Drive-Thru Tree Lighting Event This Thursday in the City of Bedford

FOR IMMEDIATE RELEASE: Bedford, Texas- (Wednesday, December 2, 2020) –

The sold-out, first-ever, Bedford drive-thru Christmas tree lighting event will be held tomorrow, Thursday, December 3, 2020, from 6:00-9:00 p.m. at the Old Bedford School, 2400 School Ln.

This event is for families looking for a safe, fun, alternative Holiday event. Those interested pre-registered for tickets that were good for one vehicle entry into the event with all attendees remaining in their cars for the duration.

The full drive-thru around the lawn of Old Bedford School is expected to take 20-30 minutes from start to finish. Lights and decorations will lead the way as sponsors and vendors hand out items such as to-go crafts, snacks, toys, and other giveaways through open vehicle windows.

There will be a picture with Santa and friends at the end of the drive with the characters posing in front of vehicles.

All COVID-19 restrictions and guidelines must be followed for the duration of the experience and the event is weather permitting, while supplies last, and subject to change.

For more information please visit the City of Bedford website at <https://www.bedfordtx.gov/451/Christmas-Tree-Lighting>.

Although the event is sold-out, folks can still visit the Old Bedford School grounds from December 4 – 31, 2020, for some free holiday cheer by taking a spin around the path while viewing the lights and decorations. An abundance of photos and memories are encouraged.
