**MESSAGE FROM THE MAYOR**  
**WEDNESDAY, APRIL 29, 2020**

Yesterday, Tarrant County Public Health reported an additional 69 new cases with 5 new deaths. This brings the County total to 2,088 positive cases with 58 total deaths to date. Bedford cases increased to 48 with still zero deaths.

Last night, the Bedford City Council agreed to allow our Amended Executive Order dated April 7, 2020 to expire effective Thursday, April 30, 2020. This action eliminates any conflicts with Governor Abbott's Amended Executive Order which will take effect on Friday, May 1, 2020. Please remember, Governor Abbott's Orders allow for the "re-opening" of retail businesses and restaurants (along with other businesses) at a reduced capacity and with restrictions.

The Bedford City Council will meet again next week in a Special Work Session to take up discussion on how and when to safely begin opening City facilities to the public once again. This Special Council meeting will be held on Tuesday, May 5, 2020 at 5:30pm.
