget for Fiscal Year 2020-2021.

ATTACHMENTS:

Ordinance

ORDINANCE NO. 2020-

AN ORDINANCE AMENDING THE SCHEDULE OF SEWER RATES BY AMENDMENT OF SECTION 1., ORDINANCE NO. 19-3265; PROVIDING A REPEALING CLAUSE; PROVIDING A SEVERABILITY CLAUSE; AND DECLARING AN EFFECTIVE DATE.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

SECTION 1. That Ordinance 19-3265, Section 1., SCHEDULE OF SEWER RATES is hereby amended to read as follows:

“SEWER RATES”

A schedule of monthly rates and charges for sewer service furnished by the City’s Waterworks and Sewer System shall be and is hereby adopted and established as follows:

(a) With the exception of multi-family dwellings, the minimum charge for various size meters per month shall be:

	<u>Base Rates</u>
1) 5/8 or 3/4” meter	\$ 12.76
2) 5/8 or 3/4” meter (65 & over)	\$ 11.57
3) 1” meter	\$ 19.15
4) 1” meter (65 & over)	\$ 17.41
5) 1 1/2” meter	\$ 29.86
6) 2” meter	\$ 42.68
7) 3” meter	\$ 76.85
8) 4” meter	\$ 115.38
9) 6” meter	\$ 222.32

(b) A monthly volume charge shall also be charged to all customers in an amount per 1,000 gallons of water used, or wastewater produced, as more specifically set forth hereinafter:

<u>New Rate</u>	<u>Old Rate</u>
\$3.43/ 1,000 gal.	\$3.42/1,000 gal.

1) The monthly volume charges for Residential Class customers will be based on the individual customers average monthly water billed during the preceding Winter quarter months of December, January and February; but in no event shall the volume used to compute this monthly charge exceed 12,000 gallons. The volumes used to compute these charges are based on the amount of water used by the Residential Class customer as measured by the meter. Where no preceding winter quarter average is available from records, the Administrative Services Director shall estimate a volume to be used for this monthly volume charge, such estimated volume not to exceed 12,000 gallons.

(c) A monthly service charge shall also be charged to all customers in the amount of \$12.76 per unit for multi-family residence occupancy. And a monthly volume charge shall also be charged to all multi-family residences per unit in the amount of \$3.43 per 1,000 gallons of water used, or wastewater produced, as more specifically set forth hereinafter.

(d) The monthly charges to Commercial and Industrial Class customers will be based on total water use as measured by appropriate meters, with the provision that if a customer can show to the satisfaction of the Director of Public Works that a significant portion of the metered water usage does not enter the sanitary sewers, the customer will be charged for only that volume entering the sewers, as determined by a method approved by the Director of Public Works.

ORDINANCE NO. 2020-

- (e) The Director of Public Works shall establish a Monitored Group Class, consisting of those customers whose wastewater strength is, in the Director’s judgment, abnormally high or low, and charges to customers in this class shall be computed in accord with the following five-part rate schedule:

“MONITORED GROUP”

Table with 2 columns: Charge Type and Rate. Rows include Customer Monthly Service Charge, Volume Charge, B.O.D. Strength Charge, Suspended Solids Strength Charge, and Monitoring Charge.

The monitoring charge shall consist of all costs for personnel, material, and equipment used to collect and analyze samples from the customer wastewater to determine the strength of the wastewater produced.

The monitored customer's wastewater shall be tested a minimum of once per year, but may be tested on a more frequent basis if deemed necessary by the Director of Public Works, or if the monitored customer requests more frequent testing.

This schedule shall replace all other charges previously made for industrial waste strength.

SECTION 2. That this ordinance shall be and is hereby declared to be cumulative of all other ordinances of the City of Bedford, and shall not operate to repeal or affect any of such other ordinance except insofar as the provisions thereof might be inconsistent or in conflict with the provisions of this ordinance, in which event such conflicting provisions, if any, in such other ordinance or ordinances are hereby repealed.

