MESSAGE FROM THE MAYOR
MONDAY, APRIL 6, 2020

Tarrant County Public Health reported 31 additional positive COVID-19 test results over the weekend. This brings the County-wide total to 452 total positive cases. There have been 9 positive cases reported from Bedford. According to the latest data, Tarrant County has 2,297 total hospital beds in inventory. Of these, 131 are currently being occupied by COVID-19 confirmed patients. This equals 5% of the total bed capacity. The County has updated its website to include the information above, as well as additional data regarding *Cases by Age Group* and *Cases by Gender*. For more information, please visit <http://www.tarrantcounty.com/en/public-health/disease-control---prevention/coronaviruas.html>.

Another great resource for the latest information regarding the coronavirus, and ways to reduce your risk of infection is the Center for Disease Control and Prevention. You may find this link at: www.cdc.gov/coronavirus/2019-ncov/index.html.

Please continue to respect the "Safer at Home" guidance. Only go out for urgent needs. If you do go out, please use the appropriate social distancing, wear a mask if necessary, and be sure to wash your hands frequently. Also, please remember that all City parks have been closed until further notice.