SECTION 3. That if any provision of this ordinance shall be held to be invalid or unconstitutional, the remainder of such ordinance shall not be deemed to affect the validity of any other section or provisions of said ordinance.

SECTION 4. That this ordinance shall become effective with all water billed on or after January 1, 2021.

PRESENTED AND PASSED this 22nd day of September 2020, by a vote of ___ ayes, ___ nays and ___ abstentions, at a regular meeting of the City Council of the City of Bedford, Texas.

APPROVED AS TO FORM:

Stan Lowry, City Attorney

Council Agenda Background

PRESENTER: Kelly Snook, Capital Projects Director

DATE: 09/22/20

Council Mission Area: Be responsive to the needs of the community.

ITEM:

Consider a resolution authorizing the City Manager to enter into a contract amendment with Steele & Freeman, Inc. for Construction Manager at Risk services in the amount of \$58,567,435.

City Attorney Review: Yes

SUMMARY:

This item is to approve an amended contract with Steele & Freeman, Inc. for Construction Manager at Risk services for Generations Park.

BACKGROUND:

On November 6, 2017, Bedford voters passed the General Obligation Parks Bond for \$70 Million, funding the next phase of construction at the Boys Ranch Park. Council voted in June 2019 to allocate a total of \$64.5 million towards the construction of the Boys Ranch-Phase Next and \$5.5 million towards the design and construction of a visual and performing arts center.

In June 2019, Steele & Freeman, Inc. (SFI) was selected and awarded a contract for Construction Manager at Risk (CMAR), for construction services for Phase Next. These improvements include a new recreation center, including two basketball courts, indoor aquatics facility, indoor track and fitness facilities, office and conference space, as well as multiple meeting and community rooms. Outdoor facilities include a large aquatic facility, baseball complex with restrooms, concessions and three fields, a large special events field with two equipped outdoor stages, a restroom building, and open multipurpose fields, as well as parking and sidewalk improvements.

This contract has a 24-month proposed contract completion with a start date pending an executed contract, Notice to Proceed and approved demolition permits. The start date is anticipated to be within the first two weeks of October 2020.

The CMAR is submitting the Amendment to the construction contract with a final proposed Guaranteed Maximum Amount (GMP) of \$58,567,435 and a contract duration of 24 months. Below is the funding breakdown for the project:

Arts and Entertainment – GO Taxable Bond Funds	\$5,500,000.00
Interest to Date – 2019 GO Taxable Bond Funds	<u>\$60,477.00</u>
	\$5,560,477.00

PRELIMINARY COST ESTIMATE

Funds Available

Phase Next GO Bond Funds	\$64,500,000.00
Interest To Date - 2018 GO	\$3,044,003.00
Interest To Date - 2019 GO	<u>\$51,768.00</u>
	\$67,595,771.00

Anticipated Costs

Consultant Fees	\$6,183,127.00
Asbestos Abatement	\$129,640.22
Land Acquisition	\$705,364.00

Furniture, Fixtures and Equipment	\$1,704,831.00
Storage Building	\$241,680.00
Contingency (Storage Building) 20%	<u>\$48,336.00</u>
	\$67,580,413.22

Balance Remaining (for contingency): **\$15,357.78**

Anticipated Next Steps:

September 21, 2020:

- Construction (sitework) of storage building begins

September 23, 2020:

- City of Bedford Signs GMP Amendment
- SFI submits demolition permit to the State (10 day turn around)
- SFI begins installing fencing, signage, and Stormwater Pollution Prevention
- SFI begins mobilization on-site
- Bedford Fire Department and Bedford Police Department continue training in structures
- Parks Division continues relocation of property to temporary storage

Week of October 5, 2020:

- Forms set for storage building
- Contract start - Park officially closed to public
- Groundbreaking Ceremony

Week of October 12, 2020:

- Police and Fire Department training concludes
- Demolition begins - Phase Next project facilities

November 2020:

- Storage building is erected

December 2020:

- Storage building is complete
- Parks Division moves into new storage facility

RECOMMENDATION:

Staff recommends the following motion:

Approval of a resolution authorizing the City Manager to enter into a contract amendment with Steele & Freeman, Inc. for Construction Manager at Risk services in the amount of \$58,567,435.

FISCAL IMPACT:

Series 2018 GO Bonds: \$58,567,435

ATTACHMENTS:

Resolution
Amended Contract

RESOLUTION NO. 2020-

A RESOLUTION AUTHORIZING THE CITY MANAGER TO ENTER INTO A CONTRACT AMENDMENT WITH STEELE & FREEMAN, INC. FOR CONSTRUCTION MANAGER AT RISK SERVICES IN THE AMOUNT OF \$58,567,435.

WHEREAS, the City Council of Bedford, Texas determines the necessity to amend the Contract Manager at Risk contract with Steele & Freeman, Inc., for the construction of site and architectural facilities in Generations Park; and,

WHEREAS, Steele and Freeman, Inc. is the contracted Construction Manager at Risk for the City of Bedford to provide construction services in accordance with the plans and specifications for Phase Next: Generations Park and the Center project; and,

WHEREAS, the City Council of Bedford, Texas to authorize the City Manager to enter into an amended Contract Manager at Risk contract for the construction of Generations Park facilities with Steele & Freeman, Inc. for a total cost of \$58,567,435.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BEDFORD, TEXAS:

SECTION 1. That the findings above are found to be true and correct and are incorporated herein.

SECTION 2. That the City Council does hereby authorize the City Manager to amend the Construction Manager at Risk contract for construction services for site work and architecture at Generations Park.

SECTION 3. That the total cost of the construction services is in the amount of \$58,567,435.

SECTION 4. That the funding of \$58,567,435 will come from the Series 2018 GO Bonds.

THE CONSTRUCTION MANAGER:

(Name, legal status and address)

Steele & Freeman, Inc.
1301 Lawson Road
Fort Worth, Texas 76131

ARTICLE A.1

§ A.1.1 Guaranteed Maximum Price

Pursuant to Section 2.2.6 of the Agreement, the Owner and Construction Manager hereby amend the Agreement to establish a Guaranteed Maximum Price. As agreed by the Owner and Construction Manager, the Guaranteed Maximum Price is an amount that the Contract Sum shall not exceed. The Contract Sum consists of the Construction Manager’s Fee plus the Cost of the Work, as that term is defined in Article 6 of this Agreement.

§ A.1.1.1 The Contract Sum is guaranteed by the Construction Manager not to exceed Fifty-Eight Million, Five Hundred Sixty-Seven Thousand, Four Hundred and Thirty-Five Dollars and Zero Cents. (\$ 58,567,435), subject to additions and deductions by Change Order as provided in the Contract Documents.

§ A.1.1.2 Itemized Statement of the Guaranteed Maximum Price. Provided below is an itemized statement of the Guaranteed Maximum Price organized by trade categories, allowances, contingencies, alternates, the Construction Manager’s Fee, and other items that comprise the Guaranteed Maximum Price.
(Provide below or reference an attachment.)

Reference Exhibit "H" Guaranteed Maximum Price, 14 pages, dated September 14th, 2020

§ A.1.1.3 The Guaranteed Maximum Price is based on the following alternates, if any, which are described in the Contract Documents and are hereby accepted by the Owner:
(State the numbers or other identification of accepted alternates. If the Contract Documents permit the Owner to accept other alternates subsequent to the execution of this Amendment, attach a schedule of such other alternates showing the amount for each and the date when the amount expires.)

ADDITIONS AND DELETIONS:

The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An *Additions and Deletions Report* that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text.

This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.

AIA Document A201™–2007, General Conditions of the Contract for Construction, is adopted in this document by reference. Do not use with other general conditions unless this document is modified.

Fort Worth, TX 76137

SFI Job No.: 5203.006

List of Clarifications, Qualifications and Assumptions

Div 01

General Requirements

- 1 We have excluded state sales tax on materials.
- 2 We have excluded telephone and radio equipment.
- 3 We have excluded tap, impact & meter fees as directed.
- 4 The Building Permit cost has been excluded.
- 5 We have excluded materials testing and special inspections.
- 6 It is assumed that the contract documents have been thoroughly reviewed to meet Federal, state and local codes.
- 7 We exclude all seismic requirements referenced in the specifications due to the Project's location in Bedford TX does not require any Seismic consideration.
- 8 Schedule does not account for weather delays; therefore, any weather events will have a day-for-day impact on the schedule.
- 9 Owner will remove salvage items prior to start of demolition work.
- 10 We have excluded asbestos / hazardous material abatement
- 11 We have excluded a submittal schedule.
- 12 We have excluded recovery schedules.
- 13 Deposits required in advance to procure materials will be included on the pay application within the same pay period in which payment is due for deposit to the subcontractors / suppliers.
- 14 Materials that are stored onsite or stored at subcontractor's warehouse will be included on pay applications. Invoices and photos of stored materials will be provided upon request.
- 15 The construction contingency is for the Construction Manager's exclusive use to cover those costs considered reimbursable as the Cost of the Work but not included in a Change Order. All construction contingency expenditures will be documented monthly with each application for payment.
- 16 This project is not a LEED project, therefor VOC Content Restriction and Commissioning is excluded.
- 17 Video of recorded training will be provided on a thumb drive in lieu of a DVD Disc.
- 18 Temporary Environmental Controls, Flush Out & Air contaminant testing is not included in this scope of work.
- 19 Testing Laboratory Services shall be provided by the owner and is excluded from this scope of work.
- 20 SFI will provide access to TEAM for project documentation.
- 21 The general conditions fee is included for 24 months as submitted in the original RFP in lieu of the anticipated 18 months due to the final civil, foundation and structural design. This is a direct result of the Geotechnical report and final construction documents.
- 22 All unforeseen scope not clearly identified or quantified in the contract documents shall be allocated toward Owners Betterment.
- 23 Submittal review shall be no more than 10 business days. If additional time is required for approval, then delay to material fabrication and delivery could affect the construction schedule.
- 24 Franchise utility service charges have been excluded for communication lines, electrical power, Atmos gas, etc.
- 25 Mockup designs were not included in the plans. Standard panel mockups are included unless noted otherwise in the contract documents.

Div 02

Existing Conditions

- 1 Includes demolition of existing site paving and buildings as noted. It is assumed that all abatement of known hazardous materials will be completed prior to demolition beginning.
- 2 Salvaging of the masonry at the Arts Building is included. We will attempt to remove the masonry without causing damage to the stone material. The condition of the existing material is anticipated to be brittle and we do not take responsibility of the final condition of the product after removal.
- 3 All Items not specifically detailed in the contract documents to be removed or demolished are excluded from this work.
- 4 All demolished materials become the property of the demolition contractor unless specifically called out for salvage or reuse in the contract documents.

Div 03

Concrete

- 1 All exposed slab finishes to be Class B (1/4" vertical variance in 10')
- 2 The retaining walls are included without the haunch that was eliminated under Addendum #2 details.
- 3 Use of mechanical screed, vibratory screed or paving machines is excluded.

Div 05

Metals

- 1 We have excluded AISC certifications and inspections. (Cooperation with the Owner's inspector is included).
- 2 We have included AESS steel finishes, as specifically called out in the contract documents for level 1 & 2.
- 3 All material not clearly sized, shown and located in the contract documents including but no limited to the structural, architectural, civil and MEP documents is specifically excluded. .
- 4 AESS finish on galvanized material or non-structural steel items are not included.
- 5 all material sizing to comply with U.L. requirements is the responsibility of the Architect and Engineer and not the Construction Manager. Upsizing of steel beyond what is clearly shown, sized and located in the contract documents is excluded.
- 6 We have excluded any supplemental support framing for stairs, rails and landing not clearly shown and located in the contract documents. This exclusion pertain to landing support columns, beams, landing or stair hanger supports in addition to structural framing, embeds and attachment material required to anchor stairs to structure.
- 7 ALUMINUM PANELS QUOTED AS: .190 (3/16)5052-H32 ALUMINUM/MILL FINISH – 3" X 3" X ¼" SQ TUBE POST W/ BASE PLATES / EXPANSION ANCHORS
- 8 HANDRAILS -1-1/4" SCH 40 CARBON STEEL PIPE W/ PRIMER FINISH
- 9 ALL PANELS QUOTED AS SINGLE SIDE INSTALL ONLY PER DETAIL 2/A4.32

Div 06

Wood, Plastic & Composites

- 1 We have excluded AWI Certification for Wood and Millwork.
- 2 All locks Excluded – elevations do not show any locks
- 3 Wood Base, Crown, Molding, Stone and furniture not specifically detailed in the contract documents is excluded.
- 4 Artwork installation is not included.

Div 07

Thermal & Moisture Protection

- 1 Spray Insulation has been excluded (none indicated).
- 2 A Carlisle Roof system has bee included in the GMP as an equal product to the Firestone Rood System as basis of design.

Div 08

Openings

- 1 Doors, Frames & Hardware per schedule provided in the contract documents.
- 2 Automatic Entrances are included as shown the documents.
- 3 Engineered shop drawings are included for all curtainwall systems.

Div 09

Finishes

- 1 Fiberglass Reinforced Panels (FRP) are excluded (none shown).
- 2 Putty pads are excluded (none shown).
- 3 Moving of furniture and equipment for finishes is excluded.

Div 11

Equipment

- 1 Excluded Stainless Steel Tables and counters that are not shown on the millwork details.

Div 12

Furnishings

- 1 We have excluded all FFE.
- 2 We have included window coverings as specified.

Div 13

Special Construction

- 1 Shade Structures a 50% deposit is require upon an agreement and will be billed thru the Pay Application process. The balance will be billed upon completion of the shade structures.

Div 14

Conveying Systems

- 1 Fifty percent (50%) of the contract price shall be due and payable to the elevator subcontractor within thirty (30) days from the receipt of the separate installation agreement. This initial progress payment will be applied to project management, permits, engineering and shop drawings, submittals, drilling mobilization (if required) and raw material procurement. Material will be ordered once this payment is received and the parties have both executed a separate installation agreement.
- 2 Twenty five percent (25%) of the Elevator subcontract shall be due and payable when the material has been received at the elevator subcontractors warehouse. Receipt of this second payment is required prior to mobilization of labor. Progress payments shall be made throughout the life of the project. In the event ThyssenKrupp fails to receive payment within thirty (30) days of the date of a corresponding invoice, ThyssenKrupp reserves the right to demobilize until such a time that the payments have been brought up to date, and ThyssenKrupp has the available manpower.

Div 21

Fire Suppression

- 1 It is assumed that the water main will have sufficient pressure to serve this building; therefore, all booster and fire pumps are not included.
- 2 Low pressure pipe routing & heads have been excluded
- 3 The fire suppression system is delegated-design as specified.
- 4 Wet Pipe system shall be designed and installed per NFPA 13, local codes and requirements for light and ordinary hazard occupancy as required.
- 5 Finished ceilings shall receive concealed sprinkler and white escutcheons. Ceilings open to deck shall receive standard brass uprights. Corrosion resistant sprinklers shall be utilized in the pool equipment area. All sprinkler shall be quick response and head guards provided in the gymnasium.
- 6 A dry pipe sprinkler system shall be provided at the outdoor patio, entry walkway and porte coshere.
- 7 Flex piping will be utilized if acceptable to the local governing authority.

Div 22 & 23

Plumbing & Heating, Ventilating, and Air-Conditioning (HVAC)

- We will make a reasonable effort to keep the duct system clean by sealing ends of all duct both in shipment, storage, and after installation. This proposal does not include any new duct work cleaning after installation per spec section 23 31 13 – 3.8. If required ADD \$ 97,600
- 1
 - 2 We have excluded indoor air quality control inspections
 - 3 We have included Certified Testing and Balancing as specified.
 - 4 We exclude anti-microbial coating on metal for the duct work.
- This proposal does not include Testing, Inspection, & Documentation of the new ductwork per spec section 23 31 13 – 3.7, C. If required ADD \$ 20,700
- 5
 - 6 Only fire dampers specifically shown on mechanical drawings are included in this proposal.
 - 7 Cost associated with re-routing and servicing of the Atmos Gas line is excluded. Gas piping is included from the Atmos meter to the building.

Div 26

Electrical System

- 1 Generator system is excluded.
- 2 Lightning protection is excluded
- 3 Oncor or electrical provider charges for primary and transformer scope is excluded. No cost shall be incurred under this GMP for the primary power and transformer provided by Oncor.
- 4 New Light Fixtures and/or Switchgear are priced with a 6 to 12 week standard delivery schedule. No expediting cost is included.
- 5 Conduit for low voltage systems by other is excluded, unless specifically detailed in the contract documents.

Div 27

Communications

- 1 We have EXCLUDED low voltage and network cabling as shown.
- 2 Telephone lines for the Fire Alarm Annunciator are by Owner

Div 28

Electronic Safety and Security

- 1 We have excluded Access Controls and Video Surveillance as specified.
- 2 Security systems are excluded and provided by owner.
- 3 We have included the fire alarm system as specified.

Div 31

Earthwork

- 1 We have excluded any and all rock excavation
- 2 We have excluded the disposal of any contaminated soils
- 3 Lime stabilization of the areas under the pavement is included as directed in the construction documents.
- 4 We have included demolition and phasing as indicated on the Documents.

Div 32

Exterior Improvements

- 1 Landscaping and irrigation is included as noted.
- 2 Native topsoil stockpiled on site shall be spread across the site. No import of topsoil is included in the GMP with the exception of the baseball fields.
- 3 Ongoing maintenance is excluded following the 30 day maintenance after project acceptance
- 4 Non-potable irrigation system, Pumps, and Cisterns are excluded (none shown).

Div 33

Utilities

- 1 Utility work not shown on Civil plans is excluded.
- 2 Demo of existing utilities as shown in the documents are included. Unforeseen underground utilities not shown to be removed in the contract documents are specifically excluded.

Council Agenda Background

<u>PRESENTER:</u> Michael Wells, City Secretary		<u>DATE:</u> 09/22/20
Council Mission Area: Encourage citizen involvement.		
<u>ITEM:</u> Consider a resolution appointing members and chairpersons to Bedford's Citizen Boards and Commissions; and removing members pursuant to Section 2.10 of the City Charter. City Attorney Review: N/A		
<u>SUMMARY:</u> This item is to appoint members and chairpersons to the City's Boards and Commissions.		
<u>BACKGROUND:</u> The Council interviewed applicants to serve on Bedford's Citizen Boards and Commissions on September 15, 2020. Additionally, there were several incumbents who reapplied for their current Board or Commission seat or a seat on another Board or Commission as indicated in the list provided to Council during the interviews. Further, Council can remove certain members pursuant to Section 2.10 of the City Charter.		
<u>RECOMMENDATION:</u> Staff recommends the following motion: Approval of a resolution appointing members and chairpersons to Bedford's Citizen Boards and Commissions; and removing members pursuant to Section 2.10 of the City Charter.		
<u>FISCAL IMPACT:</u> N/A	<u>ATTACHMENTS:</u> N/A
